Training & Technical Assistance

AIM-VA provides a wide variety of training and technical assistance topics with regard to accessible instructional materials. Topics have included but are not limited to:

- Accessible Instructional Materials
- School Divisions and Accessing AIM-VA
- AIM and the IEP
- Eligibility for Students and AIM-VA
- Becoming a Digital Rights Manager (DRM)
- Selecting AIM formats
- Hardware & Software for reading accessible instructional materials
- Ordering AIM for students
- Using AIM in the classroom

Training & Technical Assistance can be custom tailored to fit your specific needs. Make requests by calling the *AIM-VA HelpDesk* or by completing the form at:

<https://aimva.org/teachers/training-request>

Knowledge at Noon Webinars

Each week AIM-VA offers half-hour webinars on topics of interest to our Virginia educators, students, parents, and all who have interest in accessible instructional materials. Topics are offered as either stand-alone webinars or organized within a series.

Missed a webinar?

AIM-VA webinars are archived and can be viewed anytime at: <http://ow.ly/1b1s309RBDD>
