

<b>Survey Title: Input on Middle School Boundary Change Illustrative &amp; Draft Blended Maps</b>	
<b>Report Type: Verbatim</b>	<b>Language: All</b>
Start Date :4-Oct-17	
End Date :18-Oct-17	
Completed :1,253	

Q2(e). Please enter your thoughts below: Proximity

SR No.	Response No.	Response Text
1	4	Schools should be as walk-able as possible
2	6	We are within easy walking distance to Swanson.
3	8	minimizes bus time and community feel
4	9	Want my child attending a school that is near our home
5	12	Important for environmental reasons/future of our community
6	14	Walkers should always be able to walk
7	15	Please don't reap tight communities apart!
8	17	promote healthy habits through walking, and save \$ on busing
9	19	Assists in multiple ways: fostering indep,phys act, etc.
10	20	this is very important - need more room to write in this field
11	21	Saves money and time
12	22	It makes the most sense to have kids who can walk, walk
13	23	Let walkers walk!
14	30	Walk zones should be honored
15	31	Walkability is a crucial factor with a 7:30 start time.
16	32	ensure planning units that touch schools remain at school
17	36	Proximity to Immersion Middle School is very high on list
18	38	Immersion Middle School should be at Kenmore
19	39	Neighborhood schools provide continuity.
20	44	On the bus too long
21	45	MOST IMPORTANT We want our daughter to walk to school.
22	46	walkability is most important to me at ES and MS levels
23	49	Foster relationship between school & community is important.
24	51	Children in existing walk zones should stay
25	52	Walkability and safety.
26	55	Some degree of walkability is important
27	59	I place a lot of value on walkability
28	61	walkability, community, minimizing time on buses/commuting

29	63	We should be prioritizing neighborhood schools.
30	66	Proximity drives efficiency.
31	67	this one is most important to me
32	68	Please keep walking kids walking to their schools.
33	70	this feels like code for keeping economic segregation
34	73	Ideally those closest to a school will attend that school an
35	80	kids should be able to WALK to their NEAREST middle school
36	82	Walkability in the lower/middle schools.
37	83	Number two.
38	84	Second priority.
39	86	Maximize number of walkers and reduce pollution from buses
40	90	Maximize walkability
41	91	Anyone who lives near a school should be able to go there.
42	93	My kids can walk to their elem. & m.s. now
43	94	most important that MS are in center of boundary area
44	95	walking distance from home
45	99	Proximity trumps all other issues for us.
46	100	1 mile radius for walkers is crucial for physical and mental
47	105	Crossing highways
48	106	Do not move walkers!!!!
49	107	Students within walking distance should go to that school
50	110	#1 - kids should be able to walk to school and not be bussed
51	111	Students who can walk to a school should attend that school.
52	112	Busing students who can walk mocks Arlington car-free effort
53	113	Keep our schools walkable!
54	114	right now we are walking distance from Williamsburg.
55	115	My kids walk/bike to NES & WMS: LOVE IT!
56	116	Neighborhood schools are best
57	118	We are currently able to walk to Swanson -- creates comment
58	119	We can walk to Swanson
59	120	Community feel
60	123	Please do not bus my child when now she can walk to Wmbg.
61	125	1st-increases time in classroom. Top priority
62	127	Students should go to closest school, not cross major roads

63	128	walking is important for health and community cohesion
64	129	Walking to the school to increase physical exercise is impt.
65	132	Walk-able schools is a tremendous asset to the community.
66	133	Important criteria to our family
67	134	Insane wanting to bus students across county.
68	137	I want to be able to walk and do not want to be put on a bus
69	138	I wish for my children to be able to walk or ride their bike
70	139	Generally important but less than c and d.
71	140	Promote community, walk/bike Arlington, green, less traffic
72	141	Keep carbon footprint small by walking to school.
73	142	This seems to try to keep the sense of community.
74	144	Incredibly important
75	145	Students should be able to attend a neighborhood school
76	146	Don't bus kids out of their neighborhood school.
77	147	We should be promoting a fit and walkable community..
78	148	minimize commute time & maintain close neighborhood bonds
79	149	It's important to us that our child can walk to school.
80	150	Fosters green initiatives and student independence!
81	151	My child can walk to WMS.
82	152	This should be the starting point
83	153	With already early start time, should go to closest school
84	154	Walking is good
85	156	#1 -If you can walk to a school, that should be your school!
86	157	proximity aligns best with housing decisions
87	158	Students in walking distance of a school should not be moved
88	159	Most important factor to us- maintaining walkability
89	160	Children should go to the middle school closest to home.
90	161	Kids that can walk to school should go to that school.
91	162	#1 consideration - grows our kids connection & independence
92	163	We bought our homes to be close to our neighborhood schools
93	164	I value walkability.
94	165	Factor to consider
95	166	No walkers should be turned into a bus rider.
96	167	This is supposed to be a walkable community.
97	170	Children should attend the school to which they can walk.

98	176	Neighbors like to be together and go to schools near 'hood
99	179	Walkability
100	180	Having a school in walking distance is
101	183	Kids can learn a world that places greater value on walking.
102	184	Reasonable to balance demog with TRUE walkability
103	185	Walk/bike to school and consistent friends/ neighbors at MS
104	194	Invested in our home on assumption it would be near school
105	197	Proximity is by far the most important factor to our family.
106	203	This is our #1 priority. Safe walking distance to schools.
107	204	Neighborhood schools where our kids can walk.
108	205	close to home is so critical! more time with family!
109	206	kids should attend schools close to their homes
110	210	allows more walking less bus & traffic. safer walking street
111	211	1) Walkable Arlington s/b the #1 concern
112	212	Tied with Demographics as Most Important
113	218	Walkability is a key priority
114	221	Extremely important.
115	222	Moving N. ARL students to S. ARL schools is a non starter
116	225	Closer to the school allows increased involvement
117	226	We chose this neighborhood specifically for its schools.
118	227	Most Important
119	228	Would like to have the opportunity to walk to school.
120	231	We are three blocks from Swanson. A bus to Kenmore is ridiculous
121	236	The APS bus system is already a mess. Overcrowded, late etc
122	237	Let kids have neighborhood friendships
123	239	walkability is key to living in Arl and for schools
124	241	Ability to walk to school is irreplaceable.
125	243	Proximity to home (short bus ride or walking)
126	255	IMPORTANT TO BE IN WALK ZONE
127	256	Stop trying to diversify and start teaching
128	258	It is important to be able to walk to local school
129	259	more walkers saves money and helps make a neighborhood feel
130	260	If kids are within walking distance they should not be moved
131	261	walkable, community-based schools are the priority

132	262	Arlington is green---why would we increase bus use?
133	264	New boundaries should allow the most students to walk/bike.
134	265	if students can walk to school it should stay that way
135	266	promoting community schools is important to the county
136	267	Most important
137	269	I moved here so my kids could go to WMS
138	270	I've invested years here and my child should stay at WMS
139	271	Keep my child a walker.
140	272	I bought my house based on WMS. If I wanted KMS I would have
141	273	Live closer to WMS than SMS & KMS yet my child could go to 1
142	277	The most important one for us is proximity. We work long hours and barely have enough time in the day to get to events and after school pickup as it is. I can't stress enough the importance of not driving halfway across the County in rush hour to pick up my kids or get to an event or conference. We can't afford to jeopardize our jobs by being late to work constantly.
143	278	Why have walk zones if the kids get bused out? Proximity 1st
144	295	Independence for my child, time to feel connected and gathe
145	296	We need to encourage Encourage more walking/biking to school
146	301	Close to home, walkable
147	302	Walking should be encouraged
148	305	Proximity is CRITICAL as many kids walk to middle school
149	319	Walkability!
150	320	4
151	324	Easier to maintain friendships, minimize travel to school
152	326	Arlington values green and community-based schools
153	327	Walkers should remain walkers; don't converted to bus riders
154	330	promotes healthy lifestyle and school/life balance
155	331	#1 driver with A, B and D falling in line
156	333	This is paramount. Don't turn walkers into bus riders.
157	337	The nearest middles schools is quite some distance
158	339	Let kids walk to school
159	340	Kids should attend a school if they're in it's walk zone.
160	344	We lived very close to Swanson. He walks. Kenmore too far.

161	347	This is crucial.
162	349	If currently in a walkzone, do not move to a bus/non-walk zo
163	357	Important to be close to home
164	358	Most important is neighborhood schools
165	359	This is most important to my family.
166	363	Walk zones should be a priority
167	367	walkability, proximity to neighborhood
168	368	Retaining ability to walk to school should be a priority
169	369	Neighborhood schools are an anchor for strong communities.
170	370	Neighborhood schools are important
171	375	Very important to be close to school - fosters community
172	376	Swanson easier to ride by bicycle but williamsburg also fine
173	378	Walkability/bike factors
174	380	It students can walk to their school, keep it that way
175	381	Current walkers should not be bused to a school farther away
176	382	Kids should be near the schools that they attend.
177	384	I would like to not travel across the county.
178	385	Don't move kids who can walk to school to a school far away
179	386	Walking and neighborhoods together
180	387	Shouldn't be over a 30 minute bus ride for students
181	391	Don't contribute to traffic.
182	393	Walk to neighborhood middle school
183	394	If a student is within walking distance, they should
184	395	Important
185	396	Kids should be able to walk to school if at all possible.
186	398	2nd to Efficiency
187	399	I walked to school so why shouldn't this generation
188	400	ability to walk to closest school highly important
189	401	As with most folks I'll want to go to the school closest
190	404	kids that can should walk or bike!
191	408	second
192	413	Our current middle school assignment is 3+ miles from our ho
193	416	Kids should go to school in their neighborhood
194	419	Closest walkers should be at their neighborhood school.
195	421	Neighborhood school.

196	424	Start times are early - getting school quickly is important.
197	425	My daughters walk to school, and we would like to continue.
198	426	Keep the current walk zones
199	428	Elementary and middle schools should be neighborhood schools
200	431	Families within a 1.5 miles of a school should zone .
201	432	I do not want my kids bused to schools it ruins the schools
202	434	Physical proximity from child's house to school.
203	435	Need my kids to go in their community; not bused..
204	436	Teenagers need to walk in their communities not ride buses
205	437	Those that live close to the school should be able to attend
206	440	I love the idea that kids can walk or bike to school.
207	444	would like to be able to bike to school
208	445	children should be able to attend schools they can walk to
209	449	Less busing, more walking, yes!
210	451	My kids walk to school.. Do not bus them to other schools
211	452	Extreme importance
212	453	Students close enough to walk, should stay at close school
213	454	This is my number one priority
214	456	Ensure that students in walkable boundary get rezoned.
215	460	Keep walkers at closest school
216	462	we are walk/bike distance from WMS
217	465	As many students as possible should be able to walk
218	468	Convenience matters so kids are not on busses excessively.
219	469	I like my kids going to school with their neighbors
220	470	Walkability is my most important criterion.
221	472	walkability
222	473	Kids in the walk zone should go to that school. Please!
223	475	Arlington is a walkable community, schools included.
224	477	This is the most important criteria.
225	479	#1 When possible, kids should walk to neighborhood schools.
226	482	Keep walkers walking
227	484	Everyone within one mile of a middle school should be zoned.
228	488	Ideally, kids less than 1 mile to a school should be walkers
229	498	25
230	500	1a makes walkers into bus riders. Not acceptable

231	501	Bussing instead of walking makes no sense.
232	506	School walk zones are important and efficient
233	507	My children are currently 4 blocks from Swanson.
234	508	No child who can walk to one School should bus elsewhere
235	511	Promote walkability
236	512	want our children to walk to all schools
237	514	Please don't make kids commute across the county to school.
238	515	They should walk to school.
239	516	Strengthens community, safety, health, reduces traffic&pollu
240	517	Allow as many kids to walk as possible
241	518	Walkability=most important factor for us
242	525	demographic imbalance, better with island
243	526	Proximidad a la casa esmuy importante
244	527	Promote walkability
245	528	I enjoy that my kids can walk to elementary and middle schoo
246	530	Kids should walk to school, not bus, whenever possible
247	532	Walkability is an Arlington strength
248	533	Specifically moved to Dominion Hills so my kids could walk
249	534	Priority for walking to school.
250	536	Please keep our walkers in their walking school district.
251	537	Most important for a community school
252	541	Not too far!
253	542	Don't let people with nearby schools dictate choices for all
254	544	Every walk zone should go to the school that it can walk to
255	547	Most important.
256	548	Kids should be able to walk without crossing major roads
257	550	We are much closer to Swanson than Kenmore
258	551	We are walkers to Swanson now. One change would cross Lee Hw
259	552	Neighborhood-centric walkable schools essential.
260	553	making sure my kids are not on a bus more than 30 minutes
261	554	It makes no sense to bus walkers from one school to another!
262	555	Priority #1- meaningful for all communities and demographics
263	558	Most important.
264	559	Do NOT bus my child who lives up the street from the

		school
265	561	Probably most important
266	562	i want my child to be able to walk to school when possible.
267	563	I want my kids to go to the school closest to where we live
268	565	We want our children to walk to our neighborhood school
269	566	Ability for kids to walk to school or have a short bus ride
270	567	Arlington just had walk/bike to school...allow kids to cont
271	571	Walkers at current schools should remain walkers.
272	573	Neighborhood schools are what brought us to Arlington
273	575	At this age it's important to get to school quickly, easily
274	577	most important - helps child and parents
275	578	Going to middle school (Swanson) within walking distance
276	582	Not working. Proposed changes destroy all S Arlington school
277	584	Walkability is very important to a school's community
278	587	Kids should be able to go schools near them
279	589	We want our children to WALK to Swanson!!
280	590	Kids being able to actually walk to school trumps all else.
281	592	Kids should be able to WALK to school as much as possible.
282	593	Don't bus kids away from a walkable school!
283	599	Neighborhoods should not be split. Send all of TLH to Swans
284	600	My kids live .5 miles from Swanson and should walk to school
285	601	Keep walk zones- busing is too costly
286	602	Keep walkers in walking school zones.
287	603	Important to attend school closest to home.
288	609	This is environmentally friendly & helps working parents
289	611	Maximize walk zones
290	613	The kids that are in the walk zones should be at that school
291	615	walkability should be more than 50%
292	616	Decrease the need for school busses
293	617	Having a school that is walkable/bikable
294	622	Not as important. This is a small community for buses.
295	623	Extremely important
296	624	walk ability and closest proximity to home is paramount
297	626	Most important
298	629	keep students at schools they can walk to
299	632	neighborhood school offers SO MUCH more than is being

		discus
300	633	I want my kids to be able to go to the closest schools
301	637	Most important.
302	640	Don't mess with middle school within walking distance,
303	642	Most important
304	645	The single most important factor to my family
305	656	When kids live close enough to walk, assign to that school
306	657	We would live w/in walking distance
307	665	Protecting 1 mile walking radius seems fair.
308	672	No middle school should be under 50% proximity in Arlington
309	673	We bought the house to be next to the school so that kids d
310	676	Proximity should be the top priority. This is a no-brainer.
311	689	By far the most important consideration.
312	690	Prox. is most important. Allows walking to school/activities
313	691	We live within walking distance of our neighborhood school.
314	693	Where possible, kids should be able to walk to school
315	698	Kids should go to school closest to them, increasing walkers
316	699	Keep 1.5 walk zone for all MS no more buses/congestion
317	706	We currently walk to all three of our slated schools
318	707	The place I moved to is near the schools I wanted for my kid
319	710	don't move walkers to other schools
320	712	Moving kids who can walk to Swanson is absurd.
321	714	Moving kids around to satisfy a stat is crazy.
322	716	WMS is our walking school and should stay so.
323	718	This is everything! It builds neighborhood communities!
324	719	Neighborhood schools are the most important to me.
325	720	I want my kids to be able to walk to school above all else
326	722	Prioritize health and social benefits of walking to school
327	723	extremely important. Nottingham should stay at WMS
328	725	No to 1B or 1F
329	728	keep kids in their neighborhood school; walking to/from
330	729	This is important;
331	731	Having a school for my child being farther away across LeeHY
332	738	Sending students to a walkable school is a top priority.
333	739	Map 1B is a very bad idea.
334	740	would rather have child walking on BJ Trail than on CS/50.

335	741	Children who live within 1.5 miles of a school shouldn't mov
336	742	Proximity is most important.
337	743	Proximity is most important
338	744	Location location location
339	745	Walkability is important to us.
340	747	not sure why clarendon area goes to Williamsburg, too far
341	748	dont but people that walk to a current middle school
342	750	I would love for the kids to be able to walk to school.
343	752	permits walking and fewer buses which have been an issue
344	753	Maximizing walking zones is important
345	754	Specifically walking from Dominion Hills to Swanson.
346	756	We want our kids to be able to walk to school.
347	758	I want to send my son to the closest school to our home
348	759	No busses needed.
349	763	invested in neighborhood where our kids can walk to school
350	764	close-in walkers should remain walkers
351	765	To be close & have our neighbors at the same school
352	767	Boundaries should maximize walking zones for each M.S..
353	768	Keep students as close to home as possible.
354	770	Not a long commute in the morning for the kids
355	771	No long bus rides to and from schools
356	774	Walking to school is ideal. Keep walkers where they are!
357	775	Walking is better for students health, road congestion & environment
358	776	Proximity & alignment 2nd two priorities after demo & stabil
359	777	Please do not move children in walk zones to other schools.
360	778	Please let as many student as possible walk to school.
361	779	it fosters independence for kids to be able to walk
362	780	Very much against busing children from their neighborhood.
363	781	Walk zones are a must = healthy lifestyle, less traffic, etc
364	783	Students less than 1/2mi from a school shouldn't be moved.
365	786	walkability to schools is critical
366	788	Walking/biking to MS is 1) cheaper for APS (fewer buses)
367	789	We can't afford new busing costs
368	791	increase the walkers and cut down on transportation needs
369	792	See below

370	793	Key. Sense of community.
371	794	Being able to walk or bike is so important!!
372	797	Building a community with a close neighborhood school is imp
373	803	limited format. And only 100 characters allowed in bottom
374	804	current walkers should remain walkers
375	805	Do not make walkers into bus riders.
376	808	Walking to school is essential.
377	810	Walkability!
378	811	#1 priority - walkability!
379	814	Important to maximize students that can walk to school
380	815	Builds neighborhood community, less traffic, less cost.
381	816	never move walkers to a new school requiring to be bused.
382	817	We bought our house explicitly so kids could walk to schools
383	818	Preserve ability to walk for as many students as possible
384	819	travel time: location of school in relation to Metro & home
385	820	Children should remain walking distance to their school
386	821	Kids should remain walking distance to their schools
387	824	We believe neighborhood schools are important to development
388	825	Neighborhood school promote walking not riding buses/traffic
389	827	If walkable school exists, we want to go there
390	832	We can walk to school. Do not bus my child/not efficient.
391	834	It is important to keep walkable neighborhood schools
392	835	walkers shoud, remain walkers
393	836	Walk/bike to Swanson promotes health, independence, communit
394	837	Walk/bike to Swanson promotes health, independence,community
395	838	School should be as walkable as possible.
396	839	Walkability, neighborhood cohesion, buses already unreliable
397	840	Don't bus kids who are 1 mi or less from school
398	841	Diversity is not a factor for my family.
399	842	Middle School kids should be walking as much as possible.
400	843	It is important walkable school for health lifes
401	844	walkability should be a prime consideration
402	845	walking to school

403	846	It doesn't make sense to bus walkers to a farther school.
404	847	Most important!APS transport. doesn't have capability 2 bus
405	849	Kids should go to the MS that is closest/easiest to reach.
406	850	I want my child to walk to school, not bus to school.
407	851	#1 criteria - Important for kids & families.
408	853	Students who can walk should be able to walk!
409	856	Keep walkers with their neighborhood school
410	857	let kids who can walk to a school continue there
411	859	Most important! Children should walk/bike whenever possible
412	861	Need to manage transportation costs
413	864	High walker % is most valuable to family/community.
414	865	Keep my child in walk zone for Swanson.
415	867	Keep walkers when possible; all busing consider demographics
416	868	Kids should walk to school, not take a bus.
417	869	Kids should be able to walk/bike to school. It is important
418	871	Most critical
419	876	Important. Bussing is disaster due to costs and travel time
420	877	Plan 1F does as well as any plan except for Plan 1D.
421	878	Plan 1F does as well as any plan except for Plan 1D.
422	879	Walkability MUST be over 50% !!!!!!!!!
423	880	Arlington tries to be a walkable community
424	881	Students should be able to walk and bike to their school.
425	892	Walkability % is important.
426	893	Maximize the # of walkers to decrease cost + increase community
427	895	Lee Highway should be a key boundary.
428	896	walking to school at all levels is ideal - omg this so short
429	897	Kids within walkzone of middle school should not be bussed
430	900	Walkability, environmental concerns, community cohesiveness
431	901	No child living walking distance to a MS should be bused.
432	902	Keep everyone within 1.5 mile walk zones walking!
433	904	Walkable by students
434	905	Students should not be forced to be bused when they can walk
435	906	Keep them close so they are part of their own community

436	907	Los niños deben asistir a la escuela más cercana.
437	908	proximity is CRITICAL to bike and walk to school
438	909	I'd like to keep my children close to their community.
439	911	Maximize walkers/bikers.
440	912	Healthier, less costly, friendlier to enviro to let kids walk
441	913	Walking vs. bus
442	914	A community is built around the school. Less fossil fuels.
443	915	Most importantly: Walkability! Good for bonding, health, env
444	917	Keep walking to school a priority
445	918	This is the most important. Kids in walk zones should walk.
446	919	adjacent pu's to schools w/ safe walk zone should never move
447	920	Siendo una madre sola y que trabaja la proximidad es clave.
448	922	Important
449	923	proximity #1 = community, walk to school, less cars on road
450	924	House and school should be close.
451	926	This is the single most important factor for us.
452	927	Closeness to students' homes
453	928	Keep Madison Manor kids walking to Swanson!
454	929	Please don't turn walkers into bus riders
455	937	neighbors should be able to walk to neighborhood schools
456	938	With regular busing issues, walking is paramount.
457	940	This is most important in creating and keeping a community
458	942	Let kids attend schools they can walk to
459	943	This is number 1 priority
460	947	Relevant to maximize walkers.
461	950	planning units within a mile of the school are priority
462	958	Most families try to buy homes close to good schools.
463	960	Walkability
464	963	The students should not need to be bused from a stand islan
465	968	My Madison Manor kids walk to Swanson. Let them walk please!
466	970	whenever possible students should be able to walk to school.
467	972	We already have a bus transportation problem.
468	973	We love the sense of community from neighborhood schools
469	979	Walkability is key to community and the environment

470	980	Those who can walk, should. When busing, address demos.
471	983	This is the most important factor.
472	984	Proximity important for access by busy parents/safety.
473	985	Less than a mile from school, don't want to be bused away
474	992	Want to remain walkers to Swanson
475	1,003	Neighborhood cohesion and walkability are important
476	1,005	Walk to Swanson!
477	1,006	This is our highest concern.
478	1,008	15 minute walk to 35 minute bus ride is ridiculous.
479	1,009	STRONGLY opposed to busing MMCA & DH students to Kenmore.
480	1,010	Keep MMCA & DH students at Swanson.
481	1,013	Save costs by less transportation expenses.
482	1,014	Kids should be able to walk to neighborhood schools.
483	1,015	keep walkers!
484	1,016	Walkers should not be moved & become bus riders.
485	1,019	#1 consideration
486	1,020	Being able to walk and bike to school is very important
487	1,023	Walkable is important
488	1,026	Walking to school
489	1,027	Keep walkers as walkers
490	1,028	I think this is the most important criteria.
491	1,032	Would like to walk to Swanson instead of bussing to Kenmore
492	1,033	walking distance children should be retained at schools
493	1,034	Walking distance neighborhoods should not be made to bus.
494	1,036	We are one mile from Swanson and do not want to be moved out
495	1,037	Everyone is close to school. This isn't FFX.
496	1,039	Let's promote walking to school!
497	1,040	Kids should be able to walk, less bus transportation.
498	1,041	Kids should walk
499	1,045	travel to schools should be minimal; support after school
500	1,046	Walkability promotes independence and exercise,
501	1,047	Making walkers take a bus makes no sense
502	1,048	Walkers should remain walkers
503	1,049	#1 Neighborhood schools are one of APSVA's greatest strength
504	1,051	Walkers should remain walkers.

505	1,052	ALL current Middle School walkers should STAY walkers!
506	1,058	Walking is most important. Don't bus my babies.
507	1,064	100
508	1,065	Children in walking distance to middle school should stay
509	1,066	Consider bus times; unfair to treat bus riders as unattached
510	1,069	Walkability is why we chose to raise children in Arlington.
511	1,070	If you can walk, don't bus
512	1,074	Many reasons for this stemming from the increasingly urban
513	1,075	walking to school
514	1,076	Strongly believe that walkers should remain with local MS
515	1,081	Walkability! Saves \$ & good for health and community
516	1,083	Promote the benefits of walking to school and being car free
517	1,085	Keep Arl, the award-winning walkable community it is!
518	1,086	we bought to be close to school & not bus
519	1,087	Kids walking to school is affordable for ALL
520	1,090	VERY opposed to plan 1H - destroys walk zones.
521	1,091	Kids should go to and walk to the school they are closest to
522	1,093	Walkability is highest factor
523	1,097	Hugely important
524	1,099	I prefer to keep my child at a middle school that is walkabl
525	1,100	avoid Williamsburg island
526	1,101	Students should be able to walk/bike to school.
527	1,102	A school my child can walk to fosters independence.
528	1,103	Walkable schools vital 4 health, community, & traffic calm.
529	1,104	Teach kids near home, maximum walking, minimum traffic.
530	1,105	Teach kids near home, maximum walking, minimum traffic.
531	1,109	plan 1C is the best for everyone
532	1,112	Walkability is important, but not at the expense of diversit
533	1,118	The most important factor. Families connect w close schools.
534	1,122	if you want a sense of community, then proximity wins Radius
535	1,123	Focusing on walkability is green and saves \$ on buses
536	1,124	Proximity should be most important
537	1,125	very important to me
538	1,126	Crossing two orange roads walking is unsafe. 17050 s/stay W
539	1,132	Yes, a very important consideration

540	1,134	limit # of students bussed to TJ. too much already w Fleet Elem
541	1,136	critical to us as parents of walkers to swanson
542	1,144	important that the school is close to home
543	1,145	Kids walking is much better than sitting on polluting buses.
544	1,147	proximity needs to be an important factor.
545	1,149	Most Important
546	1,151	Preserve walkable MS neighborhoods.
547	1,155	Boundaries should ensure walking distances stay in range.
548	1,156	Goal at least 52% walk zone, whole child. 1H doesn't do that
549	1,157	walk to closer school not ride bus to one farther away
550	1,159	4 of 6 options are Against relocating WMS kids under 1 mile
551	1,160	Don't make walkers from a school into bus riders at another
552	1,162	Solution optimizes non-carbon-based solutions (walk/bike).
553	1,164	Current walkers should not be moved
554	1,165	walk if under 1 mile
555	1,166	Walking to school
556	1,167	Arlington supports walkability. It is a core community value
557	1,168	walkable county should have walkable schools.
558	1,169	Proximity is important - community & school relationship
559	1,170	Yes yes yes yes
560	1,173	SO IMPORTANT! Why we buy our houses.
561	1,206	Walkability more important. Child could not walk/bike to HB
562	1,209	Respect those within walking distance
563	1,211	I want my children in school w/ peers near them.
564	1,213	Maximize the number of students that can walk to each school
565	1,214	We're within walking distance to SMS & want to keep walking!
566	1,217	ppl choose to buy homes partly based on school proximity
567	1,218	don't take walker and make them ride the bus
568	1,221	key. walkability, ease of pick up, and minimal bus time
569	1,222	Walkability and proximity should be the ONLY factors
570	1,223	Very important
571	1,224	My mom is her 70's and CANNOT drive & she cares for the kids
572	1,228	Walkability matters a lot!
573	1,230	Send students to a school that's closest to where they live
574	1,232	Walkability is critical.

575	1,234	APS must support sustainable living -walk/bike to school.
576	1,235	Students should have ability to walk/bike to school
577	1,236	Builds community, reduces traffic, good environmentally
578	1,237	Green sustainable lifestyle means no bussing.
579	1,238	Walking to school is way better than riding a bus!
580	1,239	Known negative impact of early rising on achievement
581	1,240	Neighborhood connections = strong supportive school communit
582	1,241	By far the most important, especially to maintain community
583	1,242	Walkability should be highest consideration.
584	1,246	Longer walks/bus rides = less sleep for kids
585	1,247	Madison Manor walks to Swanson MS & should continue to walk.
586	1,248	W/O Williamsburg island. Make walkable
587	1,249	Being close to our school is important.
588	1,251	Walk zones are the starting point, supercede other factors
589	1,252	Don't bus when kids can walk to a closer school!!!!!!!!!!
