FA330 PAINTING with Acrylics and Oils

Instructor: Cecily Corcoran

Supply List

ACRYLIC PAINT:

Optional Colors:

- Titanium White
- Cadmium Yellow Medium Cadmium Yellow Light
 - Naphthol Crimson Cadmium Red Light
 - Manganese Blue Mars Black
- French Ultramarine Blue (Red Shade) Cobalt Blue
 - Yellow Ochre
 - Burnt Sienna
- Look for the brands: Interactive, Golden, Liquitex (heavy body), because these paints have a better consistency and quality for painting. Also, most colors have the option of a “hue” instead of the real pigment. If you want to save money, buy the HUE of the Cadmiums...etc.

MEDIUM:

- Fluid Matte Medium (4-8oz) (I use Golden or Liquitex, but any brand should be fine).

BRUSHES:

- #2, 6# Bright Brush Sabeline
 - #2 Filbert Brush
 - #0 Round Brush
- Every brand has a different size for their Brights, Filberts, Rounds (type of brush). Buy about 3 brushes for the first class, and we will go from there. Please do not buy Bristol brushes. When in doubt, buy a package of a variety of sizes.

PALETTE:

- DISPOSABLE PALETTE. There are also other more expensive palettes called “Stay Wet,” these palettes have a sponge that fits on the tray to keep the paints wet. Use purified water with these palettes since they mold easily.

GROUND:

- CANVAS BOARD (no larger than 11x14” because it may warp)
 - STRETCHED CANVAS
 - Buy an 8x10” or 9x12” for beginners.
