This is Arlington Public Schools (APS or Owner) Invitation to Bid (ITB) #35FY17 for Job Order Contracting for General Construction Services. This solicitation is open to all General Contractors, however all Contractor qualifications contained herein are required to be met in order to be considered for award of a Contract. Sealed Bids will be received in hand by the APS Purchasing Office prior to the Bid opening date and time stated above (“Bid Due Date”). Bids will be opened immediately following the close of the Bid Due Date. The time a Bid is received in hand shall be determined by the time stamped on the Bid receipt by the time clock in the APS Purchasing Office. The APS Purchasing Office is located on the fourth floor of the APS Education Center, 1426 N. Quincy Street, Arlington, VA 22207. The APS Education Center is now a secure facility and Bidders may enter only through Door # 1 on the 1st Floor near the David M. Brown Planetarium. Bidders must ring the doorbell to be allowed into the building to then sign in with the receptionist before being allowed to the 4th Floor. Bidders must allow sufficient time to clear the sign in process to complete the Bid submission process prior to the Bid Due Date. Delivery to, or receipt by, any office other than the APS Purchasing Office shall not be deemed receipt by the APS Purchasing Office until actually received in the APS Purchasing Office. The Bidder assumes all risk of delivery to the correct office. In the event this time clock is not functioning, the time shall be determined by time displayed on the wall clock above Room 405. The time on the wall clock will be written on the bid receipt, by hand, by the APS Purchasing Office personnel. Bids received at, or after, the Bid Due Date shall not be considered, and will be returned unopened. If the APS Education Center is closed for any reason on the Bid Due Date, the Bid Due Date will be extended to the next business day the APS Education Center is open. The Bid opening time will remain unchanged.

All Bids must be submitted on the enclosed Bid Form. The Bidder must complete all blanks. A person authorized to bind the Bidder in contractual matters must sign the Bid Form. Failure to comply with these requirements or with any other requirements stated as mandatory either in this ITB or in the Instructions to Bidders shall result in rejection of the Bid as not responsive, except to the extent the failure or omission either is not a mandatory statutory requirement or does not affect price, quantity, quality or time. Any Bid received at or after the Bid Due Date, whether by mail or otherwise, will not be considered and will be returned, unopened.
BIDDER’S QUALIFICATIONS:
Bidders shall submit qualification information at Appendix A to Bid Form (Section 00 4100) in accordance with the requirements identified herein. The Purchasing Agent, or assigned designee, may contact Bidder during the evaluation process seeking clarification of any qualifications received in response to this ITB. Such clarification must be submitted to APS no later than 4:00pm the second (2nd) business day following receipt of the request for clarification or the Bid will be deemed nonresponsive.

The qualifications required as a part of the Bid Form are in lieu of a pre-qualification process and will be used in determining those Bidders who are deemed to be acceptable for the construction services contemplated pursuant to the evaluation of all Bids received as provided by Va. Code Ann. § 2.2-4302.1.4 and as explained in more detail in the Instructions to Bidders. A decision that a Bidder or a Bid is not acceptable is not a determination that the Bidder is not responsible. Determinations of nonresponsibility will be made separately. Any award will be based on the lowest responsive Bid submitted from an acceptable and responsible Bidder, and if there are multiple awards all awards will be based on price in ascending order.

AVAILABILITY OF BID DOCUMENTS:
The Contract Documents are as defined in the Contract to be awarded if an award is made as a result of this ITB. Submission of a Bid is acceptance by the Bidder of all requirements of the Contract Documents if the Bidder is awarded the Contract. Terms used in this ITB shall have the same meaning as provided in the Contract Documents. The Bid Documents shall consist of the Invitation to Bid, the Instructions to Bidders, the Bid Form, Appendix A to the Bid Form, the Construction Task Catalog®, the Technical Specifications, and all Addenda and will be posted on the APS Website (www.apsva.us); and on eVA, the Commonwealth of Virginia’s on-line e-procurement system: (www.eva.virginia.gov). 6. **BID PROCEDURES:**

A. Bids, to be entitled to consideration, shall be made in accordance with the following instructions.

1. Before submitting a Bid, Bidders are encouraged to review the Contract Documents, fully inform themselves as to the Job Order Contracting procurement system, and shall include in the Bid Adjustment Factors the cost of performing the Work in accordance with the Contract Documents. Bidders shall be fully responsible for having informed themselves as to all requirements for the Work. Any condition or circumstance arising after entering into the Contract which upon reasonable inspection reasonably should have been discovered prior to submitting the Bid shall not be the basis of any claim.

2. The Contractor shall, with its own forces, perform work having a value at least equal to the following percentage of cumulative amount of Work issued: **10%**.

3. Two complete copies of the Bid shall be submitted, each containing original signatures, upon the Bid Form, a copy of which is bound herein. Bids shall be completed, including each and every item; Bid amounts shall be stated both in writing and in figures, and all entries either shall be typed or in ink or other permanent marker, not pencil. The signatures of all persons shall be in longhand, and shall indicate such person’s authority to bind any corporation or other entity that is a Bidder. Electronic signatures are not permitted. B. **WITHDRAWAL OF BIDS:**

1. Withdrawal of Bids Prior to Bid Opening Time:

   Bids may be withdrawn by Bidders prior to, but not at or later than the Bid Due Date.

2. Withdrawal of Bid after Bid Opening:
a. A Bidder may withdraw its Bid from consideration if the price was substantially lower than the other Bids due solely to a mistake therein, provided the Bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of the Bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the Bid sought to be withdrawn.

b. If a Bid contains both clerical and judgment mistakes, a Bidder may withdraw its Bid from consideration if the price Bid would have been substantially lower than the other Bids due solely to the clerical mistake that was an unintentional error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of the Bid that shall be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the Bid sought to be withdrawn.

c. A Bidder seeking to withdraw its Bid must give notice in writing of its claim of right to withdraw its Bid within two (2) business days after the conclusion of the Bid opening procedure and submit its original work papers with such notice. Any claim of a Bidder for withdrawal of its Bid shall be governed by Section 2.2-4330 of Virginia Public Procurement Act.

7. **REJECTION OF BIDS:**
   APS reserves the right to cancel this Invitation to Bid and to reject any and all Bids, and to waive any informality in any Bid received.

8. **AWARD OF CONTRACT:**
   A. APS anticipates awarding multiple General Construction Contracts to the Bidders submitting the lowest responsive Total Base Bid(s) from responsible and acceptable Bidders, in the order of Total Base Bid, starting with the lowest Total Base Bid and progressing upward.

   B. APS reserves the right to defer award or notice of intent to award of Contract for a period of one hundred and twenty (120) Days after Bid Due Date.

   C. In the case of a tie Bid, preference shall be given to goods, services and construction provided by a Bidder domiciled in Arlington County, if such a choice is available. Like preference shall be given to Bidders domiciled in Virginia when tied with Bidders not domiciled in Virginia.

   D. Whenever any Bidder is domiciled in any other state and such state under its laws allows a resident contractor of that state a preference, a like preference may be allowed to the lowest responsible and acceptable Bidder, submitting a responsive Bid, domiciled in Virginia.
E. Notwithstanding the provisions of subsections C and D, in the event that none of the foregoing provisions of this section resolve the tie, the tie shall be decided by lot.

F. A “responsive Bidder” shall mean a Bidder who has submitted a bid which conforms, in all material respects, to the requirements of the Bidding Documents.

G. A “responsible bidder” shall mean a Bidder who has the capability, in all respects, to perform fully the Contract requirements, and the moral and business integrity and reliability which will assure good faith performance.

10. **SUBSTITUTIONS:**
Substitutions will not be permitted except in the case that the item specified is no longer available or the time necessary to procure the item will extend beyond the timeline of the construction as designated by the Owner.

11. **FORM OF CONTRACT:**
The Contract shall be written on the following form: Specification Section 00 5200, “Agreement Between Owner and Contractor.

**END OF SECTION 00 2113A**
SECTION 00 2113B – JOC SUPPLEMENTAL INSTRUCTIONS TO BIDDERS

PART A: DEFINITIONS

1. The terms used in these Supplemental Conditions and in any other Bid Documents or Contract Documents shall have the meaning set forth in the General Conditions unless a specific definition is provided in the text in which the term is used.

PART B: OVERVIEW OF THE CONTRACT

A Job Order Contract is a method of procuring construction by establishing a book of unit prices and then issuing a Job Order to perform work as needed using the prices, quantities and specifications in the book as the basis of the pricing. The book of unit prices is the Construction Task Catalog. The price of any Job Order is determined by applying the Adjustment Factors from the Bid to the Construction Task Catalog price for that work. A Job Order Contract is an indefinite quantity contract pursuant to which the Contractor may perform an ongoing series of individual Projects at different locations owned or controlled by APS. All Unit Prices in the Construction Task Catalog® are based on local labor, material and equipment prices and are for the direct cost of construction.

The Bidder will Bid two (2) Adjustment Factors to be applied to the Unit Prices. One Adjustment Factor for performing Work during Normal Working Hours and a second Adjustment Factor for performing Work during Other Than Normal Working Hours. The same two Adjustment Factors shall apply to every Pre-priced Task in the Construction Task Catalog®. The Bidder will also bid an Adjustment Factor for performing Non Pre-priced Tasks.

This Contract, if awarded, will be awarded to the acceptable and responsible Bidder submitting the lowest responsive Bid as determined by the lowest Total Base Bid. It is anticipated that APS will award more than one Contract, and if so the awards will be made in ascending order of the Total Base Bids of acceptable, responsible Bidders submitting a responsive Bid.

For each Project, the Owner will prepare a Detailed Scope of Work and issue a Job Order Request for Proposal to the Contractor. The Contractor will then prepare a Job Order Proposal for the Project presenting a Job Order Price Proposal based upon the Construction Task Catalog and the Adjustment Factors, and the Non Pre-Priced Tasks and the Adjustment Factor applicable thereto. The Job Order Proposal also shall include all documentation requested in the Job Order Request for Proposal, such as but not limited to drawings and sketches, a list of subcontractors and materialmen, construction schedule, and other requested documentation. The Job Order Price shall equal the value of the approved Job Order Price Proposal as approved by the Owner. The value of the Job Order Price Proposal shall be calculated by summing the total of the calculation for each Pre-priced Task (Unit Price x quantity x Adjustment Factor) plus the value of all Non Pre-priced Tasks.

If the Job Order Proposal is found to be complete and reasonable by the Owner, a Job Order may be issued.

A Job Order will incorporate the Detailed Scope of Work and set forth the Job Order Completion Time and the Job Order Price. The Job Order Price shall be a lump sum, fixed price for the
completion of the Detailed Scope of Work. A separate Job Order will be issued for each Project. Any extra work, credits, or deletions will be addressed by a Supplemental Job Order.

PART C: CONTRACT TERM

1. The Base Term of the Contract is one year. Any Contract awarded is limited to the Base Term, or when the cumulative total project fees for an individual Contractor reaches $5,000,000, whichever occurs first, but may be renewed for two (2) additional one-year Option Terms at the option of the Owner. No Job Order issued in the Base Term may exceed $500,000, including any Supplemental Job Order issued thereunder or any Change Order related thereto. The cumulative Job Order Prices of all Job Orders issued to a Contractor shall not exceed $5,000,000 within the Base Term. If the cumulative Job Order Prices of the Job Orders issued to a Contractor in the Base Term reaches $5,000,000, no further Job Orders may be issued to that Contractor until the expiration of the Base Term. Any additional Job Orders issued to that Contractor would be under an Option Term if such option is exercised by Owner.

2. There are two (2) Option Terms by which the Contract may be renewed at the sole option of the Owner. The duration of each Option Term is one year. Each Option Term is subject to the same maximum limits per term. No Job Order issued in an Option Term may exceed $500,000, including any Supplemental Job Order issued thereunder or any Change Order related thereto. The cumulative Job Order Prices of all Job Orders issued to a Contractor shall not exceed $5,000,000 within any Option Term. If the cumulative Job Order Prices of the Job Orders issued to a Contractor in an Option Term reaches $5,000,000, no further Job Orders may be issued to that Contractor until the expiration of the existing Option Term. Any additional Job Orders issued to that Contractor would be under a second Option Term if such option is exercised by Owner.

3. No unused amount from the Base Term or any Option Term may be carried forward to any subsequent Term.

4. If the Work under any Job Order is not completed at the end of the Term in which it was issued, no Supplemental Job Order may be issued the effect of which would be to exceed the per/Term limits set forth herein had the Supplemental Job Order been issued during the same Term as the Job Order was issued. The Work under a Job Order may, however, be completed after expiration of the Base Term or Option Term in which the Job Order was issued.

5. All Job Orders issued during the term of this Contract shall be valid and in effect notwithstanding that the Detailed Scope of Work may be performed and payments may be made after the Contract Base Term and any Option Term or Terms has expired. All terms and conditions of the Contract apply to each Job Order and remain in effect until all Work under the Job Order is complete.

PART D: MINIMUM AND ESTIMATED ANNUAL VALUES

1. The Minimum Contract Value for this Contract is $25,000. The Contractor is guaranteed to receive the opportunity to perform Job Orders totaling at least $25,000 during the Base Term of the Contract.

2. The Estimated Annual Value for each General Construction Contract is $2,000,000.
3. The Contractor may be issued Job Orders exceeding the Estimated Annual Value during any year of the Contract up to the statutory limit contained in the Virginia Public Procurement Act (VPPA) and amendments, if any, as set forth in these Instructions and Supplemental Instructions. The Contractor is not guaranteed to receive the Estimated Annual Value in Job Orders. It is merely an estimate. The Owner has no obligation to give the Contractor the opportunity to perform Job Orders in excess of the Minimum Contract Value.

4. It is the initial intent of the Owner to issue Job Orders to Contractors in approximately equal proportions for each Contract Term. However, the performance of each Contractor will be under continuous review and the Owner may issue Job Orders in greater quantity to one Contractor than to others in its sole discretion based upon factors such as, but not limited to, performance, availability, and relationship between the Work required and any Job Orders previously performed or in the process of being performed.

For example, 1.1000 would be a 10% increase to the Unit Prices and 0.9500 would be a 5% decrease to the Unit Prices. The Contractor shall perform the tasks required by each individual Job Order using the following Adjustment Factors applied to the Construction Cost Catalog or Non Pre-Priced Work:

<table>
<thead>
<tr>
<th>Adjustment Factor Name</th>
<th>Adjustment Factor Bid</th>
<th>X Multiplier</th>
<th>= Total</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Adjustment Factor for Normal Working Hours:</td>
<td>__ . __ __ __ __</td>
<td>X 0.50</td>
<td>= __ . __ __ __</td>
</tr>
<tr>
<td>2. Adjustment Factor for Other Than Normal Working Hours:</td>
<td>__ . __ __ __ __</td>
<td>X 0.40</td>
<td>= __ . __ __ __</td>
</tr>
<tr>
<td>3. Adjustment Factor for Non Pre-priced Tasks</td>
<td>__ . __ __ __ __</td>
<td>X 0.10</td>
<td>= __ . __ __ __</td>

The Sum of these Total amounts is the TOTAL BASE BID.

Notes To Bidder:

1. Specify lines 1 through 4 to four (4) decimal places. Use conventional rounding methodology (i.e., if the number in the 5th decimal place is 0-4, the number in the 4th decimal remains unchanged; if the number in the 5th decimal place is 5-9, the number in the 4th decimal is rounded upward).

2. **The Other Than Normal Working Hours Adjustment Factors must be greater than or equal to the Normal Working Hours Adjustment Factors.**

3. **The Non Pre-priced Adjustment Factor must be greater than or equal to 1.0000.**

4. The weighted multipliers above are for the purpose of calculating the TOTAL BASE BID only. No assurances are made by the Owner that Work will be ordered under the Contract in a distribution consistent with the weighted percentages above. The TOTAL BASE BID is only used for the purpose of determining the lowest Bid.

5. When submitting Job Order Price Proposals related to specific Job Orders, the Contractor shall utilize the Adjustment Factors applicable to the Work being performed.

THIS AGREEMENT, made and entered into this ___________ day of ______________, 2017; between Arlington Public Schools through its Purchasing Agent, (the "Owner") and ______________________________ (the "Contractor"), whose address is ______

In consideration of the mutual stipulations, agreements and covenants contained herein, the parties hereby agree as follows:

   The Contract Documents and the order of precedence thereof are as follows which are listed in order of precedence in the event of any conflict:

   1. The Agreement between Owner and Contractor

   6. The Construction Task Catalog
   7. The Notice to Proceed
   8. The Bid Documents, with the latest Addendum having precedence.
   9. Change Orders shall have precedence over all previous versions of the Contract Document or Contract Documents modified by the Change Order.
   10. In the event of a conflict within a Contract Document at the same level of precedence, that provision requiring the higher quality of performance or quantity shall prevail.
All provisions required by Law to be included in this Contract or otherwise applicable to this Contract shall be deemed to be a part of this Contract, whether actually set forth herein or not.

The Contract Documents are complementary and what is called for by one is as binding as if called for by all. If the Contractor finds a conflict, error, ambiguity or discrepancy in the Contract Documents, he shall immediately, in writing, call it to the attention of Owner before proceeding with the Work affected thereby. The Owner shall promptly resolve the matter in writing. Work done by the Contractor after it discovered, or reasonably should have discovered, such conflicts, errors, ambiguities or discrepancies, prior to written resolution thereof by the Owner, shall be done at the Contractor's expense and the Contractor shall bear the risk of any delay arising therefrom or related thereto. Any work that may reasonably be inferred from the Detailed Scope of Work, Specifications or Drawings as being required to produce the intended result shall be supplied whether or not it is specifically called for. Work, materials or equipment described in words which so applied have a well-recognized standards.

The Contractor shall be held to a standard of strict compliance with the requirements of the Contract Documents in the performance of the Work, for giving Notice of any type to the Owner or to the Owner’s Representative, and for making any submittal required for any purpose. A. The Base Term of the Contract is one year.

B. There are two (2) Option Terms which may be exercised at the sole discretion of the Owner. The duration of each Option Term is one year. The Owner may give notice of exercise of the Option at any time prior to expiration of the Base Term or the then existing Option Term.

C. No Job Order may exceed $500,000, including any Supplemental Job Order issued thereunder or any Change Order related thereto. The cumulative Job Order Prices of all Job Orders issued to a Contractor shall not exceed $5,000,000 within any Contract Term. If the cumulative Job Order Prices of the Job Orders awarded to a Contractor in a Contract Term reaches $5,000,000, no further Job Orders may be issued to that Contractor until the expiration of that Contract Term. Any additional Job Orders issued to that Contractor would be under an Option Term if such option is exercised by Owner.

D. No unused amount from the Base Term or any Option Term may be carried forward to any subsequent Contract Term. Provided, however, if the Work under any Job Order is not completed at the end of the Term in which it was issued, the Work under such Job
Order may be completed after the expiration of the Contract Term in which it was issued and the Contractor shall be entitled to payment based on the per/Term limits of the Contract Term in which the Job Order was issued.

E. No Supplemental Job Order may be issued the effect of which would be to exceed the per/Term limits set forth herein had the Supplemental Job Order been issued during the same Term as the Job Order was issued.

All Job Orders issued during the term of this Contract shall be valid and in effect notwithstanding that the Detailed Scope of Work may be performed and payments may be made after the Contract Term in which the Job Order was issued has expired. All terms and conditions of the Contract apply to each Job Order and remain in effect until all Work under the Job Order is complete.

The Estimated Annual Value is $2,000,000 per Contract Term, but there is no guarantee of that amount or any other amount in excess of $25,000 in the Base Term. The Contractor may be issued Job Orders exceeding the Estimated Annual Value during any year of the Contract. However, the Contract Sum is limited to cumulative total Job Order Prices of $5,000,000 in any Contract Term, including all amendments or modifications. No Job Order issued in any Contract Term may exceed $500,000, including any Supplemental Job Order issued thereunder or any Change Order related thereto. If the cumulative Job Order Prices of the Job Orders issued to the Contractor in a Contract Term reaches $5,000,000, no further Job Orders may be issued to the Contractor until the expiration of the then existing Contract Term. Any additional Job Orders issued to that Contractor would be under a subsequent Option Term if such option is exercised by Owner. If the provisions of the Virginia Public Procurement Act establishing these limits per Contract Term are amended during the any term of this Contract to increase these limits, the parties may enter into a Change Order to incorporate the new limits per Contract Term, to the extent authorized by the amended statute and at the sole discretion of the Owner. The Contractor is not guaranteed to receive the Estimated Annual Value or the per Contract Term limit of Job Orders. These are merely an estimate and maximum limits. The Owner has no obligation to give the Contractor the opportunity to perform Job Orders in excess of the Minimum Contract Value.

   The Contractor shall perform all work required, necessary, proper for or incidental to completing the Detailed Scope of Work called for in each individual Job Order issued pursuant to this Contract for the Unit Prices set forth in the Construction Task Catalog® and the following Adjustment Factors:

   **Normal Working Hours Adjustment Factor** 7:00 am to 4:00 pm Monday to Friday, except for Owner Holidays:

   __________.
Other Than Normal Working Hours Adjustment Factor: 4:01 pm to 6:59 am Monday to Friday, and all day Saturday, Sunday and Owner Holidays:

__________.

Non Pre-priced Adjustment Factor:

__________.

8. Payment Procedures:

a. The Owner will make one payment for all Job Orders that have a Job Order Completion Time of 45 days or less, or a Job Order Price of $25,000 or less. For all other Job Orders, the Owner may make partial, monthly payments based on a percentage of the Work completed.

b. Before submitting an Application for Payment (Final or Partial) the Contractor shall reach an agreement with the Project Manager concerning the percentage complete of the Detailed Scope of Work and the dollar value for which the Application for Payment may be submitted.

c. Contractor shall submit Application for Payment in accordance with the General Conditions and Applications for Payment will be processed by the Owner as provided in the General Conditions.

d. Contractor hereby consents to the Owner deducting from amounts otherwise payable to the Contractor and retaining any and all amounts payable to the Owner by the Contractor for any reason stated in the Contract Documents assessed or payable through the date payment is due to the Contractor from the Owner. If the amount payable to the Owner by the Contractor exceeds the amount otherwise payable to Contractor by Owner, Contractor shall make payment thereof to Owner within fourteen (14) days following issuance by Owner of Notice of payment due.

9. Interest:

All funds not paid when due as provided by Part 11 of the General Conditions shall bear interest at the rate of 0.5 percent per month.

10. No Assignments:

No assignment by either party hereto of any rights or interest under any of the Contract Documents will be effective unless in writing signed by the authorized representative of each party; and no assignment will release or discharge the assignor from any responsibility under the Contract Documents. Owner shall be under no obligation to consent to any request by Contractor for approval of an assignment as the Contractor’s obligations are intended not to be assignable.

11. Governing Law:

This Agreement and each of the Contract Documents shall be governed and construed in accordance with the laws of the Commonwealth of Virginia without reference to conflict of laws principles. This Contract and the work performed hereunder shall be governed in all respects by the laws of the Commonwealth of Virginia and the jurisdiction, forum, and venue for any litigation with respect thereto shall be in the Circuit Court for Arlington County, Virginia, and in no other court. In performing the Work under this Contract, Contractor shall comply with applicable federal, state, and local laws, ordinances, and
regulations.

12. Binding Agreement:

Owner and Contractor each binds itself, its successors and assigns to the other, its successors and assigns, in respect of all covenants, terms, conditions and obligations contained in each of the Contract Documents.

IN WITNESS WHEREOF, the parties hereto have caused this Contract to be signed by their duly authorized officers.

A Unilateral Change Order is a Change Order signed only by the Owner or the Owner’s Representative. A Mutual Change Order is a Change Order signed by both the Owner or the Owner’s Representative and by the Contractor reflecting agreement on all terms, conditions and requirements set forth therein. A Unilateral Change Order may be converted to a Mutual Change Order upon agreement being reached between the parties. Change Orders shall be initiated and processed as set forth in Article 9 of these General Conditions. 1.5. CONSTRUCTION TASK CATALOG®: A comprehensive listing of construction related tasks together with a specific unit of measure and a published Unit Price.

1.6. CONTRACT: The signed Agreement between Owner and Contractor is the Contract. A Job Order sets forth the scope of work and any additional terms applicable to the particular project identified therein and becomes a part of the Contract.

5. The Technical Specifications
6. Construction Task Catalog
7. The Notice to Proceed
8. The Bid Documents, with the latest Addendum having precedence.
9. Change Orders shall have precedence over all previous versions of the Contract Document or Contract Documents modified by the Change Order.
10. In the event of a conflict within a Contract Document at the same level of precedence, that provision requiring the higher quality of performance or quantity shall prevail.

1.8. CONTRACT PERIOD: The period allotted in a Job Order for Substantial Completion, and thereafter Final Completion, of the Scope of Work set forth in the Job Order, together with any extension of time granted in accordance with the provisions of the Contract Documents. Contract Period may also be referred to as “Contract Time” or “Job Order Completion Time” in the Contract Documents. All such terms have the same meaning.

1.41 **PURCHASING AGENT**: The person appointed by the Owner to serve in the position of Arlington Public Schools Purchasing Agent. The Purchasing Agent may designate one or more persons to act in his place. Any such designation shall be in writing, and such designee, including but not limited to the Owner’s Representative, shall have only such authority as may be specifically stated in the written designation. It is the responsibility of the Contractor to determine the scope of any designee’s authority.

1.42. **SUBCONTRACTOR**: Any individual, firm or organization other than an employee of the Contractor, who contracts with the Contractor to furnish or who actually furnishes labor, materials, services or equipment, or any combination thereof to the Contractor in connection with the Work.

1.43. **SUB-SUBCONTRACTOR**: Any individual, firm or organization, other than an employee of the Contractor or of a Subcontractor, who contracts with a Subcontractor to furnish, or who actually furnishes labor, materials, service or equipment, or any combination thereof to a Subcontractor.

The same requirements shall be satisfied as to a defined portion of the Work for which a separate Date of Substantial Completion is established. More specific requirements for Substantial Completion as to the Work or a defined portion thereof may be set forth in the Job Order.

1.45. **SUPPLEMENTAL JOB ORDER**: A written directive from the Owner to the Contractor modifying the Detailed Scope of Work, Job Order Price, or Job Order Completion Time under any Job Order. A Supplemental Job Order may be issued unilaterally by the Owner, setting forth the resulting impact on the Job Order Price or the Job Order Completion Time.
1.46. **SURETY:** Any person, firm or corporation that has executed as Surety the Contractor's performance or payment bonds securing performance of this Contract or providing for protection of claimants who have and fulfill contracts to supply labor or materials to the Contractor or to a Subcontractor in connection with the Work. The Surety shall be authorized to do business in the Commonwealth of Virginia and shall be listed on the United States Treasury Department’s latest Circular 570.

1.47. **TECHNICAL SPECIFICATIONS:** The written requirements for materials, equipment, systems, standards, and workmanship for the Work, and performance of related services.

1.48. **UNIT PRICE:** The price published in the Construction Task Catalog® for a specific construction or construction related work task. Unit Prices for tasks not initially included may be established during the course of the Contract and added to the Construction Task Catalog® by Change Order. Each Unit Price is comprised of labor, equipment, and material costs to accomplish the specified task.

1.49. **WARRANTY PERIOD:** All warranties and guarantees against any defect in the Work shall apply from the date of Final Completion of the Work and shall continue for a period of one (1) year thereafter. Provided, however, in the event the Owner occupies and commences using in the manner intended any designated portion of the Work prior to Final Completion thereof, the one (1) year Warranty as to such defined portion of the Work shall commence on the date the Owner commences such occupancy and use. Provided further, in the event the Contract Documents require a Warranty in excess of one (1) year, the longer term shall apply as applicable.

1.50. **WORK:** Everything explicitly or implicitly required to be furnished or performed under the Contract Documents.
PART 2  EXECUTION AND INTENT OF THE CONTRACT

2.1. CONTRACT SIGNATURE: Four (4) copies of the Agreement Between the Owner and the Contractor shall be signed by both the Owner and the Contractor.

2.2. EXECUTION OF AGREEMENT: Execution of the Contract by the Contractor is a certification that the Contractor has become familiar with local conditions under which the Work is to be performed and correlated personal observations with the requirements of the Contract Documents, and has examined or will examine all Contract Documents, Drawings, and Specifications, as required by the Contract.

2.3. INTENT OF THE CONTRACT DOCUMENTS: The intent of the Contract Documents is to include all items necessary for the proper management, execution and completion of the Work, including without limitation, all labor, materials, equipment and furnishings required in connection therewith. The Contract Documents are complimentary, and what is required by one shall be as binding as if required by all. Any doubt as to whether any work is within the scope of the Contract shall be resolved in favor of an interpretation that it is Work within the scope of the Contract. Use of the term “include” or “including” shall be deemed to mean “include without limitation,” “including but not limited to,” and similar expansive intent. Any obligation which by its terms may be implied to survive the completion or termination of this Contract shall so survive whether specifically so stated or not.

2.4. THE CONSTRUCTION TASK CATALOG®, DRAWINGS, AND TECHNICAL SPECIFICATIONS:

A. The subdivision of the Construction Task Catalog®, Drawings and Technical Specifications into divisions, Sections and articles is for the purpose of ease of reference only and shall not control the Contractor in dividing the work among Subcontractors or in establishing the extent of Work to be performed by any trade. The Contractor shall be responsible for segregating the Work among the various trades.

B. The Technical Specifications shall serve to amplify the requirements of materials and assemblies. The mention in any Section of the Technical Specifications of any article or operation requires that the Contractor shall provide all such items indicated on, or reasonably inferred from, the Detailed Scope of Work, furnishing for such purpose all labor, materials and equipment required in connection therewith. Omission of any article, operation, or detail does not relieve the Contractor of the responsibility for completion of the Work reasonably intended by the Contract Documents to be included in the Detailed Scope of Work.

C. In the case of conflict or inconsistency between the Detailed Scope of Work, Drawings and Technical Specifications or within Drawings, the Detailed Scope of Work, or Specifications not clarified by Addendum, the Contractor shall: (1) provide the better quality or greater quantity of Work, or (2) comply with the more stringent requirement either or both in accordance with the Owner’s Representative’s interpretation. The Contractor shall notify the Owner’s Representative of discrepancies found before materials are fabricated or Work performed.

D. The Contractor shall adhere to dimensions though differing from scale measurements. In the absence of dimensions or in case of doubt as to the proper measurement, consult the Owner’s
Representative. Actual field dimensions where applicable are to be verified by the Contractor in the field prior to proceeding.

2.5. CONTRACT INTERPRETATIONS:

A. The Contractor may request Contract interpretations in writing from the Owner’s Representative. Such requests for interpretations must be submitted sufficiently in advance of the date upon which the interpretation is actually required by the Contractor to allow the Owner’s Representative to issue the interpretation so as not to delay the Work. Contractor shall be responsible for any delay resulting from failure to submit a request for interpretation in a timely manner. A.  The Owner reserves the right to award separate contracts in connection with other portions of the Project or other construction or operations on the Project Site.

B.  When separate contracts are awarded for different portions of the Project or other construction or operations on the Project Site, the term "Contractor" in the Contract Documents in each case shall mean the Contractor who executes each separate contract for construction.

C.  At no additional cost to the Owner, the Contractor shall coordinate the Work with the activities of each separate Contractor. When directed to do so by the Owner, the Contractor shall participate with separate Contractors and the Owner in reviewing their separate construction schedules and shall make any revisions to the Contractor’s Work schedule to incorporate that activity into the Contractor’s Work schedule.

D.  The Contractor shall afford the Owner and any separate Contractors reasonable opportunity for introduction and storage of their materials and equipment and performance of their activities and shall connect and coordinate the Contractor's construction and operations with theirs as required by the Contract Documents.

E.  If part of the Contractor's Work depends for proper execution or results upon construction or operations by a separate Contractor, the Contractor shall, prior to proceeding with that portion of the Work, promptly report to the Owner in writing any apparent discrepancies or defects in such construction or operations performed by a separate Contractor that would render it unsuitable for such proper execution and results. Failure of the Contractor to report such apparent discrepancies and/or defects shall constitute an acknowledgment that the separate Contractors’ completed or partially completed construction is fit and proper to receive the Contractor's Work, except as to defects not then reasonably discoverable.
PART 8 CLAIMS FOR DAMAGES:

8.1. If the Contractor wishes to make a claim, whether for extra compensation, damages or other relief, by reason of any act or omission of the Owner or its agents or representative or other causes beyond the reasonable control of the Contractor, the Contractor shall comply with the requirements set forth below. Strict compliance with all claims submission requirements set forth below or in any other provision of the Contract Documents shall be a condition precedent to the Contractor’s right to pursue any claim or to recover or prevail thereon. All time requirements set forth as claims submission requirements shall be deemed to be of the essence. Compliance with all claims submission requirements shall not, however, create any presumption of validity of any claim.

8.2. The Contractor must at the time of the discovery of the occurrence of the event giving rise to the claim and before beginning any work on which the claim is based deliver to the Owner’s Representative and to the Purchasing Agent a written statement identifying itself as a Notice of claim, stating the circumstances of the occurrence, specifying the additional work contemplated as being required, state why such work is not already included within the scope of the Contract Documents, and to the extent reasonably foreseeable estimate the anticipated amount of the claim.

8.3. If the Owner within five (5) business days following receipt of such Notice of claim does not direct the Contractor otherwise, the Contractor shall proceed with the work which is the subject of the claim and within ten (10) calendar days after completion of the work for which additional compensation is claimed shall submit in writing to the Owner’s Representative and to the Purchasing Agent a written itemization of the actual additional compensation claimed, with all supporting documentation.

8.4. The Purchasing Agent or his designee shall make a determination within ninety (90) days after receipt of the submission described in Subparagraph B above, which decision shall be the final determination of the Owner. Failure by the Purchasing Agent to issue a final decision shall be deemed a final decision to deny the claim as of the ninetieth (90th) day. A final decision by the Owner shall be a condition precedent to institution by the Contractor of any judicial claim for relief on the claim. The Contractor’s right to seek judicial appeal of denial of a claim is barred if no suit is filed within six (6) months following the Owner’s final decision. No consideration by the Owner of any additional submissions by the Contractor in support of any claim shall extend this six month limitation.

8.5. The Contractor shall comply with all directions and decisions of the Owner’s Representative or the Purchasing Agent and shall proceed diligently with the performance of the Contract and with any disputed work pending final resolution of any claim or dispute. “Final resolution” shall include the exhaustion of all judicial proceedings.

8.6. No claim whatsoever shall be made by the Contractor against any officer, authorized representative or employee of the Owner or Owner’s Representative for, or on account of, anything done or omitted to be done in connection with this Contract.

8.8. In the event the Contractor makes a claim for additional compensation other than for damages related to delay which results in litigation, if the Owner substantially prevails in such litigation the Contractor shall indemnify and hold the Owner harmless from any and all reasonable attorneys’ fees, litigation costs of all types, and expert witness fees and costs, arising from or related to such claim and

8.9. If additional compensation is granted as to any claim, either by consent of the Owner or by judicial decision, the Contractor shall not be entitled to recover any interest on any amounts claimed to be due from the Owner which are the subject of a good faith dispute by the Owner which are paid within thirty (30) days following final resolution of such dispute. Interest shall accrue on any claim not paid within such thirty (30) days at the legal rate of six percent (6%) per annum simple interest commencing on the date of such final resolution.

8.10. No claims provision in this Agreement waives the Owner’s sovereign immunity or waives the ability of the Owner to invoke sovereign immunity where sovereign immunity may be applicable.
PART 9  
CHANGES IN THE WORK

9.1. MINOR CHANGES:

A. The Owner reserves the right to make such additions, deletions, or changes to the Work as may be necessary in its sole and absolute discretion to complete the Work; provided, however, that no such additions, deletions or changes shall substantially affect the substance of the Work or the cost or time for performance thereof. This Contract shall in no way be invalidated by any such additions, deletions or changes. If the Contractor deems any such change to entitle it to additional compensation or any extension to the Job Order Completion Time, such claim shall be subject to the claims submittal procedures set forth in the Contract Documents and the Owner’s written direction for such addition, deletion or change shall be deemed to be the occurrence.

B. Construction conditions may require minor changes in the location and installation of the Work and equipment to be furnished and other Work to be performed hereunder. The Contractor, when ordered by the Owner’s Representative, shall make such adjustments and changes in the locations and Work as may be necessary without additional cost to the Owner, provided such adjustments and changes do not substantially alter the character and quantity of the Work as a whole, and provided further that a Modification to the Detailed Scope of Work showing such adjustments and changes are given to the Contractor by the Owner within fourteen (14) days following the Owner’s direction. The Owner’s Representative shall act as an advisor to the Owner in what constitutes a minor change for which no additional compensation shall be allowed. If the Contractor deems any such change to entitle it to additional compensation or any extension to the Job Order Completion Time, such claim shall be subject to the claims submittal procedures set forth in the Contract Documents and the Owner’s Representative’s written direction for such minor change shall be deemed to be the occurrence.

C. The Contractor may be entitled to an extension of time for such minor changes only for the number of days which the Owner’s Representative may determine to be necessary to complete such changes and only to the extent that such changes actually affect the critical path and delay the completion of the Project, and then only if the Contractor shall have strictly complied with all the claims submittal requirements of the Contract Documents.

9.2. EXTRA WORK:

A. The Owner may, in its sole and absolute discretion, and without invalidating the Job Order, at any time, and without notice to the Sureties, require the performance of such Extra work as it deems necessary or desirable. The Owner may order changes in the Work by altering, adding to or deducting from the Work, by issuing a Supplemental Job Order. The Owner may issue supplemental instructions directing minor changes in the Work which do not involve a Modification to the Job Order Price or the Job Order Completion Time. If the Contractor disagrees with the Owner’s Modification of the Job Order Price or Job Order Completion Time as set forth in the Supplemental Job Order, or disagrees that the Owner’s directive does not impact Job Order Price or Job Order Completion Time, the Contractor shall proceed with the work as directed and any claim for additional compensation or an extension of time shall be governed by the provisions of General Condition 10.2 and General Condition 8.
B. The Contractor shall not be entitled to any additional compensation or to any increase in the Job Order Completion Time, as defined in 10.2, for any extra work performed by the Contractor without a valid Supplemental Job Order, and the Owner may order the removal or alteration at the Contractor's expense of any extra work performed without a validly issued Supplemental Job Order.

C. A Supplemental Job Order covering extra work shall be valid only if issued by Notice by the Owner and/or the Owner’s Representative prior to initiation of such work. When signed by the Contractor, Contractor acknowledges and accepts the terms and conditions of the Supplemental Job Order as full and final agreement as to all claims for compensation or time for the work described.

D. The amount of compensation to be paid to the Contractor for any extra work so ordered shall be determined in accordance with procedure for ordering work as outlined in the JOC Supplemental Conditions.

E. Regardless of the manner in which the adjustment to the Contract Sum on account of extra work is determined, such adjustment shall be deemed to constitute full and mutual accord and satisfaction for all costs related to such change.

F. Records of extra work performed hereunder, if any, shall be submitted to the Owner’s Representative, within 24 hours of the work being complete. Advanced notification must be provided to the Owner and/or Owners Representative prior to the initiation of the work described therein, strict compliance with these requirements shall be a condition precedent to compensation for such work. Duplicate copies of accepted records shall be made and signed by both Contractor or his representative and the Owner’s Representative, and one copy retained by each.

G. The Contractor may be entitled to an extension of time for extra work duly authorized by the Owner or Owner’s Representative as defined in Part 10.2 below.

9.3. OMITTED OR DELETED WORK:

A. The Owner may at any time by a written order and without notice to any Surety require the omission or deletion of such Work as the Owner may find necessary or desirable in its sole and absolute discretion.

B. Credits for Pre-priced and Non Pre-priced Tasks shall be calculated at the pre-set Unit Prices and multiplied by the appropriate Adjustment Factors. The result is that a credit for Tasks that have been deleted from the Detailed Scope of Work will be given at 100% of the value at which they were included in the original Job Order Price Proposal.

C. An order for omission or deletion of Work shall be valid only if issued by Notice by the Owner and/or the Owner’s Representative and then the Work so ordered must be omitted by the Contractor.

D. Contractor shall not be entitled to any extension of the Job Order Completion Time as a direct or indirect result of any omission or deletion of Work by Owner.
9.4. **AUDIT:** The Owner and its authorized representatives shall have access to all records necessary to perform a complete audit of the Contractor for the purposes of verifying that the certified cost or pricing data submitted were accurate, complete and current. The Owner shall, until the expiration of three years from the date of final payment under this Contract, have the right to examine and copy those books, records, documents, papers and other supporting data which involve transactions related to this Contract or which permit adequate evaluation of the cost or pricing data submitted, along with the computations and projections used therein (the "Records"), and the Contractor hereby covenants to maintain the Records in good order for such time and to deliver promptly the Records to the Owner upon request.

9.5. **DISPUTED WORK:**

A. If the Contractor is of the opinion that any work required, necessitated, or ordered by the Owner’s Representative or the Owner, or any action required or ordered by the Owner’s Representative or the Owner to be taken or not taken is not Work included within the Job Order Price, or disagrees with the impact on Job Order Price or Job Order Completion Time set forth in a Supplemental Job Order, any claim for additional compensation or an extension of the Job Order Completion Time arising therefrom shall be subject to the claims procedures and submission requirements set forth in the Contract Documents.

B. No payment shall be made to Contractor for any disputed work for which Owner’s final determination is that Contractor is not entitled to receive any increase in the Job Order Price for such Work. Payment for Work not in dispute shall continue to be made to the Contractor in accordance with the Contract Documents.
PART 10  TIME

10.1. TIME OF START AND COMPLETION:

A. The Contractor shall commence Work within ten (10) days after receipt of the Notice to Proceed. Time being of the essence with respect to this Contract, the Contractor shall prosecute the Work diligently, using such means and methods of construction as will secure its full completion in accordance with the requirements of the Detailed Scope of Work and other Contract Documents, and will complete the work within the Job Order Completion Time. The Contractor shall provide a schedule for the performance and completion of the Job Order Work in such detail as may be set forth in the Job Order. The Contractor shall proceed expeditiously with adequate forces, scheduling and resources to complete the Work within the Job Order Completion Time.

B. CONSTRUCTION MOBILIZATION: The Contractor’s mobilization to perform the Detailed Scope of Work shall commence at the issuance of a written Notice to Proceed and shall be completed within the lesser of ten (10) days or the time stated in the Notice to Proceed. As required, the construction mobilization phase shall include the following:

1. Submission of an acceptable detailed Schedule of Values immediately after Notice to Proceed and prior to the submission of the first request for payment, as required by Part 11.4 of this Section;

2. Submission of Contractor/Subcontractor Certification of Criminal Conviction forms, due within ten (10) days of Notice to Proceed;

3. Submission of a proposed List of Sub-contractors within ten (10) days of Notice to Proceed as required by Part 6 of these General Conditions;

4. Submission of such Contractor Quality Control Plan as may be required by the Job Order within ten (10) days of Notice to Proceed;

5. Submission of such Contractor Work schedule as may be required by the Job Order;

10.2. EXTENSION OF TIME: The parties agree that no extension beyond any required date of completion, whether Substantial Completion or Final Completion, fixed by the terms of the Job Order shall be effective unless granted in writing, and signed by the Owner’s Purchasing Agent or his designee. All time requirements set forth herein shall be of the essence. It shall be a condition precedent to any claim for extension of time that the Contractor comply strictly with the following requirements:

A. Give notice of delay in writing to the Owner’s Representative and to the Purchasing Agent within two (2) days of the occurrence which gives rise to the alleged delay, or within seven (7) days of the beginning of the delay if the resulting delay was not reasonably foreseeable at its commencement. The notice of claim for delay shall identify itself as a notice of claim, shall state the circumstances of the occurrence, shall state the justification for the delay and for the extension of time, and the estimated duration of the delay and of the extension requested. In case of a continuing cause of delay, only one notice shall be required so long
as the delay asserted is continuous, but an additional notice shall be given at least every fourteen (14) days providing a statement of what the Contractor has done to mitigate or overcome the cause of the delay, how long the delay is anticipated to continue, and the justification for such projection.

B. The Contractor shall submit to the Owner’s Representative and to the Purchasing Agent a statement of the actual time extension requested as a result of the claimed delay, which shall include all documentation and supporting information for such claimed delay required by this Article, within twenty-one (21) days after the delay has ceased.

C. The Contractor shall comply with all directions and decisions of the Owner’s Representative or the Purchasing Agent and shall proceed diligently with the performance of the Contract and with any disputed work pending final resolution of any claim or dispute. “Final resolution” shall include the exhaustion of all judicial proceedings.

D. The Contractor shall make no claim against any officer, agent or employee of Arlington Public Schools for, or on account of, any act or omission to act in connection with the Contract, and to the extent permitted by applicable law acknowledges and agrees that any and all rights to make any such claim are waived without condition or limitation.

E. Strict compliance with all applicable submittal requirements shall be a condition precedent to entitlement to any extension of time, but such compliance shall not of itself establish entitlement. Failure to comply with the foregoing submittal requirements shall be deemed a conclusive waiver, without limitation, of any claim for extension of time arising from or related to the alleged occurrence.

F. The Contractor shall not be entitled to any extension of time for delay in completion of the Work unless such delay is caused solely by any act or delay caused by the Owner or is due to causes for which the Contractor has no responsibility or fault. The Contractor shall be entitled to an extension of time only for the number of days of delay which are determined to be due solely to such causes and only to the extent that such occurrences actually delay achieving the applicable completion date, and then only if the Contractor shall have strictly complied with all applicable claims submission requirements of this Contract, including, without limitation, Paragraph 10.1. To the extent any delay for which the Contractor seeks an extension of time is due concurrently to causes for which Contractor may be entitled to a delay and to causes within the reasonable control or foreseeability of the Contractor, the Contractor shall not be entitled to any extension of time.

G. The Owner’s Purchasing Agent or his designee shall issue the Owner’s final decision on any claim for delay within ninety (90) Days following receipt of the Contractor’s submission in support of the claim, if submitted timely. Failure of the Purchasing Agent to issue a written decision shall be deemed a final decision to deny the claim as of the ninetieth (90) Day. A final decision by the Owner shall be a condition precedent to institution by the Contractor of any judicial proceeding for relief on the claim. The Contractor’s right to seek a judicial appeal of denial of a claim for extension of time is barred if no suit is filed within six (6) months following the Owner’s final decision on the claim. No consideration by the Owner of any additional submissions by the Contractor in support of any claim shall extend this six (6) month period.
H. Delays caused by the failure of the Contractor's Subcontractors, suppliers and dealers to furnish approved working drawings, shop drawings, submittals, materials, fixtures, equipment, appliances, or other fittings on time or the failure of Subcontractors or Sub-Subcontractors to perform their work in conformity with the Construction Schedule or other requirements of the Contract Documents shall not constitute a basis for extension of time.

I. The Contractor making a claim against the Owner for costs or damages due to unreasonable delays caused by the Owner, and its agents or employees, shall be liable to the Owner for a percentage of all the costs the Owner incurs in investigating, analyzing, negotiating, and litigating the claim, which percentage shall be equal to the percentage of the Contractor's total delay claim which is determined through litigation to be false or to have no basis in law or in fact.

J. No claims provision in this Agreement waives the Owner’s sovereign immunity or waives the ability of the Owner to invoke sovereign immunity where sovereign immunity may be applicable.

K. The Contractor shall comply with all directions and decisions of the Owner’s Representative or the Purchasing Agent and shall proceed diligently with the performance of the Contract and with any disputed work pending final resolution of any claim or dispute. “Final resolution” shall include the exhaustion of all judicial proceedings.

10.3. **RECOVERY SCHEDULE:** If at any time during Contractor's performance, in the sole opinion of the Owner, it may reasonably be predicted that the Contractor is going to achieve Substantial more than 14 days later than the Job Order Completion Time, or should the Contractor be required to undertake actions under Paragraph 10.1 of this section, the Contractor shall submit a Recovery Schedule to the Owner within five (5) days after receiving a written request from the Owner. The Recovery Schedule shall explain and display how the Contractor intends to reschedule its Work at no additional cost to the Owner, in order to regain during the immediate subsequent pay period a reasonable projection of achieving Substantial Completion within the Job Order Completion Time. The Recovery Schedule shall include as many of the following actions as may be necessary, all at no additional cost to the Owner:

A. Increase construction manpower in such quantities and crafts as will substantially eliminate the backlog of Work;

B. Increase the number of working hours per shift; shifts per working day, or days per week; the amount of construction equipment; the forms for concrete work or other trade specific materials or equipment; or any combination of the foregoing to substantially eliminate the backlog of Work;

C. Reschedule activities to achieve maximum practical concurrency of accomplishment of activities, and comply with those revisions.

D. If the Contractor shall fail to submit an acceptable Recovery Schedule within the time required, the Owner or the Owner’s Representative may direct the level-of-effort in manpower (trades), equipment, and work schedule (overtime, weekend and Holiday work, etc.) to be employed by the Contractor in order to remove or arrest the delay to the critical path in the accepted schedule, and the Contractor shall promptly provide such level-of-effort at no additional cost to the Owner.
E. Should it be deemed necessary, in the Owner’s sole discretion, that delays or incomplete work have warranted the use of outside sources to arrest a delay or to complete incomplete work, the Owner reserves the right to back-charge the Contractor for all costs incurred by the Owner in the use of outside sources.
PART 11  PAYMENTS AND COMPLETION

11.1. The Owner will make one payment for all Job Orders that have a Job Order Completion Time of 45 days or less, or a Job Order Price of $25,000 or less. For all other Job Orders, the Owner may make partial, monthly payments based on a percentage of the work completed as based on the approved Schedule of Values if applicable.

11.2. Before submitting an Application for Payment (Final or Partial) the Contractor shall reach an agreement with the Owner’s Representative concerning the percentage complete of the Detailed Scope of Work and the dollar value for which the Application for Payment may be submitted.

11.3. For the Contractor's complete performance of the Work, the Owner agrees to pay, and the Contractor agrees to accept, subject to the terms and conditions hereof, the Job Order Price, plus the amount required to be paid for Extra Work approved by Supplemental Job Order(s) under Paragraph 9.2 hereof, less credit for any work omitted pursuant to Paragraph 9.3 hereof, and any other credits or offsets, including reimbursements or liquidated damages to which the Owner is entitled under the Contract Documents.

11.4. SUBMISSION OF SCHEDULE OF VALUES: If required in the Job Order, the Contractor shall organize and provide detail on the Schedule of Values in a manner acceptable to the Owner. The Schedule of Values, once accepted by the Owner’s Representative, may be used for verifying the Contractor's applications for partial payments hereunder but shall not be binding upon the Owner for any purpose whatsoever.

11.5. APPLICATION FOR PAYMENT:

A. The Contractor must submit applications for payment using AIA Document G702 - Application and Certificate for Payment. Affidavits from each Subcontractor verifying receipt of payments of amounts billed in the previous payment request must accompany each application for payment. Failure to submit all affidavits will delay payment.

B. Upon the request of the Owner’s Representative, as a condition precedent to payment pursuant to the terms of this Contract, the Contractor shall give the Owner a statement that no employee of the Owner has received or has been promised, directly or indirectly, any financial benefit, by way of a fee, commission, finder's fee or in any other manner, remuneration arising from or directly or indirectly related to this Contract. All parties agree that the Owner shall have the right, in its sole and absolute discretion, to withhold payment to the extent of any such fee or commission. The Contractor shall not be entitled to interest and shall not have any claim on account of any payments being withheld under this paragraph.

11.6. PARTIAL PAYMENTS:

A. On or about the first of each month, the Contractor shall make and certify an estimate of the amount and fair value of the Work performed and may apply for partial payment therefore. The Owner’s Representative shall revise the estimate to show the value of Work completed in accordance with the Owner’s Representative's observation of the Work and knowledge, information and belief. The Contractor agrees to be bound by the Owner’s Representative's revisions to the applications for partial payment.
B. Whenever the monthly estimate, after approval by the Owner’s Representative, shows that the value of the work completed during the previous month exceeds $1,000.00, the Owner’s Representative will certify the Contractor’s Application and Certificate for Payment for such Work. Such Application and Certificate for Payment as approved by the Owner’s Representative will authorize payment by the Owner in an amount equal to the value of the Work completed less any sums retained or deducted by the Owner under the terms of the Contract Documents, and less retainage of five (5) percent of payments approved.

C. An Application and Certificate for Payment shall not be considered received by the Owner unless accompanied by the following:

1. An affidavit that payrolls, bills for materials and equipment, Subcontractors invoices, and all other indebtedness in connection with amounts paid by the Owner to the Contractor under previous Application and Certificates for Payment have been paid and otherwise satisfied; and

2. All construction photos as required by the Job Order; and

3. A revised construction schedule in the format required by the Job Order.

D. Within forty-five (45) days after receipt of each approved Application and Certificate for Payment, the Owner shall pay the Contractor in accordance with the applicable Certificate and the Contract Documents.

E. Unless otherwise provided herein, no payment will be made for any materials or equipment supplied hereunder before they are:

1. Incorporated in the work in a permanent manner required by the Detailed Scope of Work and other Contract Documents,

2. Properly stored at the site of the Project, or

3. Properly insured and stored in a bonded warehouse to the satisfaction of the Owner.

F. The cost of equipment and non-perishables delivered and stored only at the Project Site and tested for adequacy may be included in the Contractor's Application and Certificate for Payment; provided, however, that the Contractor shall furnish written evidence satisfactory to the Owner that the Contractor has clear title to such materials or equipment at the time of payment therefore by the Owner and that such equipment is being stored and maintained in accordance with the Detailed Scope of Work and other Contract Documents. The amount to be paid by the Owner for such equipment and non-perishables will be 100 percent (100%) of the invoice cost to the Contractor as supported by receipted bills, less the specified retainage. Such payment shall not relieve the Contractor of full responsibility for completion of the Work and for protection of materials and equipment until incorporated in the Work in a permanent manner as required by the Detailed Scope of Work and other Contract Documents.

G. Before any payment will be made under this Contract, the Contractor and every Subcontractor, if required, shall deliver to the Owner’s Representative a written, verified statement, in satisfactory form, showing in detail all amounts then due and unpaid by the Contractor to all laborers, workers, and mechanics, employed under the Contract for the
performance of the Work at the Project Site, for daily or weekly wages, or to other persons for materials, equipment, or for supplies delivered at the Project site during the period covered by the payment request.

11.7. **DELAYED PAYMENTS:**

A. Owner may withhold payment to such an extent as may be necessary in the opinion of the Owner in consultation with the Owner’s Representatives to protect the Owner due to loss because of:

1. Defective work not remedied,

2. Third party claims filed or reasonable evidence indicating probable filing of such claims,

3. Failure of the Contractor to make payments properly to Subcontractors or for labor, materials or equipment,

4. Reasonable evidence that the Work cannot be completed for the unpaid balance of the Job Order Price,

5. Damage to the Owner or another Contractor,

6. Reasonable evidence that the Work will not be completed within the time required for completion,

7. Persistent failure to carry out the Work in accordance with the Contract Documents, or

8. Liability, damage, or loss due to injury to persons or damages to the Work or property of other Contractors, subcontractors of others, caused by the act or neglect of the Contractor of any of its Subcontractors.

B. The Owner shall have the right, as an authorized representative for the Contractor and without the Surety's consent, to apply any such amounts so withheld in such manner as the Owner may deem proper to satisfy such claims or to secure such protection. The application of these amounts shall be deemed payments for the account of the Contractor and shall reduce the Owner's obligation to the Contractor accordingly. The Contractor may not stop Work as a result of any payment or portion thereof being properly withheld in accordance with this Contract. If Contractor does order Work stopped, or if the Work is stopped in whole or in part as a result thereof, the Contractor shall be wholly liable for any damages from delay, or otherwise, which may arise because of such stoppage.
PART 12 SUBSTANTIAL COMPLETION:

12.1. WRITTEN NOTIFICATION: When the Contractor considers that the Work, or such portion or phase thereof which the Owner agrees in writing to accept separately, is Substantially Complete, the Contractor shall provide the Owner and the Owner’s Representatives written notification of such fact accompanied by a complete list of Detailed Scope of Work items remaining to be completed (Contractor’s Punch List).

12.2. PUNCH LISTS:

A. Within fourteen (14) days following receipt of the Contractor’s written notification of Substantial Completion (including a Contractor’s Punch List, as set forth in Paragraph 12.1), the Owner’s Representative shall conduct an inspection of the Work and compile a comprehensive list of deficiencies and incomplete Work (i.e. Owner’s Punch List). The Owner’s Representative shall then issue a Consolidated Punch List incorporating the Contractor’s and the Owner’s Punch Lists into a single list in a uniform format (“Consolidated Punch List”).

B. Following issuance of the Consolidated Punch List, the Contractor shall have thirty (30) days to complete the Work contained thereon and to achieve Final Completion, unless otherwise specified in the Contract Documents. If the Work for which Final Completion is requested is not Finally Complete within the required period, it is understood and agreed by all parties that the Contractor shall become liable to the Owner for Liquidated Damages as established by the Job Order, which shall continue in effect until the applicable Final Completion has been achieved.

C. Except with the consent of the Owner, the Owner’s Representative shall perform no more than two Substantial Completion inspections for any designated portion of the Work or for the entirety of the Work. Should more than two Substantial Completion inspections be required, the Contractor shall pay the Owner any amounts paid to the Owner’s Representative and other third party consultants for any additional inspections.

D. Should the Contractor fail to complete or correct any item on the Consolidated Punch List within the required period, the Owner may, at any time thereafter, complete one or more items on the list with its own forces or with such other Contractors as it deems advisable and recover from the Contractor the cost for performing such work plus a markup of ten percent (10%) to cover administrative costs. This right of completion shall be in addition to, and not in lieu of, any remedy otherwise provided by the Contract Documents. All such completed Work shall be subject to the Warranty provisions of the Contract Documents.

12.3. SUBSTANTIAL COMPLETION CERTIFICATION:

A. When the Contractor considers that the Work, or such portion or Phase thereof which the Owner agrees in writing to accept separately, is Substantially Complete, the Contractor shall submit to the Owner and the Owner’s Representative a written request for an inspection of the Work and a Certificate of Substantial Completion. Sufficient notice shall be given to allow the Owner and Owner’s Representative to schedule the inspection. Prior to requesting Owner's and Owner’s Representative's inspection for Certification of Substantial Completion, the following must be completed:
1. Submit a progress payment request coincident with or following the Substantial Completion date claimed, showing one hundred (100%) percent completion for the portion of the Work claimed as Substantially Complete.

2. Submit all outstanding changes to the Job Order Price which are not barred by the claims submission procedures of the Contract Documents.

3. Advise Owner of pending insurance changeover requirements.

4. Submit specific warranties, workmanship/maintenance bonds, maintenance agreements, final certifications, and similar documents.

5. Obtain and submit final releases of liens, which may reserve rights for Work performed after the date of the release, (include with Certificate of Substantial Completion) from all Subcontractors, construction materials suppliers, and services and utilities, enabling the Owner's full and unrestricted use of the Work and access to services and utilities, and including (where required) Occupancy Permits, facility operating certificates, and similar releases from authorities having jurisdiction.

6. Submit two (2) electronic copies and three (3) paper copies (8-1/2" x 11" page format in 3-ring notebook binders, with a table of contents) of Project record documents, maintenance manuals, final Project photographs, damage or settlement survey, property survey, and similar final Project record information.

7. Submit certifications of compliance for each test and inspection required by the Job Order. The certifications shall be signed by the Contractor and by the parties conducting the test.

8. Deliver tools, spare parts, extra stocks of materials, and similar physical items to Owner.

9. Make final change-over of locks and transmit keys to Owner, and advise Owner's personnel to change over the security provisions.

10. Complete start-up testing of systems, water and air balancing, adjust and calibrate temperature control system, fire alarm system, generator (as required, if included in the design). Clean all HVAC units, ducts if necessary. Remove temporary filters and install new filters in all air-handling units and in all unit ventilators.

11. Complete all commissioning and acceptance tests.

12. Complete instruction for Owner’s operating/maintenance personnel for all equipment and machinery installed under the Job Order as specified by the Owner.

13. Discontinue (or change over) and remove from project Site temporary facilities and services, along with construction tools and facilities, mock-ups, and similar elements.

15. Touch up and otherwise repair and restore marred exposed finishes.

16. Warranties shall become effective, once Owner and Owner’s Representative determine that the Contractor has achieved Substantial Completion and execute the Certificate of Substantial Completion.

17. If the Owner partially occupies the Project Site, this shall not indicate acceptance of Substantial Completion or activation of warranties.

18. The Contractor shall provide extended warranties. Warranties shall begin upon acceptance and fully executed Certificate of Substantial Completion.

B. Upon receipt of Contractor's request, the Owner and Owner’s Representative will either proceed with inspection or advise the Contractor of pre-requisites not fulfilled. Following inspection, the Owner and Owner’s Representative will either prepare the Certificate of Substantial Completion, or advise the Contractor of Work, or additional Work, which must be performed prior to issuance of the Certificate of Substantial Completion. Should the Owner and/or Owner’s Representative determine that the Work is not Substantially Complete, notification in writing will be given to the Contractor stating the reasons therefore. Contractor shall remedy the deficiencies in the Work and shall send to the Owner and Owner’s Representative a second written notice of Substantial Completion. The Owner and Owner's Representative will then re-inspect the work. If the Certificate of Substantial Completion is not issued following the second inspection, the provisions of General Condition 11.6.C.3 shall be applicable until the Certificate of Substantial Completion is issued.

C. When the Owner and Owner’s Representative concur that the Work is Substantially Complete, the Owner’s Representative shall:

1. Prepare a Certificate of Substantial Completion on AIA Form G704 accompanied by Contractor's list of items to be completed or corrected to achieve Final Completion, as verified and amended by the Owner’s Representative.

2. Submit the Certificate of Substantial Completion to the Owner and the Contractor for their written acceptance of the responsibilities assigned to them in the Certificate.

3. Unless excluded by the Job Order, notify the Contractor to submit Final As-Built Mylar drawings and one digital copy, which are to be labeled "FINAL AS-BUILTS" and submitted to the Owner’s Representative for approval. Approval and acceptance by Owner of Final As-Builts shall be a condition precedent to Contractor requesting Final Completion approval.
PART 13  FINAL COMPLETION:

13.1. Upon written notification by the Contractor that the Work is Finally Complete, and upon the Contractor's submission of a final Application and Certificate for Payment, the Owner’s Representative will conduct a final inspection of the Work. If the Owner’s Representative determines that the Work is not Finally Complete, a Final Completion Punch List will be issued to Contractor. Contractor may request a second inspection when Contractor deems the Final Completion Punch List to have been completed. If the Certificate of Final Completion is not issued following the second inspection, the provisions of General Condition 12.2.C shall be applicable until the Certificate of Final Completion is issued. When the Owner’s Representative determines that the Work has been satisfactorily completed and the Contract Documents fully performed, the Owner’s Representative shall promptly prepare and issue a Final Certificate for Payment stating that to the best of the Owner’s Representative’s knowledge, information and belief, and on the basis of his observations and inspections, the Work has been completed in accordance with the Contract Documents is due and payable. Final Completion shall occur within thirty (30) calendar days after the Date of Substantial Completion, or as otherwise specified in the Contract Documents.

13.2. Except with the consent of the Owner, the Owner’s Representative shall perform only one Final Completion inspection for any designated portion of the Work or for the entirety of the Work. Should more than one Final Completion inspection be required, the Contractor shall pay the Owner amounts paid by the Owner to the Owner’s Representative for any additional inspections necessary to achieve Final Completion.

13.3. The Owner shall, within thirty (30) days after receipt of the approved Final Application and Certificate for Payment, pay the Contractor the amount stated therein.
PART 14 CORRECTION OF DEFECTIVE WORK BEFORE AND DURING WARRANTY PERIOD:

A. In the event the Work, or any portion thereof, is determined during the Warranty Period to be defective, incomplete or to have been improperly performed, the Contractor shall, within three days after written notice from the Owner, commence to remove all defective and deteriorated Work and materials and replace it at the Contractor's expense with Work and materials in accordance with the requirements of the Detailed Scope of Work and other Contract Documents and to complete all incomplete Work in accordance with the Detailed Scope of Work and other Contract Documents within a reasonable time period.

B. In the event the Contractor fails to commence the removal, replacement, completion or correction of such Work within three days after the date of written notice from the Owner and to complete such Work within a reasonable time period thereafter, the Owner will cause such Work to be performed by other Contractors and the Contractor and its Surety under the Performance Bond will be obligated to pay the Owner all costs incurred in the performance of such Work plus an administrative fee of ten percent (10%) within thirty (30) days following submission by Owner to Contractor of such demand for payment.

C. The Contractor’s Warranty obligations shall remain in full force and effect regardless of whether the Warranty Work was performed by the Contractor or by the Owner.

D. Defects or nonconformities which are remedied as a result of Warranty obligations shall subject the remedied portion of the Work to an extended Warranty Period of one (1) year from the date upon which such defect or nonconformity was fully remedied or from the date of Final Completion of the Project as a whole, whichever is later, whether such Warranty Work was performed by the Contractor or by the Owner. Any repetitive defect, failure or malfunction identified within the Warranty Period shall remain under Warranty until it has been fully corrected and has performed without defect, failure or malfunction for a period of one (1) year.
PART 15   FINAL PAYMENT

15.1.  EVIDENCE OF PAYMENTS, SATISFACTION OF OBLIGATION, AND INSURANCE COVERAGE: Neither final payment nor any retainage shall become due until the Contractor submits to the Owner’s Representative (i) an affidavit that payrolls, bills for materials and equipment, and all other indebtedness in connection with the Work for which any third party claim against the Owner might be asserted have been paid or otherwise satisfied; (ii) a certificate evidencing that insurance required by the Contract Documents to remain in force following final payment is currently in effect and will not be canceled or allowed to expire until at least forty-five (45) days’ prior written notice has been provided to the Owner; (iii) a written statement that the Contractor knows of no reason that the insurance will not be renewable to cover the period required by the Contract Documents; (iv) consent of the Surety to final payment; and (v) all fully executed and effectual warranties and guaranties associated with the Work, (vi) if required by the Owner, other data establishing the payment or satisfaction of obligations (such receipts, releases and waivers of liens, claims, security interests or encumbrances arising out of the Contract) and such guaranties and indemnities all in such form and detail as may be required by the Owner. If a Subcontractor fails or refuses to furnish a release or waiver required by the Owner, the Contractor may furnish a bond satisfactory to the Owner, in the Owner’s sole and absolute discretion, sufficient to indemnify the Owner against any claim or lien. If any such claim or lien remains unsatisfied after payments are made, the Contractor shall pay to the Owner all money that the Owner may be compelled to pay in discharging such claim or lien, including all costs, attorneys’ fees and customary costs of litigation associated therewith. Provided, however, that nothing herein shall be deemed a waiver by the Owner of its sovereign immunity from mechanic’s liens.

15.2.  CONTRACTOR’S ACCEPTANCE OF FINAL PAYMENT: The Contractor's acceptance of final payment constitutes a waiver of all claims against the Owner in connection with the Project, except for any claims for additional payment submitted in strict compliance with the claims submission requirements of the Contract Documents and not finally resolved. If at the time Contractor requests Final Payment there are claims pending which were submitted in strict compliance with the claims submission requirements of the Contract Documents, the Owner may pay undisputed portions of the Final Application and Certificate for Payment as if it were an Application and Certificate for Partial Payment. No payment, final or otherwise, shall operate to release the Contractor, or its Surety, from any obligations under the Contract.

15.3.  RELEASE AND REQUEST FOR FINAL PAYMENT: Upon completion of the Detailed Scope of Work and before final payment, the Contractor will submit to the Arlington Public Schools a signed copy of the Arlington Public School Release and Request for Final Payment form at Attachment B.
PART 16  PROTECTION OF PERSONS AND PROPERTY

16.1. CONTRACTOR'S RESPONSIBILITY FOR SAFETY PROCEDURES: The Contractor shall select one or more on-site personnel whose duty shall be responsible for instituting, maintaining and supervising prudent safety procedures, as well as for complying with all safety laws, regulations, ordinances and other directives of school or jurisdictional authorities in order to prevent injury, damage or loss to:

A. All persons involved in performance of the Work.

B. All APS students, teachers, administrative personnel and employees, the public, and other persons in proximity to, or otherwise affected by the Work.

C. The Work, materials and equipment to be incorporated therein, whether in storage on or off the site.

D. Property at the Project Site or adjacent thereto and not designated for removal, relocation or replacement in the course of construction.

16.2. SAFETY BARRIERS AND HAZARD WARNINGS: The Contractor shall be responsible for erecting and maintaining barricades, construction fences, cordons, or other physical safeguards necessary for protection of persons and property, as well as for posting danger signs and other warnings against hazards and notifying owners and users of adjacent sites and utilities. The Contractor shall also be responsible for promulgating, instituting and maintaining the safety standards outlined in the Specifications.

16.3. USE OF EXPLOSIVES: The Contractor’s use of explosives on the Owner’s property shall be limited to that necessary for the performance of the Work, and will be permitted only after submission of a written request by the Contractor to the Owner, and receipt of written approval from the Owner. The Owner may in its sole discretion deny such request if the use of explosives is not called for by the Detailed Scope of Work. The Owner may in its sole discretion as a condition of granting any approval for the use of explosives set specific times when the explosives may be used, including outside normal working hours and the Contractor shall comply with such time restrictions without additional cost to the Owner. The use of all explosives by the Contractor shall be carried out by qualified personnel in accordance with applicable safety laws and regulations.

16.4. PROTECTION OF PROPERTY AND PROPERTY DAMAGE: During performance of the Work and until Final Completion thereof, the Contractor shall be under an absolute obligation to protect the finished and unfinished Work against any damage, loss, or injury. The Contractor shall take proper precautions to protect the finished Work from loss or damage, pending completion and Final Completion of all Work included in the Contract. Such precautions shall not relieve the Contractor from all liability and responsibility for loss or damage to the Work occurring before Final Completion by the Owner. Such loss or damage shall be at the risk of and borne by the Contractor, whether arising from acts or omissions of the Contractor or others and whether or not covered by the Contractor's builder's risk insurance. In the event of any such loss or damage, the Contractor shall forthwith repair, replace, and make good the Work without extension of time therefore, except as may be otherwise specified in the Contract Documents. The Contractor shall take special precautions throughout all its operations to guard against fire and shall limit the amount of inflammable materials stored at the Project Site to the minimum amount necessary to perform the Work and consistent with the proper handling and storing of such materials.
16.5. **OVERLOADING OF STRUCTURES**: The Contractor shall not load or permit any part of the Project Site, whether or not a part of the Work, to be loaded so as to endanger its safety or structural integrity.
PART 17 INSURANCE

17.1. CONTRACTOR'S INSURANCE:

A. During the term of this Contract, the Contractor shall procure and maintain, with solvent and responsible companies authorized to do business under the laws of the Commonwealth of Virginia and acceptable to Owner, in its sole discretion, the following types of insurance:

1. Commercial General Liability insurance shall be in the amount of $2 Million. Such insurance shall cover claims for bodily injury, property damage and personal injury arising out of operations under the Contract, whether such actions are performed by the Contractor or by any Subcontractor or by anyone directly or indirectly employed by either of them. Such insurance shall include coverage for explosions, collapse and underground utilities. The Contractor shall provide a certificate of insurance that names Arlington Public Schools, Arlington School Board, including elected and appointed officials, agents and employees as additional insureds. Coverage afforded under this policy shall be primary to all other insurance with respect to such additional insureds. If the insurance policy represented by certificate requires endorsement in order to add such additional insureds, then such endorsement must accompany the Certificate.

2. The Contractor shall require each of its Subcontractors to procure and maintain during the life of its subcontract, subcontractor's Commercial General Liability Insurance in amounts satisfactory to the Contractor, naming the Owner as an additional named insured.

3. Worker's Compensation and Employer's Liability Insurance for the Contractor's employees engaged in the Work under this Contract, in accordance with the laws of the Commonwealth of Virginia. The Contractor shall require each of its Subcontractors to provide Worker's Compensation and Employer's Liability Insurance for all of the Subcontractor's employees engaged on such subcontracts. If any class of employees engaged in work under the Contract is not protected under the Worker's Compensation laws in Virginia, the Contractor shall provide similar protection for these employees in amounts not less than the legal requirements. The amount of Employer's Liability Insurance for the Contractor and each of his subcontractors shall be not less than $1 million.

4. Automobile Liability Insurance, including coverage for non-owned and hired vehicles shall be not less than $1 million per occurrence.

5. All risk insurance covering damage, loss or injury to the Work, excluding earthquake damage. The policy shall be payable to the Owner, and the proceeds thereof, when paid, shall be retained by the Owner as security for the performance by the Contractor of its obligations under this Contract and, upon such performance, amounts not expended to achieve such performance shall be released to the Contractor. Such policy shall be in an amount equal to the Contract Sum Estimated Annual Value.

6. Proof, to the satisfaction of the Owner, of insurance for each type of coverage listed herein shall be provided within ten (10) Days of the Contractor's receipt of the fully
executed Contract, and no Work shall proceed unless all such insurance is in effect. The Contractor shall not allow any Subcontractor to commence work on its subcontract until all such insurance of the Subcontractor has been so obtained and approved by the Contractor and found to be in accordance with the requirements set forth herein. Copies of subcontractor insurances shall be provided to the Owner prior to subcontractor performing any work. The Contractor certifies by commencement of the Work that its insurance and that of all Subcontractors is in effect and meets the requirements set forth herein.

7. In the event of the exercise by Owner of any right to renew the Contract, Contractor shall comply with all insurance requirements set forth herein within ten (10) Days following receipt of Owner’s notice of renewal.

B. All of the aforesaid insurance policies must be endorsed to provide that the insurance company shall give forty-five (45) Days written notice to the Owner if the policies are to be terminated or if any changes are made during the life of the Contract which will affect in any way the insurance requirements set forth herein. Before commencing the Work, the Contractor shall provide the Owner with a copy of each policy which it and each of its Subcontractors shall carry in accordance herewith, together with receipted bills evidencing proof of premium payment.

C. PROPERTY INSURANCE: The Contractor shall purchase Builder’s Risk insurance upon the entire Work at the Project Site to the full insurance value of the new improvements thereof. This insurance shall include the interests of the Owner, Subcontractors and Sub-Subcontractors in the Work, and shall insure against all risks of loss, except as excluded. This insurance shall include coverage for the following:

1. Loss by explosion of boilers during testing (any exclusion applicable to such loss shall be waived).

2. Partial or complete occupancy by the Owner (any exclusion applicable to occupancy shall be removed).

3. Loss without coinsurance penalty (coinsurance or similar "insurance to value" requirements shall be eliminated).

4. Coverage of property in transit and unscheduled locations sufficient in limits to adequately cover maximum anticipated values at risk.

5. Coverage of Contractor's labor, overhead and profit.

6. Coverage of materials stored or installed on the Project Site, until said materials are accepted by the Owner per Substantial Completion and Acceptance requirements. Payment by Owner for materials stored or installed on the Project Site does not eliminate Contractor's responsibility or liability with regards to theft and vandalism or other damage.

D. In the event that the Contractor does not purchase and supply proof of Builder’s Risk insurance in the required amount, the Owner may purchase Builder’s Risk Insurance in an
amount equal to the Estimated Annual Value. The Owner will receive a credit on the contract price for the cost of said Builder’s Insurance if the Owner provides the insurance.
PART 18  CONTRACT SECURITY

18.1. The Contractor shall execute and deliver to the Owner Performance and Labor and Material Payment Bonds on the forms provided in the Contract Documents, each in an amount equal to the Estimated Annual Value. The Performance and Labor and Material Payment Bonds shall be executed by a solvent and responsible surety company licensed to conduct business in the Commonwealth of Virginia, named in the current United States Treasury Department’s latest Circular 570 and acceptable to the Owner. These bonds shall be issued and countersigned by a local authorized representative of such surety company who maintains a resident place of business in the Commonwealth of Virginia, regularly commissioned and licensed in the Commonwealth and producing satisfactory evidence of the authority of the person or persons executing the bonds to execute them on behalf of the Surety. The Performance and Labor and Material Payment Bonds shall serve as security for the faithful performance of this Contract, and for the payment of all persons performing labor and furnishing materials and services in connection with this Contract consistent with the requirements of the Virginia Public Procurement Act. The premiums on the Performance and Labor and Material Payment Bonds shall be paid by the Contractor and shall be included in the Adjustment Factors.

18.2. If at any time the Owner shall become dissatisfied with any Surety or Sureties providing the Performance or Labor and Material Payment Bonds, or both, or if for any other reason such bonds shall cease to be adequate security for the Contractor, the Contractor shall within ten (10) Days after notification of such fact, substitute acceptable bonds in such form and sum and signed by such other Sureties as may be satisfactory to the Owner. The premiums on such Bonds shall be paid by the Contractor and shall be included in the Contract Sum/Job Order Price. No further partial payments shall be deemed due nor shall be made until the new Bonds are in effect and provided to and approved by Owner.

18.3. Alternative Forms of Security: Any bid bond, payment bond, or performance bond required under the Contract Documents may be provided in the form of a certified check, cashier’s check, or cash escrow in the face amount required for the bond and conditioned as required for a surety bond. Any bid bond, payment bond or performance bond required under the Contract Documents may be in the form of a personal bond, property bond, or bank or savings institution’s letter of credit on certain designated funds in the face amount required for the bond, but only if approved by the Arlington Public Schools Attorney. Approval shall be granted only upon a determination that the alternative form of security proffered affords protection to the Arlington Public Schools equivalent to a corporate surety’s bond.
PART 19      UNCOVERING AND CORRECTION OF WORK

19.1. UNCOVERING OF WORK:

A. If a portion of the Work is covered contrary to the Owner’s Representatives' request or to the requirements contained in the Contract Documents, the Contractor shall, at its own expense and upon the written request of the Owner’s Representative, uncover and replace such Work without an adjustment to the Job Order Completion Time or Job Order Price.

B. If a portion of the Work has been covered which the Owner’s Representative and/or Arlington County Inspector has not specifically requested to observe prior to its being covered and is, under the Contract Documents, allowed to be covered without observation of the Owner’s Representative or Owner or applicable law or regulation, the Owner’s Representative and/or Arlington County Inspector may request to see such Work and it shall be uncovered by the Contractor. If such Work is in accordance with the Detailed Scope of Work and other Contract Documents, costs of uncovering and replacement shall, by a Supplemental Job Order, be charged to the Owner. If such Work is not in accordance with the Detailed Scope of Work and other Contract Documents, the Contractor shall pay the costs of uncovering and replacing such Work.

19.2. CORRECTION OF WORK:

A. The Contractor shall promptly correct any Work which fails to conform to the requirements of the Detailed Scope of Work or other Contract Documents (the "Rejected Work"), whether observed before or after Substantial Completion and whether or not fabricated, installed or completed. The Contractor shall bear all costs associated with the correction of any Rejected Work, including additional testing and inspections and compensation for the Owner’s Representative’s services and expenses made necessary thereby.

B. Nothing contained herein shall affect the Owner's right to correct non-conforming Work pursuant to the provisions of the Contract Documents.

C. ACCEPTANCE OF DEFECTIVE OR NON-CONFORMING WORK: The Owner reserves the right to accept any defective or non-conforming Work; provided, however, that in such event the Job Order Price shall be reduced by an appropriate and equitable amount to account for such defect or nonconformity. Such adjustment shall be effected whether or not final payment has been made. Any such acceptance shall not constitute a waiver of approval of the performance requirements of the Contract Documents.
PART 20  POWERS OF THE PURCHASING AGENT

The Owner’s Purchasing Agent, in addition to those matters expressly made subject to his determination, direction or approval shall have the power:

20.1. To decide any and all questions, claims and disputes in relation to this Contract and its performance, except as herein otherwise specifically provided, and his decisions upon such questions, claims and disputes shall be final and conclusive upon the parties hereto.

20.2. To issue a Supplemental Job Order or other Modification in accordance with Part 9 of these General Conditions and the JOC Supplemental Conditions so as to require the performance of Extra Work, or the omission of Contract Work or both, whenever he deems it in the interest of the Owner to do so.

20.3. To suspend the whole or any part of the Work whenever, in his judgment, such suspension is required: (1) in interest of the Owner generally, or (2) to expedite the completion of the Project, or (3) due to a delay caused by the Owner or its authorized representatives.

20.4. To take over, use, occupy, or operate any part of the completed or partly completed Work if, before Substantial Completion or Final Completion thereof, the Purchasing Agent or his designee shall deem it necessary.

20.5. The Purchasing Agent may delegate his authority/power to his designee, but only to the extent the Contractor has been given written notice by the Purchasing Agent of such delegation.
PART 21  CONTRACTOR'S DEFAULT AND TERMINATION

21.1. OWNER'S RIGHT AND NOTICE: The parties agree that:

A. If the Contractor fails to begin the Work when required to do so; or

B. If, at any time during the progress of the Work, the Owner determines that the Contractor is not prosecuting the Work with reasonable speed and diligence, or is delaying the Work unreasonably or unnecessarily; or

C. If the force of workmen or the quality or quantity of material furnished is such as to give the Owner reasonable grounds to believe that it is not sufficient to ensure completion of the Work within the specified time and in accordance with the Contract Documents; or

D. If the Contractor fails to make prompt payments to suppliers or to Subcontractors for Work performed in connection with the Contract; or

E. If the Contractor fails in any manner of substance to observe the provisions of this Contract; or

F. If any of the Work, machinery, or equipment is defective and is not replaced as herein provided;

then the Owner’s Representative shall certify such fact or condition to the Owner without prejudice to any other rights or remedies Owner may have hereunder, and the Owner shall have the right to declare the Contractor in default in whole or in part. In the event the Owner elects to declare the Contractor in default, the Owner shall notify the Contractor and its Sureties by written notice describing the nature of the default and providing the Contractor a right to cure such default within three (3) calendar days after the date of the notice, or within such longer period as the Owner, in its sole and absolute discretion, may prescribe. In the event the default is not cured within the time period specified by the Owner, the Owner shall have the right to take any actions necessary to correct or complete the Work, including but not limited to those as set forth in Paragraph 21.3 hereof.

21.2. The parties further agree that:

A. If legal proceedings have been instituted by others than the Owner in such manner as to interfere with the progress of the Work and to potentially subject the Owner to the peril of litigation or outside claims; or

B. If the Contractor is adjudicated bankrupt or makes an assignment for the benefit of creditors; or

C. If in any proceeding instituted by or against the Contractor, an order is made or entered granting an extension of the time of payment, composition, adjustment, modification, settlement or satisfaction of its debts or liabilities; or

D. If a receiver or trustee is appointed for the Contractor or the Contractor's property; or

E. If the Contract or any part hereof is sublet without the prior written consent of the Owner; or
F. If the Contract or any rights, moneys, or claims hereunder are assigned in whole or in part by the Contractor, otherwise than as herein specified; or

G. If the Work to be done under this Contract is abandoned;

then such fact or condition shall be certified by the Owner’s Representative to the Owner and thereupon, without prejudice to any other rights or remedies the Owner may have, the Owner shall have the right to terminate the Contract immediately upon written notice to the Contractor or, in the Owner’s sole discretion, exercise any other rights available to it.

21.3. **CONTRACTOR'S DUTY UPON DEFAULT**: Immediately, but no later than three (3) days after receipt of Notice that it is in default hereunder, the Contractor shall discontinue all further operations in connection with the Work, or such specified part thereof, and shall immediately vacate the Project Site, or such specified part thereof, leaving untouched all plant, materials, equipment, tools, supplies and job site records.

21.4. **COMPLETION OF WORK AFTER DEFAULT**: If the Contractor defaults or neglects to perform the Work in accordance with the Detailed Scope of Work or other Contract Documents and fails within a three (3) day period after receipt of written notice from the Owner to commence and continue correction of such default or neglect, the Owner may, without prejudice to the other rights the Owner may have, correct such defaults or deficiencies by such means and in such manner, by contract with or without public letting, or otherwise as it may deem advisable, utilizing for such purpose without additional cost to the Owner such of the Contractor’s plant, materials, equipment, tools and supplies remaining on the Project Site, and also such Subcontractors as it may deem advisable and may take any or all of the following actions:

A. Have the defaulted Work performed by others;

B. Supplement the Contractor's work force;

C. Withhold payments due the Contractor and use such payments to satisfy any claims for moneys owed by the Contractor in connection with the Project, in accordance with any provisions of the Detailed Scope of Work or other Contract Documents;

D. Replace or repair any defective Work;

E. Notify the Surety of such default and make demand upon the Surety as may be applicable under the circumstances of the default, but Owner shall be under no obligation to notify the Surety;

F. Terminate the Contractor’s performance of the Contract.

21.5. The Contractor and its Sureties shall bear all costs associated with completing or correcting the Work, including without limitation, the cost of re-procuring, and any and all costs incurred in connection with the Owner’s exercise of any right upon default. Any costs incurred in connection with completing or correcting the Work shall be deducted from the amounts then or thereafter due the Contractor. In the event such amounts are not sufficient to cover the costs incurred in connection with completing or correcting the Work, the Contractor and its Surety shall pay to the Owner the amount of any deficiency.
21.6. **PARTIAL DEFAULT**: In the event the Owner declares the Contractor in default in accordance with the provisions of the Contract Documents with respect to a portion of the Work, the Contractor shall discontinue such portion of the Work declared in default, shall continue performing the remainder of the Work in strict conformity with the terms of the Contract and shall not hinder or interfere with any other contractor or persons whom the Owner may engage to complete the Work for which the Contractor was declared in default. The expense of such completion shall be paid by the Contractor and its Sureties as provided in the Contract Documents.

21.7. **DEATH OR INCOMPETENCE OF CONTRACTOR**: In the event of the death, dissolution or legal incompetence of a Contractor who shall be an individual or surviving member of a sole proprietor contracting firm, such death or adjudication of incompetence shall not terminate the Contract, but shall constitute a default hereunder to the effect provided in Paragraphs 21.1, 21.2, 21.3 and 21.4 hereof, and the estate of the Contractor and his sureties, if any, shall remain liable hereunder to the same extent as though the Contractor remained living. Notice of default, as provided in Paragraph 21.1 hereof, shall not be required to be given in the event of such death or adjudication of incompetence.
**PART 22   OWNER'S RIGHT TO TERMINATE FOR CONVENIENCE:**

Notwithstanding the rights of the Owner or defaults outlined above, the Owner shall have the right to terminate this Contract, in whole or in part, at its own convenience for any or no reason by giving seven (7) days prior written notice of termination for convenience to the Contractor. In such event, the Contractor shall be paid an amount equal to the lesser of: (1) the actual cost of any Work actually performed or in place and the actual cost of any labor, equipment or materials ordered in good faith which could not be canceled, less the salvage value thereof, plus 10%; or (2) the pro rata percentage of completion based upon the approved Schedule of Values, plus the actual cost of any labor, equipment or materials ordered in good faith which could not be canceled, less the salvage value thereof. Each subcontract shall contain a similar termination provision for the benefit of the Contractor and the Owner. The Contractor shall not be entitled to receive anticipated profits on unperformed portions of the Work. The Owner shall have the right to employ an independent accounting firm to verify any amounts claimed by the Contractor to be due under this Paragraph. The Owner shall have the right of audit (and Contractor shall have the obligations) stated in Paragraph 9.4, insofar as they pertain to amounts claimed to be due hereunder. In the event a termination by the Owner for default, in whole or in part, subsequently is determined to have been without sufficient justification, such termination shall be deemed a termination for convenience and the Contractor’s remedies shall be limited as provided in this Paragraph 22.
PART 23 MISCELLANEOUS SPECIAL CONDITIONS

23.1. LAYING OUT WORK: The Contractor shall, upon entering the Project Site for the purpose of commencing the Work, locate all general reference points and take all such action as is necessary to prevent their destruction; lay out the Work, except where otherwise required by the Detailed Scope of Work, and be responsible for all lines, elevations, measurements of buildings, grading, paving, utilities and other Work executed under the Contract. If benchmarks or other general reference points necessary for layout of the Work supplied by the Owner are impaired or destroyed by the Contractor, the Contractor shall be responsible at its cost to re-establish such bench marks or general reference points. The Contractor shall exercise proper and reasonable care in verifying figures specified on the Detailed Scope of Work or shown on the Drawings, if any, before laying out the Work and will be held responsible for any error resulting from its failure to exercise such care. The Contractor shall establish permanent benchmarks referenced to finish floor lines. Contractor shall employ a licensed surveyor who shall, after masonry corners have been set, certify on a drawing over its seal to the Owner that the building is located properly in relation to property lines and in accordance with the Detailed Scope of Work.

23.2. GOVERNING LAW: The Contract Documents shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia, without reference to conflict of laws principles. This Contract and the Work performed hereunder shall be governed in all respects by the laws of the Commonwealth of Virginia and the jurisdiction, forum, and venue for any litigation with respect thereto shall be in the Circuit Court for Arlington County, Virginia, and in no other court. In performing the Work under this Contract, the Contractor shall comply with applicable federal, state, and local laws, ordinances and regulations.

23.3. SUCCESSORS, ASSIGNS AND LEGAL REPRESENTATIVES: This Agreement shall not be assigned, sublet or transferred, in whole or in part, by operation of law or otherwise, by either of the parties hereto except with the prior written consent of the other. Owner shall be under no obligation to agree to any requested assignment, sublet or transfer. Owner will not consent to any requested assignment, sublet or transfer to any entity who was an unsuccessful bidder, who was deemed not to be qualified, or who was or is deemed not to be responsible. Unless specifically stated to the contrary in any written consent to an assignment, no assignment shall operate to release or discharge the assignor from any duty or responsibility under this Agreement.
