

Maryam Elgindy, 3rd Place, 5th Grade, Arlington Traditional School

Martin Luther King, Jr.

M may our souls *die* the day we don't stand up for what's right
A a nation isn't united when there is *segregation*
R rage may fill our mind and our souls
T tonight we will have no violence
I interest in rights is what we have
N never will we have violence

L life is not a fairytale, there are hardships
U united we are not without rights
T tonight is the night to stand up for what's right
H here we are sitting when we could be standing
E evolve will our nation with rights for everyone
R rights are what we need to succeed

K King helped us take lead
I I am inspired by King's actions
N night after day we are treated wrong
G good actions go around

J justice is priority to us
R. rights are what we need to be a united nation
