Notes:

*APS reporting reflects the On-Time Graduates (OGR) as defined by VDOE.

^Data for the 2016 Graduation Cohort is preliminary.

✓ The 2015 release mistakenly reported the number of students in the graduation cohort (1,440) as on-time grads. This table is correct reflect the on-time grads (1336).

For students who took the SAT more than once, the most recent score is used.

**State and national scores are from all test-takers, including both public and non-public school students.
