

October 17, 2017 Meeting

Other questions 10/17 meeting

Will the issue of families with kids going to Arlington Schools who don't live in Arlington be addressed during this boundary process

Capacity 10/17 meeting

What is Yotham's capacity?
Will the addition put YIS over capacity?

Criteria 10/17 meeting

Criteria

When will HPS start working
on the next strategic plan?

What specific process and

actions are taking place to

add 300 more seats to Yorktown?

Internal Renovation

Process ✓

✓
How are we
going to
do this?

Please define "proximity"
as a criterion for
boundary refinement.

A6 Reads: Will the outcome of the upcoming Bond vote for HB Woodlawn impact this process?

- Please define the "proximity" criterion - is this by "how the crow flies" or does it account for actual travel patterns, roads, traffic + available transportation options?

Other than the 6 criteria listed, what other considerations will staff + Board consider in making the decision?

How important are the 6 criteria compared to the other considerations?

How does APS

weight the different
criteria for boundary
refinement?
