School Population is from Summary of K-12 Student Civil Rights Statistics by Number and Percent, prepared Oct 29, 2007.

Suspension data is from the Student Database:

- "Students Suspended" are the actual number of students suspended at each school
- "All Suspensions" represents the actual number of suspensions

* Totals may be greater than the sum of totals by race/ethnicity because results are not reported for students identified as Unspecified or Am.In./Al.Nat

** No students reported as enrolled full time but this was the location at which the incident occurred
