- Turn left into parking garage and down to the left for Visitors – Levels B1 & B2

Option # 1 from South:

- Drive North on Glebe Rd
- Turn Right onto S. 2nd St.
- Turn left on S. Wayne Street (after the 7-11)
- Go 3/4 around roundabout which will bring you between Sequoia buildings
- Turn left into parking garage and down to the left for Visitors – Levels B1 & B2

(There is also street parking available on S. Uhle St and 1st Street S.)

Upon Arriving at Sequoia:

Garage Parking – Visitor parking (including any student parking) will be on levels LL, B1, and B2. Our visitors, students, or meeting attendees will no longer need a visitor pass in their windshields and we no longer need to request them from the landlord if we are planning a large meeting. Our guests just need to find an open spot on any of those levels. There are plenty of spaces so it should not be a problem.

Entering the Building – Take garage elevator UP to the lobby level (L);

- Walk through double grey doors from the garage to enter the building lobby area of 2110
 - For meetings on the 1st floor in the learning suite: walk straight ahead & turn through the second set of double glass doors on your right
 - For meetings on the 2nd floor: Walk straight ahead to the building elevators and up to the second floor. Ask the receptionist to call me to come greet you ☺
