ENGLISH AS A SECOND LANGUAGE (concentration)

DESIGNED FOR PRACTICING TEACHERS who want to add the ESL credential to their current teaching license, this emphasis addresses one of the fastest-growing needs in today's classrooms. The program provides students with a broad understanding of how to design curriculum, instruction, and assessments for English Language Learners, meet the needs of culturally and linguistically diverse students, incorporate technology into instruction, and design and conduct inquiry research.

“With the growing number of culturally and linguistically diverse students in today's schools, there is a high need for ESL teachers throughout the United States. The online format of the courses is convenient and allows for flexibility in your daily schedule. Upon completion of the program you will be prepared to design and provide instruction to meet the needs of our culturally and linguistically diverse learners.
