REGISTRATION
Registration forms are included in this catalog and are available online at www.apsva.us. APS students should register at the schools they are attending during the 2015-16 school year. Non-APS students should register at the APS Summer School Office. Late Registration for APS secondary students only will be held at Carlin Springs Elementary School on June 30 from 8:00 a.m. to 7:00 p.m. Only current APS middle and high school students who need to re-take a credit-bearing course they have failed will be allowed to register during this time. Student Welcome Letters, Bus Stops and Other Information Will Be Mailed July 6.

PROCEDURES FOR STUDENTS WHO ARE NOT CURRENTLY REGISTERED WITH APS
All non-APS students must present complete health records, copies of which can usually be obtained from the current school at the time of registration. Health records include:
• Tuberculin skin test or evidence of a negative TB risk assessment done after June 2015
• Vaccination records
• Physical examination done after June 2015 (elementary students only)
Non-APS students who reside in Arlington must also provide proof of residency in order to qualify for resident fees. Residency is proven by providing a copy of a lease or mortgage, or by completing the APS forms A & B (available from the APS Student Services Office). Proof of guardianship may also be required.

DEADLINES
Registration deadlines are firm and absolute. Registration must be completed in person. Audits are not permitted. New students who are pre-registered to attend APS K-12 programs in the fall have until June 10, 2016 to register for summer school (all new students who wish to enroll in summer Pre-K, Middle School Enrichment or High School New Work for Credit must register by May 6).

FEES AND REFUNDS
Payment in full is due at the time of registration. Checks or money orders should be made payable to Arlington Public Schools. Cash and credit cards are not accepted.

Fees for Pre-K through grade 12 strengthening courses are non-refundable (the only exceptions are for secondary students who passed a credit-bearing class during the school year and no longer need to take the class in Summer School).
Refunds (less a cancellation fee) may be granted for elementary and middle school enrichment and high school New Work, but only if:
• a student is ill four or more days (with a doctor’s note);
• there is a death in the immediate family; or
• there is a transfer of residence outside of Arlington.
The last day to request a refund is July 1, 2016. Requests should be submitted to the Summer School office.

REDUCED FEES
Reduced fees are available to current Arlington resident students who receive free or reduced-price meals during the school year. To qualify for the reduced fee, a copy of the student’s letter of eligibility for free or reduced-price meals must be attached to the summer school registration form.

ATTENDANCE REGULATIONS
Consistent attendance in summer school is critical at all grade levels. In the middle school and high school programs, neither grade nor credit is awarded for any class in which a student has more than three absences (two absences maximum are allowed in high school New Work for Credit courses). In Summer School there are no excused absences, even in the case of a court appearance or death in the family. If a student is tardy three times, the tardies will count as one absence. Students who are more than 20 minutes late to class or who leave more than 20 minutes before class is over will be marked absent. Students who exceed three absences (two absences for high school New Work) will be unable to continue in the summer program and will be withdrawn.

TRANSPORTATION
Elementary students who attend an out-of-boundary school during the school year will not receive transportation during the summer unless they attend a countywide special education or enrichment program, i.e., Global Village, Math Academy, or Summer Laureate. Please note that transportation for secondary programs will only be provided at the beginning and end of the day; there will be no mid-day runs, and students will not be allowed to stay at school if they do not have two classes. Elementary students must live at least one mile from the summer school site, and secondary students must live one and a half miles from the summer school site, to qualify for transportation. Bus stops and additional transportation information will be sent to students by U.S. mail on July 6. Parents must arrange for younger children to be escorted to and from the bus stop. Questions about buses should be directed to the Transportation Office at 703-228-8670. The call center is open from 6:00 a.m. to 6:00 p.m.

**2016 Arlington Public Schools (APS) Secondary Summer School Registration Form**
The APS elementary summer strengthening programs are designed specifically for those students who need additional time and exposure to grade level standards. Only students who are failing a class, who previously failed an SOL exam, or who are recommended by their teacher are eligible to enroll in these courses. Program locations, times and dates are listed below. Detailed information on these and the elementary enrichment programs are listed on the following pages. Parents and students are encouraged to discuss possible areas of study and consult with their teachers and counselors in order to make appropriate course selections. All registration forms must be signed by the student's teacher and turned in to the summer school registrar by the appropriate deadline.

Fees for all strengthening programs are non-refundable. Partial refunds are available for enrichment programs under limited circumstances (see page 2, Fees and Refunds.) Transportation will NOT be provided for students who attend an out-of-boundary school during the school year unless they are attending a Summer School special education or enrichment program.

I. STRENGTHENING: PRE-KINDERGARTEN

PRE-KINDERGARTEN
COURSE CODE: 00901
REGISTRATION CLOSES: 5/6/16
ELIGIBILITY: Arlington residents only who are pre-registered for kindergarten at the APS school they will attend in Fall 2016.
JULY 11–AUGUST 12
$100.00
See page 3 for locations and times.

This course is designed specifically for students who have no Pre-K experience or who participated in APS Pre-K but are identified by their teacher as eligible for additional support to ensure success in kindergarten. Students will strengthen numeracy and literacy skills while also fostering socio-emotional skills through hands-on activities.

II. STRENGTHENING: K-5 MATH AND LANGUAGE ARTS PROGRAM, SPANISH IMMERSION AND ESOL/HILT

The elementary strengthening program in math and language arts is for low-performing students who are either failing a course or who failed a previous SOL. The focus of the program is remediation, and is funded in part with state remediation funds. Only students who are performing below grade level or who are recommended by their teachers as needing additional support are eligible to register for these courses.

MATH/LANGUAGE ARTS
Kindergarten, COURSE CODE: 00902
Grade 1, COURSE CODE: 00903
Grade 2, COURSE CODE: 00904
Grade 3, COURSE CODE: 00905
Grade 4, COURSE CODE: 00906
Grade 5, COURSE CODE: 00907
REGISTRATION CLOSES: 5/6/16
ELIGIBILITY: Grades K through 5; students should register for the grade they were in during the 2015-16 school year.
JULY 11–AUGUST 12
$100.00
See page 3 for locations and times.

The math/language arts classes will reinforce grade-level content to compliment what students have learned during the school year. Students who are on or above grade-level should register for an enrichment program. These courses are designed for students who require additional support and exposure to strengthen their numeracy and literacy skills. Students will divide their time between math and language arts daily.

III. STRENGTHENING: SPECIAL EDUCATION PROGRAMS

Summer school experiences for students who receive special education services are offered to students in Pre-Kindergarten through grade five. Registration is limited to students who were enrolled full time in APS during the 2015-16 school year. Summer school special education programs are not designed to be duplications of the regular school year programs. Although students with Extended School Year services (ESY) do not pay registration fees, they must submit a registration form by the relevant deadline.

At each elementary site, resource services will be available for students who receive this type of support during the school year. However, special education resource services during summer school will not be identical to the IEP services provided during the year. Summer school resource teachers ensure that accommodations and modifications are in place and provide direct/group instruction as needed.

I. SELF-CONTAINED MATH/LANGUAGE ARTS

$100.00
LOCATION: Henry

This program is designed for students with learning disabilities, grades K-5, who have reading services on their IEPs. Intensive reading remediation is provided in the areas of phonemic awareness, phonics, fluency, vocabulary and comprehension. Instruction will take place in small groups. Students should be able to demonstrate appropriate classroom behavior. A separate Reading Camp form is distributed to schools from the Office of Special Education and must be completed by the student’s teacher. Parents and school registrars are not responsible for this form. Teachers return this form directly to the Office of Special Education where it is reviewed to ensure appropriate placement and support. The regular Summer School Registration form must be completed by parents, signed by the student’s teacher, and returned to the summer school registrar at the student’s school no later than April 8, 2016.

IV. ENRICHMENT PROGRAMS

GLOBAL VILLAGE SUMMIT
COURSE CODE: 00924
REGISTRATION CLOSES: 4/8/16
ELIGIBILITY: Arlington residents in grades K-4.
JULY 11–JULY 29; 9:30 a.m.–1:30 p.m.
$560.00
LOCATION: Arlington Traditional School

Open to all students, Global Village Summit provides engaging learning experiences that help students better understand and appreciate the world around them. Whether well-traveled or simply open to broadening their world, all students will enjoy learning about world cultures through multi-media technology, language experiences and hands-on learning. Recognizing that Arlington is a unique global village, the program focuses on our own diverse community. Each day, students explore the geography, history, culture and critical issues of people from Europe, Asia, Africa and the Americas. Cultural informants from different countries visit students to share their first-hand experiences and stories. Students use technology to apply research, critical thinking and creativity to convey information. Daily attendance is required for a successful experience. Students are asked to bring their own snacks. To get a first-hand look at this program, visit http://tinyurl.com/GlobalVillageSummit.
MATH ACADEMY
Grade 2, COURSE CODE: 03904
Grade 3, COURSE CODE: 03905
Grade 4, COURSE CODE: 03906
Grade 5, COURSE CODE: 03907
REGISTRATION CLOSES: 4/8/16
ELIGIBILITY: Open to APS students who have met grade-level expectations for math in grades 2, 3, 4 or 5 and who are seeking an in-depth mathematical experience.
JULY 11–JULY 29; 9:00 a.m.–1:00 p.m.
$560.00
LOCATION: Tuckahoe
Math Academy offers a fast-paced and challenging opportunity for students entering third, fourth, fifth or sixth grade in September. Students will take an active role in deepening their understanding of mathematical concepts. Problem solving, critical thinking skills and algebraic reasoning will be explored through games, projects, and other hands-on activities connected to the Virginia mathematics SOL.

SUMMER LAUREATE PROGRAM
COURSE CODE: 00925
REGISTRATION CLOSES: 4/8/16
ELIGIBILITY: Arlington residents in grades K-5.
JULY 11–JULY 29; 9:30 a.m.–1:30 p.m.
$560.00
LOCATION: Arlington Traditional School
Summer Laureate is a challenging and fast-paced program providing experiences for students who demonstrate creativity, inquisitiveness, and a desire for an academic experience in the summer. Guided by concepts such as change, structure and cause/effect, teachers will guide students as they learn a topic of study in science through an integrated approach emphasizing critical and creative thinking, research skills and technology integration. Students will have the opportunity to self-select from areas of study for individual and/or group projects based on their interests, to demonstrate what they have learned in the summer experience. Students are asked to bring their own snacks. Attendance each day is required for a successful experience.

OUTDOOR LAB
COURSE CODE: 00970 (SESSION A)
COURSE CODE: 00971 (SESSION C)
REGISTRATION CLOSES: 4/8/16
ELIGIBILITY: Arlington residents who have completed grade 4 or 5.
SESSION A: JUNE 27–JULY 1
SESSION C: JULY 25–JULY 29
$594.00 (INCLUDES TRANSPORTATION, ROOM AND BOARD)
LOCATION: Phoebe Hall-Knipling Outdoor Laboratory
A blend of traditional camp activities (hiking, evening campfires, crafts, skits, etc.), nature exploration and sensory awareness make this program fun and informative. The Outdoor Lab summer camp provides students with the opportunity to explore the natural world at their own pace. The highly qualified staff will safely guide campers through various activities that may include aquatic studies, natural history, and nature's supermarket. This overnight program is conducted at the Phoebe Hall-Knipling Outdoor Laboratory near Warrenton, Virginia. Students are transported to the Outdoor Lab on Monday morning and returned to Arlington on Friday afternoon of the same week. Platform tents, meals and snacks are provided. Tent mates will be assigned by the Camp Director to ensure campers have the opportunity to make new friends. For additional information call 703-228-6166. If registration exceeds program capacity, a random selection procedure will be used to determine participation. Students will be notified by mail from the Science Office by April 22 on the status of their applications.

If openings remain after the registration deadline, applications will be accepted on a first-come, first-served basis. After July 1, applications from students who live outside Arlington will be accepted, space permitting. Please contact the Science Office at 703-228-6166 for more information.

V. SUMMER EXTENDED DAY PROGRAMS
The Extended Day summer programs offer quality supervised activities which are age-appropriate and designed to meet the needs and interests of children. Programs include arts and crafts, sports, games, drama, swimming, science literacy and more. To be eligible for Extended Day:
• the custodial parents/guardians must be employed, in school, or incapacitated;
• the Extended Day account must be current; and
• the student must be registered for a summer school program at one of the locations listed below.

Arlington Science Focus 7/11 – 8/12
Arlington Traditional 7/11 – 7/29
Barrett 7/11 – 8/12
Campbell 7/11 – 8/12
Claremont 7/11 – 8/12
Henry 7/11 – 8/12
Oakridge 7/11 – 8/12
Randolph 7/11 – 8/12

Registration opens March 1 at www.apsva.us/extday. For more information, please call 703-228-6069, email extended.day@apsva.us, or visit www.apsva.us/extday.

*Extended Day is open to students enrolled in Math Academy at Tuckahoe from 7/11 – 7/29.
MIDDLE SCHOOL PROGRAMS

APS offers a countywide summer school program which rotates locations each year. In 2016, the program will be held at H-B Woodlawn. This program offers a variety of opportunities for students to:

- Make up or strengthen coursework done during the regular school year
- Improve academic readiness study skills
- Learn to understand, speak, read, and write English
- Reinforce SOL strands not mastered during the regular school year
- Maintain acquired skills and work habits in mathematics, English and science

Transportation will only be provided at the beginning and end of the day; no mid-day runs will be made.

Course dates, times and descriptions for middle school students follow. Students and parents should discuss possible areas of study, consult with teachers and counselors, and make course selections by the June 10 deadline. For general information regarding these programs, check the telephone listings on page 1 or call a school guidance counselor. A teacher signature is required for all courses.

I. MAKE-UP AND STRENGTHENING: MATH, ENGLISH AND SCIENCE

MATH

JULY 11–AUGUST 12

- Period 1: 8:20 a.m.–10:30 a.m.
- Period 2: 10:40 a.m.–12:50 p.m.

$100.00

Students should take make-up and strengthening courses in math, English or science if they failed a course during the school year, failed an SOL test, or passed a course with a grade of C or lower and need additional instruction to be successful at the next level. Students may only register for a make-up course if they were enrolled in the course previously.

Eighth grade students will take make-up and strengthening courses at Yorktown (the countywide summer high school site). Please note that English 8 (11120), Math 8 (13112), Algebra 1 (23130) and Physical Science 8 (14125) are listed under high school programs on page 16.

- PERIOD 1: 8:20 a.m.–10:30 a.m.
- PERIOD 2: 10:40 a.m.–12:50 p.m.

$100.00

The lab is well suited for students who did not pass the Grade 5 English Standards of Learning test (reading and/or writing), Grade 6 Reading SOL test and/or the Grade 7 Reading SOL test. Specific importance will be placed on the Standards of Learning for Grades 6 & 7. This class is not for students who have failed grade-level English. Those students should enroll in the regular make-up and strengthening courses, i.e. English 6 or English 7. This is not an enrichment class for above grade level students.

SUMMER LITERACY ACADEMY

COURSE CODE: LITACAD7

REGISTRATION CLOSES: 6/10/16

ELIGIBILITY: Current 7th grade boys who previously participated in the Summer Literacy Academy; registration forms must contain the recommendation and signature of the Minority Achievement Coordinator at the student’s school. (Note: Students who failed English 7 and/or Math 7 are not eligible for the Summer Literacy Academy and should retake English and/or math instead.)

III. MAKE-UP AND STRENGTHENING:
SPECIAL EDUCATION PROGRAMS

APS middle school students with disabilities have the opportunity to take the regular middle school make-up and strengthening courses listed in this catalog. However, they will be expected to comply with the same regulations, grading and attendance policies that apply to all students taking these courses. IEP goals will not be implemented during Summer School unless students receive Extended School Year services. Students with disabilities may also take the special courses listed here. Resource services will be available for students who receive these services during the school year.

COURSE CODE: 10958
REGISTRATION CLOSES: 5/6/16
ELIGIBILITY: Students who have completed grade 6 mathematics with a grade of C or above, and have passed the SOL.
JULY 11–AUGUST 12
   Period 1: 8:20 a.m.–10:30 a.m.
   Period 2: 10:40 a.m.–12:50 p.m.
$347.00

This course is designed for students who have successfully completed Math 6 who are intending to take Algebra I or Algebra I, Intensified in grade 8. The course will preview the Math 7/Pre-Algebra content so that students are equipped to excel in both Math 7 in grade 7, and in Algebra I in grade 8. Problem-solving and communication will be emphasized through the study of real-world examples and hands-on models.

INTRODUCTION TO ALGEBRA

COURSE CODE: 13102
REGISTRATION CLOSES: 5/6/16
ELIGIBILITY: Students who have completed grade 7 mathematics with a grade of C or above, and have passed the SOL.
JULY 11–AUGUST 12
   Period 1: 8:20 a.m.–10:30 a.m.
   Period 2: 10:40 a.m.–12:50 p.m.
$347.00

This course is designed for students who have successfully completed Math 7 and who are intending to take Algebra I or Algebra I, Intensified in grade 8. This course will strengthen Pre-Algebra skills and preview the Algebra I content so that students are equipped to excel in Algebra I the following year. Problem-solving and communication will be emphasized through the study of real-world examples and hands-on models.

GOOGLE LIT TRIPS – MAPPING HISTORICAL FICTION

COURSE CODE: GOOGLELIT67
REGISTRATION CLOSES: 5/6/16
ELIGIBILITY: Students who have completed grade 6 or 7.
JULY 11–AUGUST 12
   Period 1: 8:20 a.m.–10:30 a.m.
   Period 2: 10:40 a.m.–12:50 p.m.
$347.00

Students will read an historical-fiction novel and simultaneously explore the journey using Google Earth. The use of Google Earth brings the reading experience to life, helping readers become part of the story by traveling alongside the characters. Throughout the journey, students will have the opportunity to view photos, video clips, primary sources and various expository texts that go beyond the novel, to help them engage in critical thinking and learn more about historical events. Students will also engage in a variety of writing experiences to reflect on the literary journey. After sharing this journey as a class, students will work in small groups and use Google Earth to map their own literary journeys.

LEADERSHIP ACADEMY ON GLOBAL ISSUES

COURSE CODE: LEADACADGI
REGISTRATION CLOSES: 5/6/16
JULY 11–JULY 22; 8:20 a.m.–12:50 p.m.
$347.00

We live in an interconnected world that grows smaller with each passing day. It is important that we learn the skills necessary to navigate and understand our diverse global community. This two-week experience will be led by staff from the D.C World Affairs Council in partnership with APS staff. Using a variety of simulations, debates, and interactions with foreign policy experts, students will develop global competencies required for success in the 21st century. Activities will include:
• exploration of global issues such as human rights and peace-building
• interdisciplinary examination of global issues
• interaction with foreign policy experts
• role-playing and student-led presentations
• opportunities for research on global issues

DEMOCRACY IN ACTION: CLOSE UP IN ARLINGTON

COURSE CODE: DEMINACTION
REGISTRATION CLOSES: 5/6/16
JULY 25–AUGUST 5; 8:20 a.m.–12:50 p.m.
$347.00

Do you have an opinion on issues such as civil rights, voting and immigration? Do you believe you have the power to effect change in your community? Participating in the Democracy in Action Institute will provide an opportunity to address these issues. This two-week experience will be led by staff at the D.C. Close-Up Foundation in partnership with APS staff. Using a variety of simulations, field studies and debates, students...
will apply their conceptual knowledge to determine how our understanding of history and government help us take a more active role in our communities and our nation. Activities will include:
- a debate on federalism in law making
- a mock Congressional simulation
- a workshop on public policy related to current issues
- a field study on social activism
- a site visit to Capitol Hill

OUTDOOR LAB SESSION B
COURSE CODE: 10970
REGISTRATION CLOSES: 4/8/16
ELIGIBILITY: Arlington residents who have completed grade 6, 7 or 8.
SESSION B: JULY 11–JULY 15
$594.00 (includes transportation, room and board)
LOCATION: Phoebe Hall-Knipling Outdoor Laboratory
A blend of traditional camp activities (hiking, evening campfires, crafts, skits, etc.) and nature-based offerings make this program fun and informative. Although this program is an extension of the elementary Outdoor Lab summer camp, a higher level of nature exploration, different activity options and group initiatives help to give campers a distinct experience. Students are provided opportunities to explore the natural world through focused activities of their own choosing and self-directed free time activities. This exciting and popular summer camp is conducted at the Phoebe Hall-Knipling Outdoor Laboratory near Warrenton, Virginia. Students are transported to the Outdoor Lab on Monday morning and returned to Arlington on Friday afternoon of the same week. Platform tents, meals and snacks are provided. Tent mates will be assigned by the Camp Director to ensure campers have the opportunity to make new friends. For additional information call 703-228-6166. If registration exceeds program capacity a random selection procedure will be used to determine participation. Students will be notified by mail from the Science Office by April 22 on the status of their applications. If openings remain after the registration deadline, applications will be accepted on a first-come, first-served basis.

STARTALK Arabic Program - Beginning
The Arabic-Beginning program is intended for students with no previous study of the Arabic language. Students will leave the program able to understand and use basic language structures to communicate information about themselves in Arabic. For example, they will know how to introduce themselves, say their ages, talk about their favorite pastimes, describe their families, and express opinions about foods. Students will be exposed to a rich variety of cultures representing the Arabic-speaking world, with particular emphasis on Egypt. The main focus of study will be on understanding the culture and communicating about everyday needs and experiences, through experiential and hands-on activities, folklore, celebrations and traditions.

STARTALK Arabic Program - Developing
The Arabic-Developing program is intended for students with one to two years of previous formal study of Modern Standard Arabic. Students are exposed to the rich variety of cultures representing the Arabic-speaking world, with particular emphasis on Egypt. The main focus of study will be on understanding the culture and communicating in a variety of ways about everyday needs and experiences, through experiential and hands-on activities, folklore, and cultural traditions. Upon registering for the program, students will take a placement test to determine instructional grouping.

STARTALK Chinese Program - Beginning
The Chinese-Beginning program is intended for students with no previous study of the Chinese language. Students will leave the program able to understand and use basic language structures to communicate information about themselves in Chinese. For example, they will know how to introduce themselves, say their ages, talk about their favorite pastimes, describe their families, and express opinions about foods. Students will be exposed to the rich culture of China, with particular emphasis on its capital, Beijing. The main focus of study will be on understanding the culture and communicating about everyday needs and experiences, through experiential and hands-on activities, folklore, celebrations and traditions.

STARTALK Chinese Program - Developing
The Chinese-Developing program is intended for students with one to two years of previous formal study of Mandarin Chinese. Students will be exposed to the rich culture of China, with particular emphasis on Shanghai. The main focus of study will be on the culture and communicating in a variety of ways about everyday needs and experiences, through experiential and hands-on activities, folklore, and cultural traditions. Upon registering for the program, students will take a placement test to determine instructional grouping.
HIGH SCHOOL PROGRAMS

APS offers a countywide program which rotates locations each year. The 2016 summer school program will be held at Yorktown High School. This program offers a variety of opportunities that permit students to:

- Make-up courses
- Strengthen academic competencies
- Improve computational skills
- Learn to understand, speak, read, and write English
- Prepare to retake failed SOL tests
- Take new work for credit courses

Transportation will only be provided at the beginning and end of the day; no mid-day runs will be made.

Students and parents should discuss possible areas of study, consult with teachers and counselors, and make course selections by the June 10 registration deadline. For more information regarding these programs, check the telephone listings on page 1 or call a school guidance counselor.

Note: Students must have a signature from a recommending teacher on their registration forms for all courses.

I. MAKE-UP AND STRENGTHENING COURSES

Eligibility: Students who should take make-up and strengthening courses fall into three categories:

- those who have failed a course previously
- those who have passed a course but failed an SOL exam
- those who have passed a course but wish to improve their grade (for Math 8, English 8 and Physical Science 8, only students who previously failed the course are eligible to register)

To be eligible for full credit, a student must be enrolled for all 25 days, meet the attendance requirements, and receive a passing grade. SOL exams will be administered in relevant core classes at the end of summer school. No auditing is permitted. Students who exceed three absences will be withdrawn. Physical Science 8, English 8, and Mathematics 8 are middle school courses. No credit is earned for these courses.

VI. ONLINE COURSES
In addition to orientation, students taking an online course will be required to be physically on-site for a proctored VA/US Standards of Learning assessment during the last week of summer school. Date to be announced.

Students are expected to start the virtual courses no later than June 20th to allow adequate time to complete the course requirements. Students are expected to make ongoing, steady progress through course content. Students who do not show progress for 5 consecutive days will be dropped unless the instructor has been notified. The course instructor will contact the student and parent prior to officially dropping the student from a course.
Virtual courses satisfy the requirement of new work for credit. The courses are self-paced and may require up to five hours per day for completion. To be eligible for full credit, a student must meet the following requirements:
- Attend one of the mandatory orientation sessions listed below.
- Have a valid email address that is accessed regularly.
- Have internet access or the ability to travel to a site where access is available.
- Routinely access the internet to complete weekly tasks and assignments.
- Engage with an instructor in person and/or online.
- Participate in the proctored exams indicated above for each course.
- Receive a passing grade.

### ORIENTATION SESSIONS
Note: Students taking a virtual course are required to attend an orientation session. Course registrants will be contacted via email to sign up for one of the following sessions.
