I. INTRODUCTION TO RFP 31FY18

A. BACKGROUND
The ESOL/HILT Office oversees the English language services provided to English learners (ELs). There are over 9,000 students in APS who come from a home with a language other than, or in addition to, English. That is about 35% of the total student population. The most common languages spoken by these families are Spanish, Arabic, Amharic, Bengali and Mongolian. Nearly 5,000 (~19% of the total student population) of the students qualify to receive ESOL/HILT services. The students are simultaneously acquiring the English language and learning their grade level content. At the elementary level this takes place in a collaborative teaching model, as well as some pull out instruction. At the secondary level this takes place with some self-contained content and language classes, as well as some co-taught courses. The ESOL/HILT services are provided in order to help students acquire English in order to graduate and pursue post-secondary and career opportunities.

The ESOL/HILT Office provides a variety of roles and services for schools. Below is a list of some of those:
1) Working with teachers, administrators, staff and families to provide needed English language support while students develop their English proficiency and build academic successes.
2) Creating, revising, assessing, enhancing and implementing instructional programs for English learners at all elementary, middle, comprehensive and alternative high schools.
3) Using data to make informed decisions on instructional programs.
4) Providing specific professional learning opportunities to support schools and benefit English learners.
5) Monitoring instructional programs via classroom visits, walkthroughs, data collection and data analysis.
6) Remaining current in research findings to maintain a high level of expectation and success for English learners.
7) Building positive working relationships with offices and departments in APS to collaborate and meet the needs of English learners and their families.
8) Increasing family and community engagement in English learners’ education through ongoing family outreach, interpretation and provision of relevant parent workshop sessions by Bilingual Family Resource Assistants.
9) Facilitating the educational growth of English learners identified with a disability by providing direct service, co-teaching, coaching teachers, and monitoring progress through work of our HILT Resource Teachers.
10) Teaching English learners to cope and manage feelings brought about by trauma, loss, acculturation, assimilation and family reunification through HILT Resource Counselor support.

B. GENERAL INFORMATION:
APS is soliciting proposals from qualified offerors to enter into a term contract for consulting services to evaluate the APS ESOL/HILT program (English for Speakers of Other Languages/High Intensity Language Training). An evaluation was last completed in September 2012 and is available at this link:

Through a separate RFP process, APS is also currently seeking a vendor to evaluate APS services for students with special needs (i.e. students receiving services through special education, 504, multi-tiered system of support, and/or intervention assistance teams). Vendors are invited to respond to both RFPs if their expertise aligns with both areas. If a vendor responds to just one of the RFPs, this will not exclude them from consideration. Our goal is to find the best qualified vendor for each evaluation.

C. OFFERORS MINIMUM QUALIFICATIONS/EXPERIENCE
The following requirements must be met or exceeded in order for consideration of a Proposal for an award:

1) Minimum three years’ experience providing Evaluation of Services for ESOL-HILT Students to public schools

RFP 31FY18
Page 7 of 48
2) Offerors must submit sufficient information to document their demonstrated knowledge of diverse populations and resulting needs (students, families and staff) and familiarity with culturally responsive practices. Ability to include Spanish and additional language speakers throughout the process.
3) Demonstrated expertise in English learner education
4) Offerors must submit two (2) examples of completed studies with a similar scope, as well as references from those organizations.
II. SCOPE OF SERVICES

Arlington Public Schools (APS) is soliciting Proposals from qualified Offerors for the provision of Evaluation of APS Services for English for Speakers of Other Languages / High Intensity Language Training (ESOL-HILT) Students (the Work). The report will summarize findings and identify recommendations for improvement, and will specifically address the evaluation questions listed below. The Contractor shall be responsible for providing the Evaluation of APS Services for ESOL-HILT Students (the “Work”).

Available funding for the Work is defined as $200,000 in total.

The Contractor shall evaluate implementation and outcomes of programs and services for current and former English learners in Arlington Public Schools.

APS and the Contractor will collaborate through summer 2018 to establish the evaluation plan. Data collection and analysis will occur during the 2018-19 school year. A final report with recommendations will be presented to the School Board in the fall of 2019.

The final delivery dates for these tasks will be determined as part of the negotiations process.

The Contractor will propose a data collection and analysis plan for the evaluation. APS staff in the Planning & Evaluation and ESOL/HILT Offices will support data collection by

- Providing available data through the Student Information System (e.g. test scores, discipline, enrollment, etc.)
- Assisting in the coordination of logistics for data collection such as surveys, focus groups, document reviews, etc.

The Contractor shall propose a process of regular check-ins with staff and citizen groups throughout the evaluation process. The final decisions of regularly scheduled meetings with staff will be determined as part of the negotiation process.

The evaluation will answer questions listed in the table below while generally addressing progress made since the previous program evaluation.

a. Pay the subcontractor for the proportionate share of the total payment received from APS attributable to the work performed by the subcontractor under this Contract; or

b. Notify APS and the subcontractor, in writing, of the Contractor's intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.

The Contractor is obligated to pay interest to the subcontractor on all amounts owed by the Contractor that remain unpaid after seven (7) calendar days following receipt by the Contractor of payment from APS for work performed by the subcontractor under this Contract, except for amounts withheld as allowed in b., above. Unless otherwise provided under the terms of this Contract, interest shall accrue at the rate of one percent (1%) per month.

The Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

The Contractor's obligation to pay an interest charge to a subcontractor pursuant to the above provisions may not be construed to be an obligation of APS. A Contract modification may not be made for the purpose of providing reimbursement for such interest charge. A cost reimbursement claim may not include any amount for reimbursement for such interest charge.
15. **NON-APPROPRIATION***

All funds for payments by APS under this Contract are subject to the availability of an annual appropriation for this purpose by APS School Board. In the event of non-appropriation of funds by APS School Board for the goods or services provided under this Contract or substitutes for such goods or services which are as advanced or more advanced in their technology, APS will terminate the Contract, without termination charge or other liability to APS, on the last day of the then current fiscal year or when the appropriation made for the then current year for the services covered by this Contract is spent, whichever event occurs first. If funds are not appropriated at any time for the continuation of this Contract, cancellation will be accepted by the Contractor on thirty (30) calendar days prior written notice, but failure to give such notice shall be of no effect and APS shall not be obligated under this Contract beyond the date of termination specified in APS’s written notice.

16. **APS PURCHASE ORDER REQUIREMENT***

APS purchases are authorized only if an APS Purchase Order is issued in advance of the transaction, indicating that the ordering school or department has sufficient funds available to pay for the purchase. Such a Purchase Order is to be provided to the Contractor by the order agency. APS will not be liable for payment for any purchases made by its employees without appropriate purchase authorization issued by APS Purchasing Agent. Contractors providing goods or services without a signed APS Purchase Order do so at their own risk and expense.

17. **REPLACEMENT OR AUGMENTATION OF KEY PERSONNEL AND SUBCONTRACTORS***

The key personnel and sub-contractors submitted by the Contractor in its Proposal and thereafter accepted by APS are considered essential to the Contractor’s qualifications. The Contractor may not replace, substitute or augment any key personnel or sub-contractor without prior written approval of APS. A request to replace or substitute any key personnel or subcontractor for any reason, shall be provided to the APS Project Officer at least fifteen (15) calendar days in advance of such proposed replacement or substitution and the request shall contain sufficient justification, including identification of the proposed replacement or substitute and their qualifications, in sufficient detail to permit evaluation by APS.

Additionally, the Contractor shall not remove or replace the approved Project Manager without written approval of APS. In cases of the approved Project Manager’s prolonged illness or other extended leave of absence, Contractor shall provide an interim Project Manager whose continued work on the project shall be subject to approval by APS.

In the event of the Project Manager’s resignation or termination from the Contractor’s employment, the Contractor shall replace the Project Manager with an individual with similar qualifications and experience and only with APS’ prior written approval.

18. **PROJECT STAFF***

APS has the right of reasonable rejection and approval of staff or subcontractors assigned to the project by the Contractor. If APS reasonably rejects staff or subcontractors, the Contractor must provide replacement staff or subcontractors satisfactory to APS in a timely manner and at no additional cost to APS. The day-to-day supervision and control of the Contractor's employees, and employees of any of its subcontractors, shall be the sole responsibility of the Contractor.

19. **SUPERVISION BY CONTRACTOR***

The Contractor shall at all times enforce strict discipline and good order among the workers performing under this Contract, and shall only employ on the work persons reasonably proficient in the work assigned.

20. **EMPLOYMENT DISCRIMINATION BY CONTRACTOR PROHIBITED***

During the performance of this Contract, the Contractor agrees as follows:

A. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability or any other basis prohibited by state law related to discrimination in employment except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places,
available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

B. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an Equal Opportunity Employer.

C. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

D. The Contractor will comply with the provisions of the Americans with Disabilities Act of 1990 which prohibits discrimination against individuals with disabilities in employment and mandates their full participation in both publicly and privately provided services and activities.

E. The Contractor will include the provisions of the foregoing paragraphs in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontract or vendor.

21. EMPLOYMENT OF UNAUTHORIZED ALIENS PROHIBITED*
In accordance with §2.2-4311.1 of the Virginia Code, the Contractor acknowledges that it does not, and shall not during the performance of this Contract for goods and/or services in the Commonwealth, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.

22. DRUG-FREE WORKPLACE TO BE MAINTAINED BY CONTRACTOR*
During the performance of the work pursuant to this Contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a Contractor by APS in accordance with the APS Purchasing Resolution, the employees of which Contractor are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

23. TERMINATION FOR CAUSE, INCLUDING BREACH AND DEFAULT; CURE
The Contract shall remain in force for the Initial Contract Term or any Subsequent Contract Term(s) and until APS determines that all of the following requirements and conditions have been satisfactorily met: APS has accepted the Work, and thereafter until the Contractor has met all requirements and conditions relating to the Work under the Contract Documents, including warranty and guarantee periods. However, APS shall have the right to terminate this Contract sooner if the Contractor is in breach or default or has failed to perform satisfactorily the Work required, as determined by APS in its discretion.

If APS determines that the Contractor has failed to perform satisfactorily, then APS will give the Contractor written notice of such failure(s) and the opportunity to cure such failure(s) within at least fifteen (15) days before termination of the Contract takes effect ("Cure Period"). If the Contractor fails to cure within the Cure Period or as otherwise specified in the notice, the Contract may be terminated for the Contractor’s failure to provide satisfactory Contract performance. Upon such termination, the Contractor may apply for compensation for Contract services satisfactorily performed by the Contractor, allocable to the Contract and accepted by APS prior to such termination unless otherwise barred by the Contract ("Termination Costs"). In order to be considered, such request for Termination Costs, with all supporting documentation, must be submitted to APS Project Officer within fifteen (15) calendar days after the expiration of the Cure Period. APS may accept or reject, in
whole or in part, the application for Termination Costs and notify the Contractor of same within a reasonable
time thereafter.

If APS terminates the Contract for default or breach of any Contract provision or condition, then the termination
shall be immediate after notice from APS to the Contractor (unless APS in its discretion provides for an
opportunity to cure) and the Contractor shall not be permitted to seek Termination Costs.

Upon any termination pursuant to this section, the Contractor shall be liable to APS for all costs incurred by
APS after the effective date of termination, including costs required to be expended by APS to complete the
Work covered by the Contract, including costs of delay in completing the Work or the cost of repairing or
correcting any unsatisfactory or non-compliant work performed or provided by the Contractor or its
subcontractors. Such costs shall be either deducted from any amount due the Contractor or shall be promptly
paid by the Contractor to APS upon demand by APS. Additionally, and notwithstanding any provision in this
Contract to the contrary, the Contractor is liable to APS, and APS shall be entitled to recover, all damages to
which APS is entitled by this Contract or by law, including, and without limitation, direct damages, indirect
damages, consequential damages, delay damages, replacement costs, refund of all sums paid by APS to the
Contractor under the Contract and all attorney fees and costs incurred by APS to enforce any provision of this
Contract.

Except as otherwise directed by APS in the notice, the Contractor shall stop work on the date of receipt of notice
of the termination or other date specified in the notice, place no further orders or subcontracts for materials,
services, or facilities except as are necessary for the completion of such portion of the Work not terminated, and
terminate all vendors and subcontracts and settle all outstanding liabilities and claims. Any purchases after the
date of termination contained in the notice shall be the sole responsibility of the Contractor.

In the event any termination for cause, default, or breach shall be found to be improper or invalid by any court
of competent jurisdiction then such termination shall be deemed to have been a termination for convenience.

24. TERMINATION FOR THE CONVENIENCE OF APS

The performance of work under this Contract may be terminated by the Purchasing Agent in whole or in part
whenever the Purchasing Agent shall determine that such termination is in APS’ best interest. Any such
termination shall be effected by the delivery to the Contractor of a written notice of termination at least fifteen
(15) calendar days before the date of termination, specifying the extent to which performance of the work under
this Contract is terminated and the date upon which such termination becomes effective. The Contractor will be
entitled to receive compensation for all Contract services satisfactorily performed by the Contractor and allocable
to the Contract and accepted by APS prior to such termination and any other termination costs as negotiated by
the parties, but no amount shall be allowed for anticipatory profits.

After receipt of a notice of termination and except as otherwise directed, the Contractor shall stop all work on the
date of receipt of the notice of termination or other date specified in the notice; place no further orders or
subcontracts for materials, services or facilities except as are necessary for the completion of such portion of the
work not terminated; immediately transfer all documentation and paperwork for terminated work to APS; and
terminate all vendors and subcontracts and settle all outstanding liabilities and claims.

25. INDEMNIFICATION* (NOTE: Virginia does not permit the indemnification of others; cross indemnity
provisions are not acceptable). The Contractor covenants for itself, its employees, and subcontractor to save,
defend, hold harmless, and indemnify APS, and all of their elected and appointed officials, officers, current and
former employees, agents, departments, agencies, boards, and commissions (collectively the "APS" for purposes
of this section) from and against any and all claims made by third parties or by APS for any and all losses,
damages, injuries, fines, penalties, costs (including court costs and attorney's fees), charges, liability, demands or
exposure, however caused, resulting from, arising out of, or in any way connected with the Contractor's acts or
omissions or errors in performance or nonperformance of its work called for by the Contract Documents, whether
such act or omission or error is attributable to Contractor, subcontractor, any material supplier, or anyone directly
or indirectly employed by them, called for by the Contract Documents. This duty to save, defend, hold harmless
and indemnify shall survive the termination of this Contract.

RFP 31FY18
Page 28 of 48
If any action or proceeding relating to the indemnification required by this Section is brought against APS, then upon written notice from APS to the Contractor, Contractor shall at Contractor’s expense, resist or defend such action or proceeding by counsel approved by APS in writing, such approval not to be unreasonably withheld, but no approval of counsel shall be required where the cause of action is resisted or defended by counsel of any insurance carrier obligated to resist or defend same.

If, after Notice by APS, the Contractor fails or refuses to save, defend, hold harmless and/or indemnify APS, the Contractor shall be liable for and reimburse APS for any and all expenses, including but not limited to, reasonable attorney’s fees incurred and settlements or payments made. The Contractor shall pay such expenses upon demand by APS and failure to do so may result in such amounts being withheld from any amounts due to Contractor under this Contract.

Contractor understands and agrees that it is Contractor’s responsibility to provide indemnification to APS pursuant to this section. The provision of insurance, while anticipated to provide a funding source for this indemnification, is in addition to any indemnification requirements and the failure of Contractor’s insurance to fully fund any indemnification shall not relieve the Contractor of any obligation assumed under this indemnification.

26. INTELLECTUAL PROPERTY INDEMNIFICATION*

The Contractor warrants and guarantees that no intellectual property rights (including, but not limited to, copyright, patent, mask rights and trademark) of third parties are infringed or in any manner involved in or related to the services provided hereunder.

The Contractor further covenants for itself, its employees, and subcontractors to save, defend, hold harmless, and indemnify APS, and all of its officers, officials, departments, agencies, agents, and employees from and against any and all claims, losses, damages, injuries, fines, penalties, costs (including court costs and attorney's fees), charges, liability, or exposure, however caused, for or on account of any trademark, copyright, patented or unpatented invention, process, or article manufactured or used in the performance of this Contract, including its use by APS. If the Contractor, or any of its employees or subcontractors, uses any design, device, work, or materials covered by letters patent or copyright, it is mutually agreed and understood, without exception, that the Contract Amount includes all royalties, licensing fees, and any other costs arising from the use of such design, device, work, or materials in any way involved with the Work. This duty to save, defend, hold harmless and indemnify shall survive the termination of this Contract. If, after Notice by APS, the Contractor fails or refuses to fulfill its obligations contained in this section, the Contractor shall be liable for and reimburse APS for any and all expenses, including but not limited to, reasonable attorney’s fees incurred and any settlements or payments made. The Contractor shall pay such expenses upon demand by APS and failure to do so may result in such amounts being withheld from any amounts due to Contractor under this Contract.

27. COPYRIGHT

The Contractor hereby irrevocably transfers, assigns, sets over and conveys to APS all right, title and interest, including the sole exclusive and complete copyright interest, in any and all copyrightable works created pursuant to this Agreement. The Contractor further agrees to execute such documents as APS may request to affect such transfer or assignment.

Further, the Contractor agrees that the rights granted to APS by this paragraph are irrevocable. Notwithstanding anything else in this Agreement, the Contractor's remedy in the event of termination of or dispute over the terms of this Agreement shall not include any right to rescind, terminate or otherwise revoke or invalidate in any way the rights conferred pursuant to the provisions of this paragraph. Similarly, no termination of this Agreement shall have the effect of rescinding, terminating or otherwise invalidating the rights acquired pursuant to the provisions of this "Copyright" paragraph.

The use of subcontractors or third parties in developing or creating input into any copyrightable materials produced as a part of this Agreement is prohibited unless APS approves the use of such subcontractors or third parties in advance and such subcontractors or third parties agree to include the provisions of this paragraph as part of any contract they enter into with the Contractor for work related to work pursuant to this Agreement.
28. OWNERSHIP AND RETURN OF RECORDS
This Contract confers no ownership rights to the Contractor nor any rights or interests to use or disclose APS’ data or inputs.

The Contractor agrees that all drawings, specifications, blueprints, data, information, findings, memoranda, correspondence, documents or records of any type, whether written or oral or electronic, and all documents generated by the Contractor or its subcontractors as a result of APS’ request for services under this Contract, are the exclusive property of APS (“Record” or “Records”), and all such Records shall be provided to and/or returned to APS upon completion, termination, or cancellation of this Contract. The Contractor shall not use, willingly allow, or cause such materials to be used for any other purpose other than performance of all obligations under the Contract without the written consent of APS. Additionally, the Contractor agrees that the Records are confidential records and neither the Records nor their contents shall be released by the Contractor, its subcontractors, or other third parties; nor shall their contents be disclosed to any person other than the Project Officer or his or her designee. The Contractor agrees that all oral or written inquiries from any person or entity regarding the status of any Record generated as a result of the existence of this Contract shall be referred to the Project Officer or his or her designee for response. At APS’ request, the Contractor shall deliver all Records to the Project Officer, including “hard copies” of computer records, and at APS’s request, shall destroy all computer records created as a result of APS’ request for services pursuant to this Contract.

The Contractor agrees to include the provisions of this section as part of any contract or agreement the Contractor enters into with subcontractors or other third parties for work related to work pursuant to this Contract. No termination of this Contract shall have the effect of rescinding, terminating or otherwise invalidating this section of the Contract.

Confidential information includes, but is not limited to, nonpublic personal information, personally identifiable health information, social security numbers, proprietary systems, addresses, dates of birth, other contact information or medical information about a person’s, information pertaining to products, operations, systems, customers, prospective customers, techniques, intentions, processes, plans, expertise and any information entrusted to any affiliate of the parties. Student data shall include all metadata, forms, logs, cookies, tracking pixels, user content, and Personally Identifiable Information (PII), Education Records as defined by the Family Educational Rights and Privacy Act (“FERPA”), and other non-public information relating directly to APS students. All student data received by the Contractor shall be maintained by the Contractor in a secure location, in accordance with the Student Data Usage and Privacy Agreement.

The Contractor also agrees that it will not directly or indirectly use or facilitate the use or dissemination of student data (whether intentionally or by inadvertence, negligence or omission verbally electronically, through paper transmission or otherwise), for any purpose other than that directly associated with its officially assigned duties pursuant to any resulting Contract. Contractor is aware that unauthorized use or disclosure of student data is prohibited and, in addition, may also constitute a violation of Virginia law (e.g. the Government Data Collection and Dissemination Practice Act, formerly called the Privacy Protection Act, VA Code §2.2-3800 et seq., and the Secrecy of Information Act, VA Code §58.1-3, which may be punishable by a jail sentence of up to six (6) months and/or a fine of up to $1,000,000.).

The Contractor shall ensure that its subcontractors notify the Contractor, immediately, of any breaches in security regarding the PHI.

The Contractor takes full responsibility for any failure to execute the appropriate agreements with its subcontractors to comply with the existing and or future regulations of HIPPA and/or HITECH, and shall indemnify APS in accordance with the Indemnification clause in this Section.

31. DATA SECURITY

The Contractor shall be responsible for the work performed under the Contract Documents and every part thereof, and for all materials, tools, equipment, appliances, and property of any description used in connection with the work.
