

**Information about Waiver of School Board Policy 25-2.2 for  
Middle Schools and High Schools for the 2017-18 School Year**

To address overcrowding and provide an interim solution to balance over capacity, the School Board approved a waiver of Policy 25-2.2 for the 2017-18 School Year. The waiver provides a short-term solution to manage increased enrollment during the 2017-18 school year and will be reevaluated annually.

During 2017-18, voluntary transfers into Kenmore Middle School and Thomas Jefferson Middle School will be allowed, provided that the utilization for each school does not exceed 120% over the next three years. Transportation will be provided.

During 2017-18, high school students can voluntarily transfer into any of the three comprehensive high schools, provided that the utilization for each school does not exceed 120% over the next four years. Transportation will be provided.
