

PARTNERS in EDUCATION

Thank you to all of our partners who attended the Partnership Celebration and for your continued support to our Arlington Public Schools students and programs throughout this school year. We are looking forward to connecting with you all next year and showcasing more of our wonderful partnerships.

Please stay connected throughout the summer for updates and opportunities at the following: Facebook: @ArlingtonPublicSchools; Twitter: @APSVirginia, Dawn Smith: @APSPartners; & Instagram: @APSVirginia

Have a great summer!

Are you interested in partnering with Arlington Public Schools?

Our Partners in Education program brings organizations into the schools to work directly with students, teachers, and administrators on projects targeted at improving student achievement. APS has three types of partners:

- **Resource Partners** provide space, gift certificates, incentive prizes, financial or in-kind donations.
- **Service Partners** provide mentors, tutors, guest speakers, workshops, internship opportunities and/or job shadowing experiences.
- **Strategic Partners** sign a partnership agreement that supports both the APS Strategic Plan and the partner's organizational goals.
