## CTE Connect

Arlington Public Schools

March 2023

### CTE Showcase at the Arlington Career Center, February 28, 2023

Yorktown Ocebots at the First Robotics Competition in Blacksburg, VA. Steffy Farzinfard is the First Robotics Coach at Yorktown and a Computer Science teacher.

EMT students at the Career Center recently practiced safely removing patients who had been involved in mock vehicle accidents. They applied the skills they have learned in class to lift and move patients while taking spinal injury precautions. This training exercise took place in the parking lot at the school. Saruhan Hatipoglu is the course instructor.

Wakefield DECA students participated in the State Leadership Conference in Virginia Beach from March 3-5, 2023. Two students, Morgan Lips and Gabby Gilbert, won first place in the Team Sports and Entertainment Marketing category and will advance to the DECA International Career Development Conference in Orlando, FL next month. Maureen Naughton is the DECA advisor.

Eight Technology Student Association (TSA) members at Wakefield participated in the TSA regional competition on March 4<sup>th</sup> at Thomas Jefferson HS for Science and Technology for Video Game Design, Dragster Design, Debating Technology Issues, and Prepared Presentation. One student, Milton Cruz Batres, earned 2<sup>nd</sup> place for Video Game Design. Dr. Tiffany Casey is the TSA Advisor at Wakefield and an Engineering teacher.
