CONTRACT

CONTRACT #12FY17
COVER PAGE

Arlington Public Schools
Purchasing Office

PROPOSAL TITLE: ARCHITECTURE/ENGINEERING SERVICES FOR INTERNAL MODIFICATIONS AT WAKEFIELD HIGH SCHOOL

This Contract is entered into this 16th day of November, 2016, by and between Hord Coplan Macht, Inc., hereinafter called "AE" and Arlington Public Schools hereinafter called "APS"; and shall terminate one year after the first date of occupancy, or six (6) months after final payment to the General Contractor, whichever is later.

APS and the AE, having given adequate consideration, agree that the AE will perform all architectural and engineering services within the services for modifications at Wakefield High School (hereinafter "the Work"), in accordance with the Contract; which shall consist of:

CONTRACT DOCUMENTS: This Contract shall consist of the following, all of which are incorporated into and are a part of the Contract, and which, in the event of a conflict, shall be given precedence in the order listed, with any Addendum or Modification having precedence over preceding provisions:

1. The Contract
2. Attachment A, Scope of Services;
3. Attachment B, the General Terms and Conditions;
4. Attachment C, Non-Disclosure and Data Security Agreement
5. Attachment D, AE Certification Regarding Criminal Convictions
6. Attachment E, Fee Schedule; and,
7. Attachment F, Certificate of Insurance

The following are incorporated by reference:

8. The Request for Proposal (RFP) documents;
9. The Proposal;
10. In the event of a conflict within a Contract Document at the same level of precedence, that provision requiring the higher quality of performance or quantity shall prevail.
11. In the event of a conflict which is not resolved by the foregoing, the Owner shall determine the provision having precedence.

The Work shall be performed in accordance with the above-referenced contract documents and is the complete agreement between APS and the AE and may not be altered except by written amendment signed by APS and the AE in compliance with the requirements of the Contract Documents.

The signatures of APS and the AE, or their authorized representatives, are set out below in acknowledgment and acceptance of this Contract.

ARCHITECTURE & ENGINEERING DETAILED SCOPE OF SERVICES

I. PROJECT INFORMATION

Title: Wakefield High School Internal Modifications (Project)

Location: 1325 S Dinwiddie St, Arlington, VA 22206

Description: Wakefield High School (WHS) is a LEED Gold building completed for the start of the 2014-15 school year. The Project will include minor to moderate modifications within the existing building to increase the building’s student capacity. Modifications may include, but are not limited to, subdividing existing spaces, creating new spaces, changing use of spaces, and upgrading furniture/technology. Complete integration with the existing spaces and associated building systems will be required.

The current capacity of WHS is 1,903 students. As a result of this project APS expects the capacity to increase by a minimum of 300 students.

Maximum Total Cost: $4,000,000 (approximately $2,200,000 for Construction Costs and $1,800,000 for Owner/Soft Costs)

Delivery Method: Design – Bid – Build

Owner’s Representative: APS Design & Construction Project Manager (APS PM) and Construction Manager Advisor (CMA)

Substantial Completion: Start of School September 2017

Preliminary Schedule:

II. AE RESPONSIBILITIES

A. General Responsibilities. The AE shall perform all the services required under the Contract as directed in writing by APS and as specified in Change Orders. The AE is responsible for providing the management, quality control, budget control, schedule control, and administrative tasks needed to perform the services in an expeditious and economical manner consistent with the Contract and the best interests of APS.

B. AE Staff.

1. Core AE Staff. The AE shall assign and dedicate personnel to this Project sufficient in number, and with the requisite expertise and experience, to perform the duties described in the Contract. The AE will supplement the core staff as needed throughout all phases with other employees, and/or Subcontractors who will support the core staff on a daily basis and/or bring special skills and expertise to the Project. Such supplemental staff will be
provided at no additional cost to APS. Having adequate AE staff at all phases of the Project is a requirement of the Contract and is the responsibility of the AE.

2. **Removal of AE Employees.** APS shall have the right to remove immediately any AE employee at any time during the duration the Contract if it determines, in its sole discretion, that the employee is not of the level of competence or ability required under the Contract, or if the employee is for any other reason found to be unsuitable for the Work. AE shall indemnify and hold harmless APS from any damages, loss or liability, including but not limited to attorney’s fees and reasonable and customary litigation costs, arising from or relate to claim or cause of action arising from or related to any action by APS requiring the replacement of any AE employee under the Contract.

3. **Personnel Replacements.** In the event that any personnel named in the Proposal is unable to perform their duties due to death, illness, resignation from the AE's employ, APS request for removal, or any other reason, the AE shall promptly submit to APS, in writing, the name and qualifications of a proposed replacement. The AE shall make any approved substitutions at no increase in the Contract Price.

4. **Failure to Provide Qualified Personnel.** AE personnel must meet the stated requirements in the Request for Proposal documents and be acceptable to APS to perform the contracted services. APS may deem repeated failure or excessive delay by the AE to provide qualified personnel, or qualified replacement personnel, sufficient reason to terminate the Contract in whole or in part.

5. **Subcontractors.** No substitution of Subcontractors identified in the Proposal shall be permitted without the written consent of APS. APS has the right to remove any Subcontractor's employee APS deems to be incompetent, careless, not working in harmony with others on the Project, or otherwise objectionable.

C. **Owner's Representative.** APS will contract with a Construction Manager Advisor (CMA) prior to the commencement of the schematic design phase. The AE shall assist in selection of the CMA. The AE shall recognize that the design and administration process requires collaboration with APS and the CMA and shall be responsive to their needs and requests.

D. **Record Keeping.** The AE shall prepare correspondence and other documentation to maintain accurate and detailed records for the Project, including but not limited to those records which may be deemed relevant to any claims or litigation. The AE will research and prepare draft submittals for APS and the CMA in connection with APS's responsibility for filing documents required for the approvals of governmental authorities having jurisdiction over the Project.

E. **Project Schedule.** The AE shall be responsible for developing a detailed Project Schedule of activities required under the Contract; inclusive of design phases, milestones, review periods, regulatory review/approval processes, etc. The AE shall update the schedule no less than monthly and provide input to and comment on the CMA's overall Project schedule.

F. **Meetings.** The AE will schedule and conduct meetings as necessary for the successful completion of the Project and as directed by APS. In conjunction with meetings, the AE will schedule and arrange for meeting places; provide advance notice of meetings to attendees; prepare and distribute agenda to all attendees before meetings; and chair meetings, addressing all old and new business, recording minutes, and controlling discussions to focus on results and the resolution of problems. The AE shall provide written minutes to APS within five (5) days of the meeting.

G. **Quality Management.** The AE shall be responsible for performing quality control and quality assurance activities prior to submitting documents to APS. The AE will be required to use APS quality control software to provide responses to design review comments. The AE shall backcheck comment responses prior to subsequent submissions to ensure resolution.

H. **Mandatory Cost Limitation.** APS will provide an initial mandatory design to construction cost limitation for this Project based on the approved preliminary design. APS will provide the final design-to-cost at the conclusion of Schematic Design. It shall be the AE's responsibility to prepare an economical design within the mandatory design-to-construction cost limit provided. If at any time the AE determines that the design-to-construction cost limitation will
be exceeded, it shall immediately provide Notice to APS in writing.

I. Cost Management. The AE shall prepare a complete Cost Study at the end of each phase of the design; this includes the Schematic Design, 65% Construction Documents, and 95% Construction Document phases.

Cost Studies shall include the following:

1. Detailed Estimate – showing work items and the methodology for establishing the value for each item. Estimates shall be in a format acceptable to APS.
2. Contingency – contingency shall be included in every cost study;
3. Escalation – escalation costs/factors shall be considered and identified;
4. Pricing of alternative design options;
5. Clarifications and Qualifications indicating any specific assumptions made in the development of the estimate;
6. Identification of all documents used in the development of the Cost Study;
7. Value analysis options including the associated cost savings or added costs and any benefits/disadvantages related to each option;
8. Owner costs as supplied by APS; and
9. Comparison to previous estimates and the reasons for any differences.

The CMA is also required to provide a cost estimate at the end of each design phase. The AE shall work with the CMA to reconcile the cost estimates of the AE and of the CMA and ensure that both estimates are based on the same scope and assumptions. Any deviation between the scope and assumptions shall be reported to APS. The reconciled cost estimate will be used to determine whether the AE has met its contractual obligation to design the Project within the budget.

If the construction cost estimate exceeds the latest approved Project budget the AE will make recommendations for corrective action to APS and participate in value engineering activities to reduce costs. The AE shall provide timely advice to APS on cost reducing alternatives which can be employed without impairing the overall quality level of the projects, and participate in all cost reduction work sessions conducted by APS.

J. Value Engineering. APS considers Value Engineering (VE) as the achievement of an appropriate balance between costs, aesthetics and function. Based on this, VE should be conducted at each design submittal regardless of whether the Project costs are within the designated Project budget; that is, the Project Team (AE and CMA) needs to confirm that APS is getting the best “value.” All recommendations must be fully reviewed with APS and approved prior to implementation. APS views VE as an ongoing process. The AE is expected, therefore, to be pro-active and participate on an ongoing basis relative to VE ideas. The AE shall participate in generation of VE ideas, cost estimation of proposed VE items, and VE sessions facilitated by APS and the CMA.

K. Limitations on Authority. The AE shall provide recommendations on the following items for APS approval and authorization:
   - Deviations from the Construction Contract Documents.
   - Obligation of expenditure of APS funds.
   - Initiation of any action unilaterally which will create a financial obligation, time delay or extension, or impact the Project quality.

L. Additional Services. Any change to the Scope of Services shall be accomplished only by written change order signed by both APS and the AE. However, APS may issue Unilateral Change Orders (CO) for Additional Services in the event the parties are not able reach agreement on any change to the Scope of Services. Any Change Order or Unilateral Change Order shall specify the additional work for the AE to perform. If there is agreement on the price the Change Order shall state the impact on Contract Price. If there is no agreement, the Unilateral Change Order shall set forth the impact on Contract Price to which APS agrees and AE shall proceed with the services described subject to the claims provisions of the Terms and Conditions subject to the claims requirements of the Contract Documents. The AE will price each CO and will provide a time of performance determination for APS review and approval. The AE shall perform the Additional Services upon the direction of APS by CO or Unilateral CO. The Terms and
Conditions and General Conditions as applicable of the AE Contracts apply to Additional Services performed.

M. Outreach. The AE shall participate in outreach efforts as necessary in order to communicate Project issues with school staff, county staff, and/or general public.

N. Building Information Modeling. The AE shall use Building Information Modeling (BIM) beginning no later than the schematic design phase through Project closeout for production and coordination of the required Project deliverables. At a minimum this shall include the architectural and structural disciplines. This requirement can be waived for minor work only with written approval from APS.

O. Deliverables Format. All Project deliverables shall be produced in electronic format. Major submission materials must include both PDF and source files (e.g. Word, Excel, PowerPoint, AutoCAD, Revit, etc.). BIM materials shall be exported at the AutoCAD version specified by APS.

III. SERVICES

A.1. EDUCATIONAL SPECIFICATIONS

A.1.1. Not applicable.

A.2. CONCEPT DESIGN

A.2.1. Not applicable.

A.3. SITE SURVEY

A.3.1. Note applicable.

A.4. FIELD INVESTIGATIONS

A.4.1. The AE shall review applicable as-built drawings and record relevant existing conditions not available on existing as-built drawings through field survey measurements and investigations. The AE will not be required to inspect all facilities for the purposes of developing as-is record documentation, but only those that in his/her opinion are required to perform the design services that are part of this Contract.

A.4.2. The AE shall become generally familiar with all systems that are within existing structures to remain. As applicable the AE shall also review all existing systems in facilities that the AE recommends be demolished as they relate to continuing services to these buildings while they remain occupied during construction. The AE shall be responsible for understanding all existing building systems and conditions as they relate to the performance and documentation of its design services that are part of this Contract. As an overriding guideline, the AE shall consider that the facilities are occupied as a functioning public high school, and will remain so throughout any renovations which result from this solicitation.

A.4.3. The AE shall review applicable hazardous materials reports and management plans as they relate to the performance and documentation as part of this Contract.

A.5. SCHEMATIC DESIGN

A.5.1. The AE shall prepare various design options that support Project goals. Meetings with APS facility staff, a school-based building committee, and other key stakeholders will be required. Various graphics and drawings are expected to support the meetings and design process. The AE shall consider the items listed
below in developing alternative design concepts:

1. Accessibility (ADA and program access requirements (including ADA Accessibility Guidelines for Building Elements Designed for Children's Use for facilities for students younger than 12 years));

2. Comprehensive Universal Design principles;

3. Fire safety (construction type, egress, sprinklers);

4. Current and future community use of the building(s) and if these uses can continue in the future without impacting the educational program and project budget;

5. Conformance to the current APS educational specifications;

6. Impact of proposed design and associated capacity increase on common areas: physical education spaces, cafeteria, food services/kitchen, lockers, etc.; and

7. Placement of students and staff during construction. Analysis shall include on-site phasing requirements and/or the use of off-site swing space, including any renovation required for that space and movement requirements to and from the space.

A.5.2. **Cost Study.** The AE shall prepare an estimate of probable construction and total project cost, which may include design alternatives as required. The AE shall reconcile its estimate with the CMA. The reconciled estimate shall be included in the Schematic Design Report.

A.5.3. **Schematic Design Report.** The AE shall prepare a Schematic Design Report and submit all elements as one package in accordance with the delivery schedule. APS will provide comment on a draft submission. The Schematic Design Report shall include the following information, at a minimum:

1. Executive summary;

2. Project title and location;

3. Date of submission;

4. Names of members of the APS School Board and Superintendent;

5. Schematic Design meetings held and the minutes of those meetings;

6. Summary description of the existing site and building conditions;

7. General description of project concept;

8. Tabulation of existing and proposed student capacities and a narrative evaluating compliance of design to the existing APS educational specifications;

9. Life Safety and Code Analysis;

10. Description of the architectural design elements, including finishes;

11. Engineering narratives describing the proposed design, including impact on existing building systems;
A.5.4. APS will provide written authorization to proceed to the subsequent phase of work. The AE shall not perform work in the subsequent design phase without APS approval.

A.6. DESIGN DEVELOPMENT

A.6.1. Not applicable.

A.7. SPECIAL USE PERMIT

A.7.1. Not applicable.

A.8. CONSTRUCTION DOCUMENTS

A.8.1. Upon written notice to proceed to the construction documents phase, the AE will develop a complete, coordinated set of construction documents inclusive of all disciplines required for completion of the Project; such as code analysis/compliance, site/civil, landscaping, architectural, mechanical, electrical, structural, plumbing, fire protection, electronic communications, building and site security. Documents shall be in accordance with architectural and engineering best practices.

A.8.2. Formal Submissions. Two formal submissions are required during this phase: 65% Construction Documents and 95% Construction Documents. Each formal submission shall include:

1. Drawings including plans, elevations, sections, details, material, hardware, and equipment schedules, wayfinding, regulatory, and environmental signage, and others as required to document the design;

2. Written specifications, including recommendations for unit prices and allowances;

3. Cost Study - statement of probable construction and total project cost reconciled with the CMA’s estimate;

4. Required calculations and design/energy analysis;

5. List of all permits to be obtained;

6. Project schedule inclusive of estimated phasing and construction duration;

7. Written replies to previous review comments;
8. Contractor furnished contractor installed (CFCI) equipment list;
9. Owner furnished contractor installed (OFCl) equipment list;
10. Owner furnished owner installed (OFOI) equipment list;
11. Furniture, furnishings and equipment layout, schedule, and estimate; and

A.8.3. Prior to the 65% Construction Documents submission, the AE shall arrange an on-board review of the construction documents with the APS Project Manager at approximately the half-way point between Schematic Development and the 65% Construction Documents submission. A half scale progress printing of all disciplines shall be prepared for the review. APS shall provide written comments within ten (10) business days.

A.8.4. Specifications shall be prepared using AIA MasterSpec and shall include requirements contained in the APS Design Guidelines, applicable building codes and regulations, recognized construction standards. The Design Guidelines may be updated during the life of the Contract.

A.8.5. APS will review and provide written comments for each formal submission. On-board reviews with APS stakeholders may be required to facilitate the review process.

A.8.6. APS will provide written notice accepting the 65% Construction Documents submission and providing authorization to proceed to the 95% Construction Documents phase. The AE shall not perform work in the subsequent design phase without APS approval.

A.8.7. Permitting. Following the review and approval of the 65% Construction Documents submission the AE shall prepare and process a building permit application. The AE is responsible to furnish all materials required to receive applicable building permits. The AE shall incorporate Arlington County review comments as they are received into the Construction Documents. The AE shall meet with Arlington County reviewers as required to discuss comment resolution. The Construction Documents shall be brought into the 95% Construction Documents level during the permit review period. The AE shall incorporate APS review comments on the 95% Construction Documents submission into the permit set as required and coordinate such revisions Arlington County reviewers.

A.8.8. Final Design Report. The AE shall prepare a Final Design Report and submit all elements as one package in accordance with the delivery schedule. APS will provide comment on a draft submission. The Final Design Report shall be an update to the Schematic Design Report and have equitable content. It shall include updates on the design issues, schedule, budget, and other relevant items that may have changed during the design process.

A.8.9. Final Design Presentation. The final design will be formally approved by the School Board prior to the release of document for bid. The AE shall prepare and provide a presentation to the School Board. The final design presentation shall be a summary of the Final Design Report.

A.9. FURNITURE, FURNISHINGS, AND EQUIPMENT

A.9.1. Furniture, furnishings, and equipment (FF&E) services are an essential part of the Contract and shall be integrated with the design and construction phases of the Project. FF&E documents shall be developed in parallel to and shall be fully coordinated with the Construction Documents.

A.9.2. FF&E items are considered items that are not permanently fixed to the building, though they may have power and/or data requirements. FF&E items include, but are not limited to, seating, shelving, desks, benches, cabinets, waste receptacles, etc. FF&E exclude computers and associated peripherals, photocopyers, telephones and associated equipment, cleaning and maintenance equipment, desktop tools, media and books,
and artwork.

A.9.3. The AE shall provide the following services:

1. Evaluate FF&E needs;
2. Develop FF&E budgets based on primary designs;
3. Evaluate and select products from manufacturers and product lines already under contract with APS;
4. Prepare FF&E drawings, specifications, and cost estimates. FF&E documents shall be included in major submissions. FF&E budgets shall be updated concurrent with Cost Study submissions;
5. Prepare FF&E design, procurement, delivery, and installation schedule coordinated with overall Project schedule;
6. Assist APS in soliciting bids, reviewing bid proposals, and negotiating pricing;
7. Assist APS in reviewing and tracking orders;
8. Assist APS in planning, coordinating, and overseeing installation; and
9. Assist APS in preparing punch lists and punch list completion.

A.10. BIDDING

A.10.1. Upon written notice to proceed to the Bidding Phase, the AE shall prepare a complete Bid Set inclusive of the Construction Documents which incorporate all APS and Arlington County comments. The Bid Documents shall be submitted to APS for back check. The remainder of the Bid Documents for the contract to construct comprising the Invitation to Bid, Instructions, Bid Form, bond forms, Agreement, and General Conditions will be prepared by APS.

A.10.2. The AE shall participate in pre-bid conferences, and respond to questions from bidders with clarifications or interpretations of the Bid Documents. All questions from bidders must be presented in writing and the responses will be contained in an addendum.

A.10.3. The AE shall make recommendations relative to alternates, unit prices, and allowances prior to solicitation of bids for a General Construction Contractor.

A.10.4. The AE shall arrange for reproduction and distribution of Construction Documents to prospective bidders on a reimbursable basis. The AE shall also post and make available electronic copies of the bid documents. The AE shall maintain a list of all individuals and companies with addresses, telephone and fax numbers who request and receive bid documents.

A.10.5. The AE shall respond to requests for clarification. The AE shall prepare addenda as may be required during the bidding period including supplementary drawings, specifications, instructions and notices of changes in the bidding schedule and procedure. A minimum of ten (10) business days shall be allowed between the issue of the addenda and the bid opening date. No more than one delay in bid open dates should be expected to be approved.

A.10.6. The AE shall assist APS in the bid evaluation and award of the Construction Contract. The AE shall provide a detailed analysis of the apparent low bidder's construction schedule, trade payment breakdown, and references within ten (10) business days of the bid opening.
A.10.7. If the lowest bona fide responsive and responsible bid exceeds the fixed limit of construction cost by 10% or less, the AE will assist APS in discussions with the lowest responsive and responsible bidder to achieve a price within available funds, including providing design modifications and value engineering as requested by APS. The AE may claim additional compensation for this work.

A.10.8. If the lowest bona fide responsive and responsible bid exceeds the fixed limit of construction cost by more than 10%, then the AE shall, at its sole cost and expense, and without claim for additional compensation, revise the drawings and specifications as necessary to reduce or modify the scope of the project and provide any services necessary so that the total construction cost of the Project will not exceed the total construction cost set forth in the latest estimate of probable cost.

A.10.9. The AE shall issue a consolidated set of Construction Documents that incorporate all addenda resulting from the bid process. This Construction Set is distinct from the Bid Set.

A.11. CONSTRUCTION CONTRACT ADMINISTRATION

A.11.1. The AE plays a critical role during the contract administration portion of the project. Documentation shall be in the contract management software as specified by APS. The AE shall ensure adequate staffing to provide the required services in conjunction with the proposed schedule and phasing. The AE shall recognize that construction activities are often a higher level of intensity when school is out of session and shall plan accordingly. Responsibilities of the AE include:

1. Submittals: The AE shall manage submittals using APS’ contract management software. Submittal review transmittal is to be generated and distributed in hard copy to the General Contractor (GC). In addition, all approved submittals are to be copied to APS and the CMA. Submittals shall be reviewed, and action noted within thirty (30) calendar days. The AE shall review submittals concurrently with the APS. APS review shall be within twenty-one (21) calendar days. APS shall forward review comments to the AE, who will consolidate APS comments with their own and issue to the GC for response. The AE shall review APS submittal comments and notify APS of any conflicts or inconsistencies between those comments and the Contract Documents. The AE shall check the GC’s submittals to assure that they conform to the drawings and specifications, recommending approval of only those submissions which are satisfactory, and furnishing clear, concise comments in writing for those submittals which are rejected. The AE shall review any proposed substitutions and/or deviations from the Contract Documents to ensure compliance with all applicable codes and regulations, including those of Arlington County. The AE shall review any submittal detail not completely shown on the contract drawings. The AE shall review the GC’s submittal log for completeness.

2. Review of construction schedules.

3. Review of Requests for Information (RFI) and response (to include supplemental drawings) within seven (7) calendar days of receipt. RFI responses are to be generated in APS’ contract management software and distributed in hard copy form to the APS, GC, and CMA.

4. Issuance of Clarifications (CLF) on unclear contract documents. The AE shall provide documentation consisting of supplemental drawings, specifications, and interpretations in response to requests for clarification by the GC or APS. The GC, CMA, and the APS will make every effort to avoid submission of frivolous requests. CLF’s are to be generated in APS’ contract management software and distributed in hard copy form to the APS, GC, and CMA. Response time shall be twenty-one (21) business days.

5. Review of GC’s monthly Application for Payment for work completed to date. The AE shall provide monthly reports covering the general conformance of the work to the design intent as a
6. Issuance of Proposed Modifications (PM) to the Contract upon the direction of APS. The AE shall prepare, reproduce, and distribute drawings and specifications to describe work to be added, deleted or modified; review as requested proposals from the GC for reasonableness of quantities and costs; make recommendations relative to changes in time for Substantial Completion, participate in negotiations relative to costs of work proposed to be added, deleted or modified, assist in the preparation of appropriate modifications of the Contract, and keep records relative to changes in the work. PM’s are to be generated in APS’ contract management software and distributed in hard copy form to the APS, GC, and CMA.

7. Evaluation of Proposed Change Orders (PCO). The AE shall review PCO’s for reasonableness of quantities and costs, as well as, potential impact on quality or schedule. The AE shall forward PCO evaluation comments to the CMA within fifteen (15) business days of receiving the proposal from the GC, and the CMA will compose and distribute the response in hard copy form to the GC, APS, and AE.

8. Issuance of AIA Change Order Form for approved PCO’s within fifteen (15) business days of the approval.

9. The AE shall report on project deficiencies or non-compliance to the Contract Documents. This information will be given to the CMA for issuance in a formal Non-compliance Notification (NCN). CMA will generate the NCN and distributed to the GC, APS, and AE. Reports of any deficiencies observed shall be forwarded within twenty-four (24) hours of the observation.

10. The AE shall visit the site at intervals appropriate to the stage/phase of the work or not less than one (1) visit every week, and report observations at on-site project meetings. The AE shall schedule these visits at an interval appropriate to the stage of construction and shall submit a written report within five (5) business days of the visit. These visits to the maximum extent possible shall occur concurrent with the construction progress meetings.

11. The AE, as a representative of APS, shall visit the site (1) to become generally familiar with and to keep the APS informed about the progress and quality of the portion of the work completed, (2) to endeavor to guard the APS against defects and deficiencies in the work, and (3) to determine in general if the work is being performed in a manner indicating that the work, when fully completed, will be in accordance with the Contract Documents. The AE shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the work. The AE shall neither have control over or charge of, nor be responsible for, the construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the work, since these are solely the GC’s rights and responsibilities under the Contract Documents.

12. The AE shall attend construction progress meetings at the site. Meeting frequency shall be scheduled at intervals appropriate to the stage/phase of the work, but shall be at a minimum weekly. Meeting attendees vary but may include: the school principal (or designee), the GC, APS representatives and CMA. The CMA shall record and distribute minutes of the meeting. The AE shall verify the minutes of the meeting.

13. The AE shall review reports on inspections and tests and notify APS and the GC of observed deficiencies as noted in such reports.

14. The AE shall participate in commissioning meetings to ensure compliance with contract specifications.
15. The AE shall review claims, disputes, or other matters between APS and the GC relating to the execution or progress of the work as provided in the Contract.

16. All other project correspondence (letters, etc.) shall be generated in APS' contract management software and issued in hard copy to the relevant parties.

A.11.2. The AE shall provide Project Closeout services initiated upon notice from the GC that the GC has performed a detailed and through inspection of the work. Notice shall consist of a detailed punch list outlining all outstanding items. Project Closeout services shall consist of:

1. A detailed inspection with the APS representatives and the CMA for conformance of the work to the Construction Contract and to verify the list submitted by the GC of items to be completed or corrected. Note that the punch list for above ceiling work shall be generated prior to installation of acoustical ceiling tile but after installation of ceiling grid, diffusers, speakers, and other elements that will not be visible after tile installation.

2. Provide technical information and recommendations regarding the amounts to be retained until final completion in order for APS to secure and receive consent of surety or sureties, if any, to reduction in or partial release of the retainage or final payment.

3. Generation of final punch lists for all systems and finishes (site, building, exterior, roof, glazing, interior finishes, mechanical, electrical and plumbing systems, etc.) upon substantial completion.

4. Issuance of Certifications of Substantial Completion.

5. Inspections upon notice by the GC that the work will be ready for final inspection and acceptance.

6. Notification to APS and the GC of deficiencies found in follow-up inspections, if any.

7. Final inspection with the APS representatives and CMA to verify final completion of the work.

8. Receipt, review for compliance with contract specifications, and transmittal of manuals, tools, equipment, spare parts, warranties, affidavits, receipts, releases and waivers of lien or bonds indemnifying APS against liens.

10. Issuance of Certificate of Final Completion.

A.12. POST-CONSTRUCTION CONTRACT

A.12.1. The AE shall advise APS on the operation of building systems during initial occupancy, and coordinate warranty work by the GC after completion, for up to one year from the date of final completion.

A.12.2. The AE shall create As-Built Documents by converting GC "field set" drawings and specifications using the Construction Set as base drawings. The AE shall delete from the As-Built Documents the following information: new work notes; new work dimensions; and graphic references to new/existing construction. As-Built Documents shall be submitted to APS in PDF, CAD, and Revit format. Printed copies may also be required as requested by APS.

A.12.3. The AE shall prepare simplified plan diagrams for APS use in its emergency evacuation/management procedures.
A.12.4. The AE shall assist with incorporating the Project into APS’ Facilities Information Management System (FIMS).

A.12.5. All records related to both this Contract and the GC contract shall be maintained for a minimum of five (5) years after all activities related to either have been completed.

A.13. POST OCCUPANCY EVALUATION

A.13.1. Not applicable.
ATTACHMENT – B

GENERAL TERMS AND CONDITIONS

Any Contract awarded to an Offeror will contain the following Contract Terms and Conditions, with incomplete information to be added based upon the final negotiations between APS and the successful Offeror(s). MANDATORY PROVISIONS REQUIRED BY VIRGINIA LAW OR THE ARLINGTON PUBLIC SCHOOLS PURCHASING RESOLUTION ARE INDICATED BY AN ASTERISK (**). The final Contract for any successful Offeror is subject to review by the APS Attorney prior to being submitted to the successful Offeror for signature.

1. CONTRACT DOCUMENTS
The Contract Documents consist of:

- Agreement #12FY17, and all modifications properly incorporated into the Agreement
- Attachment A – Scope of Services
- Attachment B – General Contract Terms and Conditions
- Attachment C – Non Disclosure and Data Security Agreement (AE)
- Attachment D – AE Certification Regarding Criminal Convictions
- Attachment E – Fee Worksheet Summary and Fee Schedule; and,
- Attachment F – Certificate of Insurance

Where the terms and provisions of this Agreement vary from the terms and provisions of the other Contract Documents, the terms and provisions of this Agreement shall prevail over the other Contract Documents.

The Contract Documents set forth the entire Agreement between APS and the AE. APS and the AE agree that no representative or agent of either of them has made any representation or promise with respect to this Agreement which is not contained in the Contract Documents. The Contract Documents may be referred to herein below as the “Contract” or “Agreement.”

2. SCOPE OF WORK
The AE agrees to perform the services described in the Contract Documents (hereinafter the "Work"). The primary purpose of the Work is to obtain the services of qualified AEs to assist APS. The Scope of Work is more fully described in Exhibit A. The Contract Documents set forth the minimum work estimated by APS and the AE to be necessary to complete the Work. It shall be the AE's responsibility, at the AE's sole cost for the compensation set forth in the Contract, to provide the specific services set forth in the Contract Documents and sufficient services to fulfill the purposes of the Work. Nothing in the Contract Documents shall be construed to limit the AE's responsibility to manage the details and execution of its Work.

3. STANDARD OF CARE
In the performance of the Work, the AE and all its agents shall exercise the degree of skill and care normally accepted as the level of practices and procedures by members of the same profession for comparable work in the Counties of Arlington, Fairfax, Loudoun and Prince William and the City of Alexandria, Virginia.

4. RESPONSIBILITY OF THE AE
The AE shall be responsible for the quality, technical accuracy, and the coordination of all deliverables and other services furnished by the AE under this Agreement. The AE shall, without additional compensation, correct, or revise any errors or deficiencies that significantly affect the work product, as determined by the Project Officer, which are discovered within a twelve-month period of final completion of Work.

5. RESPONSIBILITY FOR CLAIMS AND LIABILITIES
APS’ review, approval, or acceptance of, or payment for, any services or deliverables required under the Contract shall not be construed to operate as a waiver by APS of any rights or of any cause of action arising out of the Contract. The AE shall be and remains liable to APS for the accuracy and competency of deliverables, plans, specifications, or other documents.
6. **CONTRACT TERM**
The Contract Term shall commence from the date the Purchasing Agent fully executes the Contract and shall terminate one (1) year after the first date of occupancy, or six (6) months after final payment to the General AE, whichever is later.

7. **PAYMENT**
7.1 Unless otherwise specified in this Contract, payment will be made on partial deliveries accepted by the APS if the amount due on the deliveries warrants it and the AE requests it.
7.2 Payment will be made on completion and acceptance of each percentage or stage of work in accordance with the prices stated in the Fee Work Sheet of Appendix C to Attachment A providing that all elements of that line have been completed as described in the portion of Section B of this Contract related to that line item.

8. **PROJECT OFFICER**
The performance of the AE is subject to the review and approval of the APS Project Officer ("Project Officer") who shall be appointed by the Director of the APS Office requesting the Work. It shall be the responsibility of the AE to manage the details of the execution and performance of its Work under the Contract Documents.

9. **ADJUSTMENTS FOR CHANGE IN SCOPE**
APS may order changes in the Work within the general scope of the Work consisting of additions, deletions or other revisions. No claim may be made by the AE that the scope of the project or of the AE's services has been changed requiring adjustments to the amount of compensation due the AE unless such adjustments have been made by a written amendment to the Contract signed by APS and the AE.

10. **ADDITIONAL SERVICES**
The AE shall not be compensated for any services provided except those included in the Task Work Order unless those goods or services are covered by a written amendment to this Agreement or to the applicable Task Work Order, signed by APS and the AE and an APS purchase order is issued covering the expected cost of such goods or services.

APS may determine the need for additional work by the AE. Upon a request from APS, the AE shall prepare a cost proposal for any such work. No additional services shall be performed unless a written amendment to this Agreement or the applicable Task Work Order has been executed by both parties.

Additional services agreed upon by the parties will be billed at the rates set forth in Exhibit B.

11. **REIMBURSABLE EXPENSES/TRAVEL-RELATED EXPENSES**
Reimbursable expenses include expenses incurred by the AE (including consultants) in the interest of the project, as identified in the following sub-paragraphs. A maximum of three percent (3%) markup may be applied to reimbursable expenses, except for expense of reproduction, postage, and handling of drawings, specifications, and other documents, to which no markup may be applied.

11.1 The following expenses incurred by the AE, and its Sub Contractors and consultants, in performing its responsibilities under the Contract will be reimbursed:

11.1.1 Reproduction, incurred by the AE using the APS authorized reproduction service providers, postage, and handling of drawings, specifications, and other documents, as required for formal submission to APS or the County offices.

11.1.2 Models requested by the APS.

11.1.3 Long distance travel, as authorized by APS. Long distance travel is considered to be travel in excess of the states of Virginia, Maryland, and the District Columbia. In these circumstances, travel expenses will be reimbursed in accordance with the GSA Per Diem Rates for Arlington County, Virginia.

11.2 Expenses incurred by the AE, and its Sub Contractors and consultants, which will not be reimbursed include, but are not limited to:
11.2.1 Transportation (mileage, parking, bike or car rental) within the states of Virginia, Maryland and the District of Columbia and unauthorized out of Arlington County or long distance travel; communications and Internet connectivity; meals and entertainment.

11.2.2 Those expenses identified at 12.1 above are to be included in the AE’s Lump Sum Price, Not to Exceed Price and Loaded Hourly Rates.

11.3. If an AE has expenses which they deem to be reimbursable in nature outside the items noted above, the AE shall bring these items to the attention of APS prior to the final negotiation of the AE’s fees and also provide justification for consideration to APS for approval on such expenses.

12. **PAYMENT OF SUBCONTRACTORS***
The AE is obligated to take one of the two following actions within seven (7) calendar days after receipt of amounts paid to the AE by APS for work performed by any subcontractor under this Contract:

a. Pay the subcontractor for the proportionate share of the total payment received from APS attributable to the work performed by the subcontractor under this Contract; or

b. Notify APS and the subcontractor, in writing, of the AE’s intention to withhold all or a part of the subcontractor’s payment with the reason for nonpayment.

The AE is obligated to pay interest to the subcontractor on all amounts owed by the AE that remain unpaid after seven (7) calendar days following receipt by the AE of payment from APS for work performed by the subcontractor under this Contract, except for amounts withheld as allowed in b., above. Unless otherwise provided under the terms of the subcontract, interest shall accrue at the rate of one percent (1%) per month.

The AE shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

The AE’s obligation to pay an interest charge to a subcontractor pursuant to the above provisions may not be construed to be an obligation of APS. A Contract modification may not be made for the purpose of providing reimbursement for such interest charge. A cost reimbursement claim may not include any amount for reimbursement for such interest charge.

13. **NON-APPROPRIATION***
All funds for payments by APS under this Contract are subject to the availability of an annual appropriation for this purpose by APS School Board. In the event of non-appropriation of funds by APS School Board for the goods or services provided under this Contract or substitutes for such goods or services which are as advanced or more advanced in their technology, APS will terminate the Contract, without termination charge or other liability to APS, on the last day of the then current fiscal year or when the appropriation made for the then current year for the services covered by this Contract is spent, whichever event occurs first. If funds are not appropriated at any time for the continuation of this Contract, cancellation will be accepted by the AE on thirty (30) calendar days prior written notice, but failure to give such notice shall be of no effect and APS shall not be obligated under this Contract beyond the date of termination specified in APS’s written notice.

14. **ARLINGTON PUBLIC SCHOOLS PURCHASE ORDER REQUIREMENT***
Purchases by Arlington Public Schools are authorized only if a Purchase Order is issued in advance of the transaction. AEs providing goods or services without a signed Purchase Order, do so at their own risk, and will not be reimbursed for any goods or services provided prior to the date of the signed Purchase Order. Arlington Public Schools will not be liable for payment of any purchases made by its employees without appropriate purchase authorization issued by Arlington Public Schools Purchasing Agent.

15. **REPLACEMENT OR AUGMENTATION OF KEY PERSONNEL AND SUBCONTRACTORS***
The key personnel and sub-contractors submitted by the AE in its Proposal and thereafter accepted by APS are considered essential to the AE’s qualifications. The AE may not replace, substitute or augment any key personnel or sub-contractor without prior written approval of APS. A request to replace or substitute any key personnel or subcontractor for any reason, shall be provided to the APS Project Officer at least fifteen (15) calendar days in advance of such proposed replacement or substitution and the request shall contain sufficient justification, including
identification of the proposed replacement or substitute and their qualifications, in sufficient detail to permit evaluation by APS.

16. PROJECT STAFF
   APS has the right of reasonable rejection and approval of staff or subcontractors assigned to the Project by the AE. If APS reasonably rejects staff or subcontractors, the AE must provide replacement staff or subcontractors satisfactory to APS in a timely manner and at no additional cost to APS. The day-to-day supervision and control of the AE's employees, and employees of any of its subcontractors, shall be the sole responsibility of the AE.

17. SUPERVISION BY AE
   The AE shall at all times enforce strict discipline and good order among the workers performing under this Contract, and shall only employ on the work persons reasonably proficient in the work assigned.

18. EMPLOYMENT DISCRIMINATION BY AE PROHIBITED*
   During the performance of this Contract, the AE agrees as follows:

   A. The AE will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability or any other basis prohibited by state law related to discrimination in employment except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the AE. The AE agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

   B. The AE, in all solicitations or advertisements for employees placed by or on behalf of the AE, will state that such AE is an Equal Opportunity Employer.

   C. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

   D. The AE will comply with the provisions of the Americans with Disabilities Act of 1990 which prohibits discrimination against individuals with disabilities in employment and mandates their full participation in both publicly and privately provided services and activities.

   E. The AE will include the provisions of the foregoing paragraphs in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontract or vendor.

19. EMPLOYMENT OF UNAUTHORIZED ALIENS PROHIBITED*
   In accordance with §2.2-4311.1 of the Virginia Code, the AE acknowledges that it does not, and shall not during the performance of this Contract for goods and/or services in the Commonwealth, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.

20. DRUG-FREE WORKPLACE TO BE MAINTAINED BY AE*
   During the performance of the work pursuant to this Contract, the AE agrees to (i) provide a drug-free workplace for the AE's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the AE's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the AE that the AE maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to an AE by APS in accordance with the APS Purchasing Resolution, the employees of which AE are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.
21. **TERMINATION FOR CAUSE, INCLUDING BREACH AND DEFAULT; CURE**

The Contract shall remain in force for the initial Contract Term or any Renewal Contract Term(s) and until APS determines that all of the following requirements and conditions have been satisfactorily met: APS has accepted the Work, and thereafter until the AE has met all requirements and conditions relating to the Work under the Contract Documents, including warranty and guarantee periods. However, APS shall have the right to terminate this Contract sooner if the AE is in breach or default or has failed to perform satisfactorily the Work required, as determined by APS in its discretion.

If APS determines that the AE has failed to perform satisfactorily, then APS will give the AE written notice of such failure(s) and the opportunity to cure such failure(s) within at least fifteen (15) days before termination of the Contract takes effect ("Cure Period"). If the AE fails to cure within the Cure Period or as otherwise specified in the notice, the Contract may be terminated for the AE's failure to provide satisfactory Contract performance. Upon such termination, the AE may apply for compensation for Contract services satisfactorily performed by the AE, allocable to the Contract and accepted by APS prior to such termination unless otherwise barred by the Contract ("Termination Costs"). In order to be considered, such request for Termination Costs, with all supporting documentation, must be submitted to APS Project Officer within fifteen (15) calendar days after the expiration of the Cure Period. APS may accept or reject, in whole or in part, the application for Termination Costs and notify the AE of same within a reasonable time thereafter. No Termination Costs shall be payable to AE until APS has determined all costs related to or arising from AE's default, including but not limited to costs of delay, re-procurement, correction and completion. If such costs to APS are less than the Termination Costs, the difference will be paid to AE by APS. If such costs to APS exceed the Termination Costs, AE shall pay the difference to APS within thirty (30) days following issuance by APS of the statement of the amount due.

Additionally, and notwithstanding any provision in this Contract to the contrary, the Contactor is liable to APS, and APS shall be entitled to recover, all damages to which APS is entitled by this Contract or by law, including, and without limitation, direct damages, indirect damages, consequential damages, delay damages, replacement costs, refund of all sums paid by APS to the AE under the Contract and all reasonable attorney fees and costs, including but not limited to normal and customary costs of litigation and witness fees incurred by APS to enforce any provision of this Contract.

Except as otherwise directed by APS in the notice, the AE shall stop work on the date of receipt of notice of the termination or other date specified in the notice, place no further orders or subcontracts for materials, services, or facilities except as are necessary for the completion of such portion of the Work not terminated, and terminate all vendors and subcontracts and settle all outstanding liabilities and claims. Any purchases after the date of termination contained in the notice shall be the sole responsibility of the AE.

In the event any termination for cause, default, or breach shall be found to have been without sufficient justification or otherwise improper or invalid by any court of competent jurisdiction then such termination shall be deemed to have been a termination for convenience.

22. **TERMINATION FOR THE CONVENIENCE OF ARLINGTON PUBLIC SCHOOLS**

The performance of Work under this Contract may be terminated by the Purchasing Agent in whole or in part whenever the Purchasing Agent shall determine that such termination is in APS' best interest. Any such termination shall be effected by the delivery to the AE of a written notice of termination at least fifteen (15) calendar days before the date of termination, specifying the extent to which performance of the Work is terminated and the date upon which such termination becomes effective. The AE will be entitled to receive compensation for all Contract services satisfactorily performed by the AE and allocable to the Contract and accepted by APS prior to such termination and any other direct costs established by the AE as having been caused by the termination, but no amount shall be allowed for anticipatory profits.

After receipt of a notice of termination and except as otherwise directed, the AE shall stop all work on the date of receipt of the notice of termination or other date specified in the notice; place no further orders or subcontracts for materials, services or facilities except as are necessary for the completion of such portion of the work not terminated; immediately transfer all documentation and paperwork for terminated work to APS; and terminate all vendors and subcontracts and settle all outstanding liabilities and claims.
23. **INDEMNIFICATION** (NOTE: Virginia law does not permit a public body to contract for the indemnification of others; cross indemnity provisions are not acceptable)

The AE covenants for itself, its employees, and subcontractors to save, hold harmless, and indemnify APS, and all of its elected and appointed officials, officers, current and former employees, agents, Offices, agencies, boards, and commissions (collectively "APS" for purposes of this section) from and against any and all claims made by third parties or by APS for any and all losses, damages, injuries, fines, penalties, costs (including costs of litigation as defined above and attorney's fees), charges, liability, demands or exposure, however caused, resulting from, arising out of, or in any way connected with the AE's acts or omissions or errors in performance or nonperformance of its Work called for by the Contract Documents, whether such act or omission or error is attributable to AE, subcontractor, any material supplier, or anyone directly or indirectly employed by them, called for by the Contract Documents. This duty to save, defend, hold harmless and indemnify shall survive the termination of this Contract.

If, after Notice by APS, the AE fails or refuses to save, defend, hold harmless and/or indemnify APS, the AE shall be liable for and reimburse APS for any and all expenses, including but not limited to, reasonable costs as defined above and attorney's fees incurred and settlements or payments made. The AE shall pay such expenses upon demand by APS and failure to do so may result in such amounts being withheld from any amounts due to AE under this Contract.

AE understands and agrees that it is AE's responsibility to provide indemnification to APS pursuant to this section. The provision of insurance, while anticipated to provide a funding source for this indemnification, is in addition to any indemnification requirements and the failure of AE's insurance to fully fund any indemnification shall not relieve the AE of any obligation assumed under this indemnification.

24. **INTELLECTUAL PROPERTY INDEMNIFICATION**

The AE represents that no intellectual property rights (including, but not limited to, copyright, patent, mask rights and trademark) of third parties are infringed or in any manner involved in or related to the services provided hereunder.

The AE further represents for itself, its employees, and subcontractors to save, defend, hold harmless, and indemnify APS, and all of its officers, officials, Offices, agencies, agents, and employees from and against any and all claims, losses, damages, injuries, fines, penalties, costs (including costs as defined above and attorney's fees), charges, liability, or exposure, however caused, for or on account of any trademark, copyright, patented or unpatented invention, process, or article manufactured or used in the performance of this Contract, including its use by APS. If the AE, or any of its employees or subcontractors, uses any design, device, work, or materials covered by letters patent or copyright, it is mutually agreed and understood, without exception, that the Contract Amount includes all royalties, licensing fees, and any other costs arising from the use of such design, device, work, or materials in any way involved with the Work. This duty to save, defend, hold harmless and indemnify shall survive the termination of this Contract. If, after Notice by APS, the AE fails or refuses to fulfill its obligations contained in this section, the AE shall be liable for and reimburse APS for any and all expenses, including but not limited to, reasonable costs as defined above and attorney's fees incurred and any settlements or payments made. The AE shall pay such expenses upon demand by APS and failure to do so may result in such amounts being withheld from any amounts due to AE under this Contract.

25. **COPYRIGHT**

The AE hereby irrevocably transfers, assigns, sets over and conveys to APS all right, title and interest, including the sole exclusive and complete copyright interest, in any and all copyrightable works created pursuant to this Agreement. The AE further agrees to execute such documents as APS may request to effect such transfer or assignment.

Further, the AE agrees that the rights granted to APS by this paragraph are irrevocable. Notwithstanding anything else in this Agreement, the AE's remedy in the event of termination of or dispute over the terms of this Agreement shall not include any right to rescind, terminate or otherwise revoke or invalidate in any way the rights conferred pursuant to the provisions of this paragraph. Similarly, no termination of this Agreement shall have the effect of rescinding, terminating or otherwise invalidating the rights acquired pursuant to the provisions of this "Copyright" paragraph.

The use of subcontractors or third parties in developing or creating input into any copyrightable materials produced as a part of this Agreement is prohibited unless APS approves the use of such subcontractors or third parties in advance and such subcontractors or third parties agree to include the provisions of this paragraph as part of any contract they enter into with the AE for work related to work pursuant to this Agreement.

26. **OWNERSHIP AND RETURN OF RECORDS**

This Contract confers no ownership rights to the AE nor any rights or interests to use or disclose APS' data or inputs.
The AE agrees that all drawings, specifications, blueprints, data, information, findings, memoranda, correspondence, documents or records of any type, whether written or oral or electronic, and all documents generated by the AE or its subcontractors as a result of APS' request for services under this Contract, are the exclusive property of APS ("Record" or "Records"), and all such Records shall be provided to and/or returned to APS upon completion, termination, or cancellation of this Contract. The AE shall not use, willingly allow, or cause such materials to be used for any other purpose other than performance of all obligations under the Contract without the written consent of APS. Additionally, the AE agrees that the Records are confidential records and neither the Records nor their contents shall be released by the AE, its subcontractors, or any other third parties; nor shall their contents be disclosed to any person other than the Project Officer or his or her designee. The AE agrees that all oral or written inquiries from any person or entity regarding the status of any Record generated as a result of the existence of this Contract shall be referred to the Project Officer or his or her designee for response. At APS' request, the AE shall deliver all Records to the Project Officer, including "hard copies" of computer records, and at APS's request, shall destroy all computer records created as a result of APS' request for services pursuant to this Contract.

"Pre-Existing Work" (that is, products, items or materials developed independently of this Agreement by the Architect, its Subconsultants, and/or third parties and provided to the Owner in connection with performance by the Architect under this Agreement such as typical plans, construction details, etc.) shall not be considered Work Product subject to ownership by the Owner under this Article 7. The Owner shall have a non-exclusive, irrevocable, perpetual, royalty-free, fully paid-up, sublicensable, worldwide license: (i) for internal purposes, to use, copy, display, operate, maintain, support, modify, enhance, and make derivative works of the Pre-Existing Work (whether or not incorporated into the Work Product); and (ii) for internal or external purposes, to use, copy, display, operate, maintain, support, modify, enhance, prepare derivative works of, sublicense, and distribute Pre-Existing Work that is incorporated into the Work Product furnished by the Architect to the Owner under this Agreement. If the Pre-Existing Work includes works owned by third parties, the Architect shall take all steps necessary to procure for the Owner from such third parties the rights described in this Section. Without the Owner's prior written approval, no Work Product will incorporate, link to or call upon any works (including, without limitation, Pre-Existing Work) subject to copyright licenses, open source licenses or any other agreements that may give rise to any third party's right to use any of the Work Product or to limit the Owner's right to use the Work Product in any respect.

The AE agrees to include the provisions of this section as part of any contract or agreement the AE enters into with subcontractors or other third parties for work related to work pursuant to this Contract. No termination of this Contract shall have the effect of rescinding, terminating or otherwise invalidating this section of the Contract.

27. CONFIDENTIAL INFORMATION
The AE, and its employees, agents, and subcontractors, hereby agree to hold as confidential all APS information obtained as a result of its Work under this Contract. Confidential information includes, but is not limited to, nonpublic personal information, personally identifiable health information, social security numbers, proprietary systems, addresses, dates of birth, other contact information or medical information about a person, information pertaining to products, operations, systems, customers, prospective customers, techniques, intentions, processes, plans, expertise and any information entrusted to any affiliate of the parties. The AE shall take reasonable measures to ensure that all of its employees, agents, and subcontractors are informed of, and abide by, this requirement.

28. DATA SECURITY
The AE agrees that it shall hold all APS data obtained or accessed as a result of its work under this Contract confidential in accordance with the Nondisclosure and Data Security Agreement attached hereto. If individual employees or subcontractors of the AE are performing work under this Contract on APS-owned property, then such individual employees or subcontractors shall be required to sign a separate Nondisclosure and Data Security Agreement, which shall be incorporated by reference into this Contract, prior to performing any work or being allowed access to APS data.

The AE shall hold APS Information in the strictest confidence and comply with all applicable APS security and network resources policies as well as all local, state and federal laws or regulatory requirements concerning data privacy and security. The AE shall develop, implement, maintain, continually monitor and use appropriate administrative, technical and physical security measures to preserve the confidentiality, privacy, integrity and availability of all electronically maintained or transmitted APS Information received from, created or maintained on behalf of APS and strictly control access to APS Information. For purposes of this provision, and as more fully described in this Contract and APS's Non-Disclosure and Data Security Agreement (NDA), "APS Information" (also referred to as "APS Data" or "data") includes, but is not limited to, electronic information, documents, data, images, and records including, but not limited to, financial records, personally identifiable information, Personal Health Information (PHI), personnel, educational,
voting, registration, tax or assessment records, information related to public safety, APS networked resources, and APS databases, software and security measures which is created, maintained, transmitted or accessed to perform the work under this Contract.

(a) **APS’ Non-Disclosure and Data Security Agreement (NDA).** The AE shall require that an authorized AE designee, and all key employees, agents or subcontractors working on-site at APS facilities or otherwise performing non- incidental work under this Contract, sign the NDA (attached as an Exhibit hereto) prior to performing any work or permitting access to APS networked resources, application systems or databases under this Contract. A copy of the signed NDAs shall be available to APS Project Officer upon request.

(b) **Use of Data.** The AE shall ensure that the use, distribution, disclosure or access (“use”) to APS Information and APS networked resources shall not occur in an unauthorized manner. Use of APS Information for other than as specifically outlined in this Contract is strictly prohibited, unless such other use is agreed to in writing by the parties. The AE will be solely responsible for any unauthorized use, reuse, distribution, transmission, manipulation, copying, modification, access or disclosure of APS Information and any non-compliance with this DATA SECURITY AND PROTECTION provision or any NDA.

(c) **Data Protection.** The AE agrees that it will protect APS Information according to standards established by the National Institute of Standards and Technology, including 201 CMR 17.00, Standards for the Protection of Personal Information of Residents of the Commonwealth and the Payment Card Industry Data Security Standard (PCI DSS), as applicable, and no less rigorously than it protects its own data, proprietary and/or confidential information. The AE shall provide to APS a copy of its data security policy and procedures for securing APS Information and a copy of its disaster recovery plan/s. The AE shall provide, if requested by APS, on an annual basis, results of an internal Information Security Risk Assessment provided by an outside firm.

(d) **Data Sharing.** Except as otherwise specifically provided for in this Contract, the AE agrees that it shall not share, disclosure, sell or grant access to APS Information to any third party without the express written authorization of the APS Chief Information Security Officer or designee.

(e) **Security Requirements.** The AE shall maintain the most up to date anti-virus, industry accepted firewalls and/or other protections on its systems and networking equipment. The AE certifies that all systems and networking equipment that support, interact or store APS Information meet the above standards and industry best practices for physical, network and system security requirements. Printers, copiers or fax machines that store APS Data into hard drives must provide data at rest encryption. Significant deviation from these standards must be approved by the APS Chief Information Security Officer or designee, the downloading of APS information onto laptops or other portable storage medium is prohibited without the express written authorization of the APS Chief Information Security Officer or designee.

(f) **Data Protection Upon Conclusion of Contract.** Upon termination, cancellation, expiration or other conclusion of this Contract, the AE shall return all APS Information to APS unless APS requests that such data be destroyed. This provision shall also apply to all APS Information that is in the possession of subcontractors or agents of the AE. The AE shall complete such return or destruction not less than thirty (30) calendar days after the conclusion of this Agreement and shall certify completion of this task, in writing, to APS Project Officer.

(g) **Notification of Security Incidents.** The AE agrees to notify the APS Chief Information Officer and APS Project Officer within twenty-four (24) hours of the discovery of any unintended access to, use or disclosure of APS Information.

(h) **Subcontractors.** To the extent the use of subcontractors is permitted under this Contract, the requirements of this entire section shall be incorporated into any subcontractor agreement entered into by the AE and any data sharing shall be compliant with these security and protection requirements and the NDA. In the event of data sharing, subcontractors shall provide to the AE a copy of their data security policy and procedures for securing APS Information and a copy of their disaster recovery plans.

29. **ETHICS IN PUBLIC CONTRACTING*  
This Contract incorporates by reference Article 9 of the APS Purchasing Resolution, as well as any state or federal law related to ethics, conflicts of interest, or bribery, including by way of illustration and not limitation, the Virginia State
and Local Government Conflict of Interests Act (Code of Virginia § 2.2-3100 et seq.), the Virginia Governmental Frauds Act (Code of Virginia § 18.2-498.1 et seq., and Articles 2 and 3 of Chapter 10 of Title 18.2 of the Code of Virginia, as amended (§ 18.2-438 et seq.). The AE certifies that its offer is made without collusion or fraud and that it has not offered or received any kickbacks or inducements from any other Offeror, supplier, manufacturer, or subcontractor and that it has not conferred on any public employee having official responsibility for this purchase any payment, loan, subscription, advance, deposit of money, services, or anything of more than nominal value, present or promised unless consideration of substantially equal or greater value was exchanged.

30. **ARLINGTON PUBLIC SCHOOLS EMPLOYEES***

No employee of Arlington Public Schools, Virginia, shall be admitted to any share in any part of this Contract or to any benefit that may arise there from which is not available to the general public.

31. **FORCE MAJEURE**

The AE shall not be held responsible for failure to perform the duties and responsibilities imposed by this Contract if such failure is due to fires, riots, rebellions, natural disasters, wars, acts of terrorism, or an act of God beyond control of the AE, and outside and beyond the scope of the AE’s then current, by industry standards, disaster plan, that make performance impossible or illegal, unless otherwise specified in the Contract.

APS shall not be held responsible for failure to perform its duties and responsibilities imposed by the Contract if such failure is due to fires, riots, rebellions, natural disasters, wars, acts of terrorism, or an act of God beyond control of APS that make performance impossible or illegal, unless otherwise specified in the Contract.

32. **AUTHORITY TO TRANSACT BUSINESS***

The AE shall pursuant to Code of Virginia §2.2-4311.2, be and remain authorized to transact business in the Commonwealth of Virginia during the initial Term and any Renewal Contract Term(s). A contract entered into by a AE in violation of this requirement is voidable, without any cost or expense, at the sole option of APS.

33. **RELATION TO ARLINGTON PUBLIC SCHOOLS***

The AE will be legally considered as an independent contractor and neither the AE nor its employees will, under any circumstances, be considered employees, servants or agents of APS. APS will not be legally responsible for any negligence or other wrongdoing by the AE, its employees, servants or agents. APS will not withhold payments to the AE for any federal or state unemployment taxes, federal or state income taxes, Social Security tax, or any other amounts for benefits to the AE. Furthermore, APS will not provide to the AE any insurance coverage or other benefits, including workers’ compensation, normally provided by APS for its employees.

34. **ANTITRUST**

By entering into this Contract, the AE conveys, sells, assigns and transfers to APS all rights, title, and interest in and to all causes of action the AE may now have or hereafter acquire under the antitrust laws of the United States or the Commonwealth of Virginia, relating to the goods or services purchased or acquired by APS under this Contract.

35. **REPORT STANDARDS**

In accordance with the Standard of Care, Reports or written material prepared by the AE in response to the requirements of this Contract or request of the Project Officer shall, unless otherwise provided for in the Contract, meet standards of professional writing established for the type of report or written material provided, shall be thoroughly researched for accuracy of content, shall be grammatically correct and not contain spelling errors, shall be submitted in a format approved in advance by the Project Officer, and shall be submitted for advance review and comment by the Project Officer. The cost of correcting grammatical errors, correcting report data, or other revisions required to bring the report or written material into compliance with these requirements shall be borne by the AE.

When submitting documents to APS, The AE shall comply with the following guidelines:

- All submittals and copies shall be printed on at least thirty percent (30%) recycled-content and/or tree-free paper;

- Report cover or binder shall be recyclable, made from recycled materials, and/or easily removable to allow for recycling of report pages (reports with glued bindings that meet all other requirements are acceptable);

- The use of plastic covers or dividers should be avoided; and

- Unnecessary attachments or documents not specifically asked for should not be submitted, and superfluous use of paper should be avoided.
36. Audit
The AE agrees to retain all books, records and other documents related to this Contract for at least five (5) years after final payment. APS or its authorized agents shall have full access to and the right to examine any of the above documents during this period and during the initial Contract Term or any Renewal Contract Term. If the AE wishes to destroy or dispose of records (including confidential records to which APS does not have ready access) within five (5) years after final payment, the AE shall notify APS at least thirty (30) days prior to such disposal, and if APS objects, shall not dispose of the records.

37. Assignment
The AE shall not assign, transfer, convey, sublet, or otherwise dispose of any award, or any or all of its rights, obligations, or interests under this Contract, without the prior written consent of APS.

38. Amendments
This Contract shall not be modified except by written amendment executed by persons duly authorized to bind the AE and APS.

39. Arlington Public Schools Purchasing Resolution and Arlington Public Schools Policies*
Notwithstanding any provision to the contrary herein, no provision of the Arlington Public Schools Purchasing Resolution or any applicable APS policy is waived in whole or in part.

40. Dispute Resolution*
All disputes arising under this Agreement, or its interpretation, whether involving law or fact, or extra work, or extra compensation or time, and all claims for alleged breach of Contract shall be submitted in accordance with the Arlington Public Schools Purchasing Resolution.

A copy of the Arlington Public Schools Purchasing Resolution is available upon request from the Office of the Purchasing Agent.

41. Applicable Law, Forum, Venue and Jurisdiction*
This Contract and the work performed hereunder shall be governed in all respects by the laws of the Commonwealth of Virginia and the jurisdiction, forum, and venue for any litigation with respect thereto shall be in the Circuit Court for Arlington County, Virginia, and in no other court. In performing the Work under this Contract, the AE shall comply with applicable federal, state, and local laws, ordinances and regulations.

42. Arbitration
It is expressly agreed that nothing under the Contract shall be subject to arbitration, and any references to arbitration are expressly deleted from the Contract.

43. Nonexclusivity of Remedies
All remedies available to APS under this Contract are cumulative, and no such remedy shall be exclusive of any other remedy available to APS at law or in equity.

44. No Waiver
The failure of either party to exercise in any respect a right provided for in this Contract shall not be deemed to be a subsequent waiver of the same right or any other right.

45. Severability
The sections, paragraphs, sentences, clauses and phrases of this Contract are severable, and if any phrase, clause, sentence, paragraph or section of this Contract shall be declared invalid by the valid judgment or decree of a court of competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Contract.
46. NO WAIVER OF SOVEREIGN IMMUNITY*
Notwithstanding any other provision of this Contract, nothing in this Contract or any action taken by APS pursuant to this Contract shall constitute or be construed as a waiver of either the sovereign or governmental immunity of APS. The parties intend for this provision to be read as broadly as possible.

47. SURVIVAL OF TERMS
It is the intent of the parties that any provision of the Contract Documents which by its content is intended to survive the expiration or termination of this Contract, whether or not specifically so stated. Without in any way limiting the foregoing, the following sections if included in this Contract also survive: INDEMNIFICATION; RELATION TO ARLINGTON PUBLIC SCHOOLS; OWNERSHIP AND RETURN OF RECORDS; AUDIT; COPYRIGHT; INTELLECTUAL PROPERTY INDEMNIFICATION; CONFIDENTIAL INFORMATION, AND DATA SECURITY AND PROTECTION.

48. HEADINGS
The section headings in this Contract are inserted only for convenience and are not to be construed as part of this contract or a limitation on the scope of the particular section to which the heading refers.

49. AMBIGUITIES
Each party and its counsel have participated fully in the review and revision of this Agreement. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in interpreting this Agreement. The language in this Agreement shall be interpreted as to its fair meaning and not strictly for or against any party.

50. NOTICES
Unless otherwise provided herein, all notices and other communications hereunder shall be deemed to have been given when made in writing and either (a) delivered in person, (b) delivered to an agent, such as an overnight or similar delivery service, or (c) deposited in the United States mail, postage prepaid, certified or registered, addressed as follows:

TO THE AE: (TO BE COMPLETED ON CONTRACT AWARD)

Paul Lund, Principal-In-Charge
Hord Coplan Macht, Inc.
2000 Duke Street Suite 120
Alexandria, VA 22314

TO ARLINGTON PUBLIC SCHOOLS PROJECT MANAGER:

Bill Herring, Jr.
Senior Project Manager
Arlington Public Schools
Design & Construction Services

AND TO:

Ellen H. Wills, CPPB, VCO
Assistant Director,
Purchasing Office
Finance & Management Services
Arlington Public Schools
1426 N. Quincy Street,
Arlington, Virginia 22207

51. NON-DISCRIMINATION NOTICE*
APS does not discriminate against faith-based organizations.
52. **INSURANCE REQUIREMENTS**

The AE shall provide to the APS Purchasing Agent a Certificate of Insurance indicating that the AE has in force the coverages below prior to the start of any Work under this Contract and upon any contract extension. The AE agrees to maintain such insurance until the completion of this Contract or as otherwise stated in the Contract Documents. All required insurance coverage must be acquired from insurers authorized to do business in the Commonwealth of Virginia, rating of “A-“ or better and a financial size of “Class VII“ or better in the latest edition of A.M. Best Co., and acceptable to APS. The minimum insurance coverage shall be:

a. Workers Compensation - Virginia Statutory Workers Compensation (W/C) coverage including Virginia benefits and employers liability with limits of $100,000/100,000/500,000. APS will not accept W/C coverage issued by the Injured Worker’s Insurance Fund, Towson, MD.

b. Professional Liability and/or Miscellaneous Errors and Omissions - The AE shall carry Professional Liability and/or Miscellaneous Errors and Omissions insurance which will pay for damages arising out of errors or omissions in the rendering, or failure to render professional services under the contract, in the amount of $1,000,000.

c. Commercial General Liability - $1,000,000 combined single limit coverage with $2,000,000 general aggregate covering all premises and operations and including Personal Injury, Completed Operations, Contractual Liability, Independent AEs, and Products Liability. The general aggregate limit shall apply to this Contract. Evidence of Contractual Liability coverage shall be typed on the certificate.

d. Business Automobile Liability - $1,000,000 Combined Single Limit (Owned, non-owned and hired).

e. Arlington Public Schools, its officers, elected and appointed officials, employees and agents, are to be named as additional insureds under all coverages except Workers’ Compensation, Errors and Omissions, and Automobile Liability, and the certificate of insurance, or the certified policy, if requested, must so state. Coverage afforded under this paragraph shall be primary as respects APS, its officers, elected and appointed officials, agents and employees. The following definition of the term "APS" applies to all policies issued under the Contract:

"APS School Board and any affiliated or subsidiary Board, Authority, Committee, or Independent Agency (including those newly constituted), provided that such affiliated or subsidiary Board, Authority, Committee, or Independent Agency is either a Body Politic created by the School Board of Arlington Public Schools, Virginia, or one in which controlling interest is vested in Arlington Public Schools"

f. Cancellation - All insurance policies required by this Contract shall be endorsed to include the following provision: "It is agreed that this policy is not subject to cancellation or non-renewal until thirty (30) days prior written notice has been given to the Purchasing Agent, Arlington Public Schools, Virginia." If there is a material change or reduction in coverage the AE shall notify the Purchasing Agent immediately upon AE’s notification from the insurer. Any policy on which the AE has received notification from an insurer that the policy has or will be cancelled or materially changed or reduced must be replaced with another policy consistent with the terms of this Contract, and APS notified of the replacement, in such a manner that there is no lapse in coverage. Not having the required insurance throughout the Contract Term is grounds for termination of the Contract.

g. Any insurance coverage that is placed as a “claims made” policy must remain valid and in force, or the AE must obtain an extended reporting endorsement consistent with the terms of this Contract, until the applicable statute of limitations has expired, such date as determined to begin running from the date of the AE’s receipt of final payment.

h. Contract Identification - The insurance certificate shall state this Contract’s number and title.

The AE must disclose the amount of any deductible or self-insurance component applicable to the General Liability, Automobile Liability, Professional Liability, Intellectual Property or any other policies required herein, if any. APS reserves the right to request additional information to determine if the AE has the financial capacity to meet its obligations under a deductible. Thereafter, at its option, APS may require a lower deductible, funds equal to the deductible be placed in escrow, a certificate of self-insurance, collateral, or other mechanism in the amount of the
deductible to ensure protection for APS. Professional liability Insurance has $100,000 deductible and claims less than that will be paid out of pocket by AE.

The AE shall require all subcontractors to maintain during the term of this Contract, Commercial General Liability insurance, Business Automobile Liability insurance, and Workers’ Compensation insurance in the same form and manner as specified for the AE. The AE shall furnish subcontractors’ certificates of insurance to APS immediately upon request by APS.

No acceptance or approval of any insurance by APS shall be construed as relieving or excusing the AE from any liability or obligation imposed upon the AE by the provisions of the Contract Documents.

The AE shall be responsible for the work performed under the Contract Documents and every part thereof, and for all materials, tools, equipment, appliances, and property of any description used in connection with the work. The AE assumes all risks for direct and indirect damage or injury to the property or persons used or employed on or in connection with the Work contracted for, and of all damage or injury to any person or property wherever located, resulting from any action, omission, commission or operation under the Contract, or in connection in any way whatsoever with the contracted work.

The AE shall be as fully responsible to APS for the acts and omissions of its subcontractors and of persons employed by them as it is for acts and omissions of persons directly employed by it.

Notwithstanding any of the above, the AE may NOT satisfy its obligations under this section by means of self-insurance for all or any part of the insurance required.

53. ACCESSIBILITY OF WEB SITE*
If any work performed under this Contract results in design, development, maintenance or responsibility for content and/or format of any APS websites, or APS’ presence on other party websites, the AE shall perform such work in compliance with the requirements set forth in the U.S. Office of Justice document entitled “Accessibility of State and Local Government Websites to People with Disabilities.” The document is located at: http://www.ada.gov/websites2.htm.

54. ARLINGTON COUNTY BUSINESS LICENSE
The AE must comply with the provisions of Chapter 11 (Business Licenses) of the Arlington County Code. For further information on the provisions of this chapter and its applicability to this contract, contact the Arlington County Business License Division, Commissioner of the Revenue of Arlington, Virginia, Telephone Number (703) 228-3060.

55. SUBCONTRACTS
The AE shall not enter into any subcontract with any subcontractor who has been suspended or debarred from participating in contracting programs by any agency of the United States Government or of the State in which the work under this contract is to be performed.

The AE shall be as fully responsible for the acts or omissions of its subcontractors, and of persons either directly or indirectly employed by them as for the acts or omissions of persons directly employed by the AE.

The AE shall insert appropriate clauses in all subcontracts to bind subcontractors to the terms and conditions of this contract insofar as they are applicable to the work of subcontractors.

Nothing contained in this contract shall create any contractual relationship between any subcontractor and APS.

56. AE CERTIFICATION REGARDING CRIMINAL CONVICTIONS
56.1 As a condition of awarding a contract for the provision of Work that requires the AE or his employees to have direct contact with students on school property during regular school hours or during school-sponsored activities, the Arlington School Board shall require the AE to provide certification that all persons who will provide such services have not (i) been convicted of a felony or of any offense involving the sexual molestation or physical or sexual abuse or rape of a child; (ii), as more particularly set forth in Va. Code Ann. Section 18.2-370.4 no person shall perform any part of the Work on the property of an existing elementary or secondary school who has been convicted of rape, forcible sodomy or object sexual penetration, all of a child under 13, during the commission of abduction, in the course of entering a dwelling with intent to commit murder, rape, robbery, arson, larceny, assault and battery, or any felony, or of aggravated malicious wounding; and (iii) as more particularly
set forth in Va. Code Ann. Section 18.2-370.5, no person shall perform any part of the Work on the property of an existing elementary or secondary school during school hours or during school-related or school-sponsored activities who has been convicted of a sexually violent offense. The AE certification covers its employees, its Subcontractors and the employees thereof. (Submit Appendix A provided below).

56.2 The AE shall also certify for its employees, its Subcontractors and employees thereof, assigned to the Work after Contract award. The AE upon demand from APS shall provide all information which allowed for the certification.

56.3 The AE shall submit to the Owner a completed AE Certification Regarding Criminal Convictions on the form provided by the Owner (Appendix A).
ATTACHMENT C

NON DISCLOSURE AND DATA SECURITY AGREEMENT (AE)

The undersigned, an authorized agent of the AE and on behalf of Hord Coplan Macht (AE) hereby agree that the AE will hold Arlington Public Schools (APS) provided information, documents, data, images, records and the like (hereafter “information”) confidential and secure and to protect it against loss, misuse, alteration, destruction or disclosure. This includes but is not limited to the information of the APS, its employees, contractors, residents, clients, patients, taxpayers and property as well as information that the APS shares with AE for testing, support, conversion or other services provided under APS (the “Project” or “APS Contract” as applicable) or which may be accessed through other APS owned or controlled databases (all of the above collectively referred to herein as “information” or “APS information”).

In addition to the Data Security obligations set in the APS Contract, the AE agrees that it will maintain the privacy and security of the APS information, control and limit internal access and authorization for access to such information and not divulge or allow or facilitate access to APS information for any purpose or by anyone unless expressly authorized. This includes but is not limited to information that in any manner describes, locates or indexes anything about an individual including, but not limited to, his/her (hereinafter “his”) Personal Health Information, treatment, disability, services eligibility, services provided, investigations, real or personal property holdings, and his education, financial transactions, medical history, ancestry, religion, political ideology, criminal or employment record, social security number, tax status or payments, date of birth, address, phone number or that affords a basis of inferring personal characteristics, such as finger and voice prints, photographs, or things done by or to such individual, and the record of his presence, registration, or membership in an organization or activity, or admission to an institution (also collectively referred to herein as “information” or “APS information”).

AE also agree that it will not directly or indirectly use or facilitate the use or dissemination of information (whether intentionally or by inadvertence, negligence or omission verbally, electronically, through paper transmission or otherwise) for any purpose other than that directly associated with its work under the Project. AE acknowledges that any unauthorized use, dissemination or disclosure of information is prohibited and may also constitute a violation of Virginia or federal laws, subjecting it or its employees to civil and/or criminal penalties.

The AE agrees that it will not divulge or otherwise facilitate the disclosure, dissemination or access to or by any unauthorized person, for any purpose, of any information obtained directly, or indirectly, as a result of its work on the Project. AE shall coordinate closely with the APS Project Officer to ensure that its authorization to its employees or approved subcontractors is appropriate, tightly controlled and that such person/s also maintain the security and privacy of information and the integrity of APS networked resources.

AE agrees to take strict security measures to ensure that information is kept secure, properly stored, that if stored that it is encrypted as appropriate, stored in accordance with industry best practices and otherwise protected from retrieval or access by unauthorized persons or unauthorized purpose. Any device or media on which information is stored, even temporarily, will have strict security and access control. Any information that is accessible will not leave the AE’s work site or the APS’ physical facility, if working onsite, without written authorization of the APS Project Officer. If remote access or other media storage is authorized, AE is responsible for the security of such storage device or paper files.

AE will ensure that any laptops, PDAs, netbooks, tablets, thumb drives or other media storage devices, as approved by the APS, and connected to the APS network are secure and free of all computer viruses, or running the latest version of an industry standard virus protection program. AE will ensure that all passwords used by its employees or subcontractors are robust, protected and not shared. No information may be downloaded expect as agreed to by the parties and then only onto an APS approved device. Downloading onto a personally owned device is prohibited. AE agrees that it will notify the APS Project Officer immediately upon discovery, becoming aware or suspicious of any unauthorized disclosure of information, security breach, hacking or other breach of this Agreement, the APS Contract, APS policy, AE’s security policies, or any other breach of Project protocols. The AE will fully cooperate with the APS to regain possession of any information and to prevent its further disclosure, use or dissemination. The AE also agrees, if requested, to promptly notify others of a suspected or actual breach.

AE agrees that all duties and obligations enumerated in this agreement also extend to its employees, agents or subcontractors who are given access to APS information. Breach of any of the above conditions by AE’s employees, agents or
subcontractors shall be treated as a breach by AE. AE agrees that it shall take all reasonable measures to ensure its employees, agents and subcontractors are aware of and abide by the terms and conditions of this Agreement and related data security provisions in the APS Contract.

It is the intent of this Non-Disclosure and Data Security Agreement to ensure that the AE has the highest level of administrative safeguards, disaster recovery and best practices are in place to ensure confidentiality, protection, privacy and security of APS information and APS networked resources and to ensure compliance with all applicable local, state and federal law or regulatory requirements. Therefore, to the extent that this Non-Disclosure and Data Security Agreement conflicts with the APS Contract or with any applicable local, state, or federal law, regulation or provision, the more stringent APS Contract requirement, law, regulation or provision shall control.

At the conclusion of the Project, AE agrees to return all APS information to the APS Project Officer. These obligations remain in full force and effect throughout the Project and shall survive any termination of the APS Contract.

AE CERTIFICATION
REGARDING CRIMINAL CONVICTIONS

This form must be completed by an authorized official for any organization contracting to provide services under a contract with the Arlington Public Schools or any of its schools or departments, or any subcontractor under such contractor.

The completed form from the AE is a condition precedent to the award of the Contract.

As the official authorized to enter into this Contract on behalf of my organization, I certify that:

1. No employee of the organization who will be in direct contact with students on school property during regular school hours or during school-sponsored activities during the performance of this Contract has been convicted of a felony or of any offense involving the sexual molestation, physical or sexual abuse or rape of a child; and

2. As more particularly set forth in Virginia Code Ann. Section 18.2-370.4, no employee who has been convicted of rape, forcible sodomy or object sexual penetration, all of a child under 13, during the commission of abduction, in the course of entering a dwelling with intent to commit murder, rape, robbery, arson, larceny, assault and battery, or any felony, or of aggravated malicious wounding will enter upon the property of an existing elementary or secondary school in the performance of the Work; and

3. As more particularly set forth in Virginia Code Ann. Section 18.2-370.5, no employee who has been convicted of a sexually violent crime shall enter upon the property of any existing elementary or secondary school during school hours or during school-related or school sponsored activities in the performance of the Work.

I understand that a materially false statement regarding this certification is a Class 1 misdemeanor and that conviction of such misdemeanor shall result in the revocation of this Contract and of any related license that I may hold. I declare under penalty of perjury that the foregoing statements are true and correct.

TOTAL PRICE

CLARIFICATIONS:
1. The fee is for Investigation and Schematic Design only and the remaining phases will be negotiated when the project scope is confirmed.
2. The fee is based on an estimated construction value of $2.1 million and the information in the RFP.
3. We have included a civil engineer on our team, but have not included any scope in the fee since the scope is unclear.
4. We have assumed no Use-Permit / PPRC process.
