Mathematics		Mixed Response	Three times per year	Multiple	1 hour
Mathematics Standards Of Learning Assessment	SOL	Virginia Department of Education (VDOE)	SOL tests in mathematics measure the success of students in meeting the Board of Education's expectations for learning and achievement. All items on SOL tests are reviewed by Virginia classroom teachers for accuracy and fairness and teachers also assist the state Board of Education in setting proficiency standards for the tests.	http://www.pen.k12.va.us/testing/index.shtml	Assess the performance of students on meeting the educational objectives approved by the Virginia Board of Education. These objectives are documented in the Virginia Standards of Learning. Teachers are asked to examine the data and reflect on student achievement. This examination and reflection influence instructional practice for subsequent years. While a score of 400 is passing, students who score below 425 on the SOL test receive remediation services.	Reading, math, history, science			Once per year	Spring	
Reading Inventory	RI	Houghton Mifflin Harcourt	The Reading Inventory is a research-based, adaptive assessment that measures reading skills and longitudinal progress from Kindergarten through college readiness. The Reading Inventory measures reading growth on the Lexile Framework for Reading — a scientifically proven tool that measures both a reader's ability and difficulty of the text at the same time.	http://www.hmhc.com/products/assessment-solutions/literacy/sri-index.htm	Inform instruction and make accurate placement recommendations	Reading comprehension	Reading Inventory provides an instructional oral reading level. It provides a range of reading levels at which a student may be able to read confidently with comprehension.		Three times per year	Multiple	1 hour
Reading Standards Of Learning Assessment	SOL	Virginia Department of Education (VDOE)	SOL tests in reading measure the success of students in meeting the Board of Education's expectations for learning and achievement. All items on SOL tests are reviewed by Virginia classroom teachers for accuracy and fairness and teachers also assist the state Board of Education in setting proficiency standards for the tests.	http://www.pen.k12.va.us/testing/index.shtml	Assess the performance of students on meeting the educational objectives approved by the Virginia Board of Education. These objectives are documented in the Virginia Standards of Learning. Teachers are asked to examine the data and reflect on student achievement. This examination and reflection influence instructional practice for subsequent years. While a score of 400 is passing, students who score below 425 on the SOL test receive remediation services.	Reading, Mathematics, History, Science	SOL Reading Scores measure the content taught in English Language Arts. Students must be able to read on or close to grade level in order to be successful on the Reading SOL which will assess a student's knowledge of standards (authors purpose, main idea, identification of supporting details, knowledge of genre etc.)	Selected Response	Once per year	Spring	2 hours
Social Studies Alternate Assessments		Arlington Public Schools (APS)	Alternate assessments are required to replace SOL tests which have been eliminated. The alternate assessments must be given for each reporting category in a subject area. Verification of the administration of these assessments must be collected at the district level.	https://www.apsva.us/social-studies/	Used to verify implementation of the Standards of Learning	Social Studies	The alternate SOL Social Studies Scores measure the content taught in Social Studies. The Social Studies SOL will assess a student's knowledge of Social studies content standards	Selected Response	Once per year	Spring	
WIDA-ACCESS Placement Test	W-APT	WIDA	It is an English language proficiency "screener" test given to incoming students who may be designated as English language learners. It assists educators with programmatic placement decisions such as identification and placement of ELLs.	https://www.wida.us/assessment/W-APT/	Assess English language proficiency, determine ELP levels, determine progress and proficiency, determine English as a Second Language program placement, and help make instructional decisions.	English
