ARLINGTON PUBLIC SCHOOLS

GENERAL TERMS AND CONDITIONS AND INSTRUCTIONS TO BIDDERS

Bidder: The general terms and conditions and instructions to bidders which follow apply to all purchases and become a part of all formal solicitations and become a part of all Contract awards and Purchase Order issued by the Arlington Public Schools (APS), unless otherwise specified. Bidders or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting bids, failure to do so will be at the bidder's own risk and will not be a basis for relief.

Subject to all State and local laws, policies, resolutions, regulations and all accepted rules, regulations and limitations imposed by legislation of the Federal Government, bids on all solicitations issued by APS will bind bidders to applicable conditions and requirements herein set forth unless otherwise specified in the solicitation. Where there is a conflict between these General Conditions and Instructions and the Purchasing Resolution, the Purchasing Resolution shall prevail.

1. AUTHORITY

The Purchasing Agent has the sole responsibility and authority for negotiating, placing and when necessary modifying each and every solicitation, Purchase Order or other award issued by the APS. In the discharge of these responsibilities, the Purchasing Agent is assisted by buyers under his supervision. No other Arlington Public Schools officer or employee is authorized to order supplies or services, enter into purchase negotiations or Contract. Any Purchase Order or Contract made which is contrary to these provisions and authorities shall be void and neither the Arlington County School Board (ACSB), nor any of its officers and employees, shall be bound thereby.

2. INDEPENDENT CONTRACTOR

The Contractor will be legally considered as an independent Contractor and neither the Contractor nor its employees will, under any circumstances, be considered servants or agents of APS. APS will not be legally responsible for any negligence or other wrongdoing by the Contractor, its servants or agents. APS will not withhold from the Contractor payments to the Contractor any federal or state unemployment taxes, federal or state income taxes, Social Security tax, or any other amounts for benefits to the Contractor. Further, APS will not provide to the Contractor any insurance coverage or other benefits, including workers' compensation, normally provided by APS for its employees.

3. ARLINGTON PUBLIC SCHOOLS EMPLOYEES

No employee of APS shall be admitted to any share or part of this Contract or to any benefit that may arise from the contract which is not available to the general public.

4. BID FORMS

All bids shall be submitted in duplicate, on the Bid Form provided, properly signed in ink in the proper spaces, and submitted in a sealed envelope provided with the solicitation.

5. EXAMINATION OF BID DOCUMENTS

- 5.1 Bidders shall thoroughly examine the bid documents. The bidder's failure or omission to examine any document shall not relieve the bidder from any obligations with respect to its bid or to the resultant Contract. The submission of a bid shall be taken as prima facie evidence of compliance with this section.
- 5.2 If a bidder knows, or should have known, that an ambiguity, discrepancy, error, omission or conflicting statement exists in the bid documents, the bidder has an obligation to seek clarification, interpretation or instructions from the Purchasing Agent prior to submitting a bid. Any and all such requests for clarifications, interpretations or supplemental instructions will be in the form of written addendum, if issued, will be sent to prospective bidders prior to the date fixed for the opening of bids. APS will not be responsible for any clarifications, interpretations or instructions except those made by written addendum. Should the bidder fail to seek such a clarification prior to submission of a bid, the bidder thereby waives, and agrees to indemnify and hold APS harmless from any claim, suit or cause of action arising out of or related to such ambiguity, discrepancy, error, omission or conflicting statement which the bidder knew or should have known existed at the time the bid was submitted.
- 5.3 Failure of a bidder to receive any addendum shall not relieve the bidder from the requirements of the bid, including all addenda issued. All addenda so issued shall become part of the bid documents. Each bidder shall be responsible for determining prior to submitting a bid that all addenda issued have been received and shall acknowledge receipt and inclusion of all addenda in the bid.

6. SPECIFICATIONS

- 6.1 If goods/services bid are in substantial compliance with the bid requirements, APS, in its sole discretion, may waive informalities and award a Contract if the informality (see paragraph 17., Informalities) will not affect the price, quality, quantity or delivery schedule of the goods, services or construction being procured.
- 6.2 The bidder shall indicate on their bid form any exceptions from the bid specifications and terms and conditions. If exceptions are not stated, it will be assumed that the goods and/or services fully comply with the bid specifications and terms and conditions and the bidder will be required to deliver the product or service meeting the bid specifications under the terms and conditions specified.
- 6.3 All materials used for the manufacture or construction of any supplies, materials or equipment covered by this bid shall be new (unused), unless otherwise specified. The items bid shall be the latest model, of the best quality, and highest grade workmanship.
- 6.4 Any ancillary items or parts of any equipment listed in the solicitation which are not fully described in the specification and which are necessary for the completion and use of the items or equipment and its appurtenances shall be considered a part of such equipment although not directly specified in the solicitation.

7. SUBSTITUTION OF MATERIALS OR SERVICES

- 7.1 In the specifications, where any item of equipment or material is specified by proprietary name, trade name, and/or name of one or more manufacturers, with the addition of such expressions as "no substitutes," it is to be understood that those items are so specified for reasons of standardization in maintenance and operation, or for reasons of obtaining desirable features best suited to the requirements of APS and no other brand shall be considered.

- 7.2 When a brand name is stated, unless identified as a “no substitute” item in the solicitation, the name of a certain brand, make or manufacturer does not restrict bidders to that specific brand, make or manufacturer. The use of the brand, make or manufacturer’s identification is intended to convey the general type, style, character and quality of the item described. Any article which APS in its sole discretion determines to be the equivalent of the item specified, considering quality, workmanship, economy of operation and suitability for the intended use, may be accepted and considered for award.
- 7.3 If bidding a brand other than that specified, it is the bidders responsibility to substantiate that the goods and/or services meet the specifications. To ensure that sufficient information is available, the bidder shall furnish (and should submit as part of his bid) descriptive material (e.g., catalog cuts, drawings, specifications, etc.) necessary to substantiate that the products or services offered meet the requirements of the solicitation.

8. PREPARATION, SUBMISSION AND RECEIPT OF BIDS

- 8.1 Bids must be submitted to the address stated in the solicitation. Bids shall be submitted in the prescribed format and on the forms furnished, if any, or copies thereof, and shall be signed in ink. Original signatures are required on bids. Bids shall be enclosed in an envelope, and shall be sealed and clearly labeled with the bid number and project name so as to indicate the work covered by the solicitation so as to guard against opening prior to the time set for the opening. Bidders shall designate on the exterior of the outermost envelope the bid number and date and time of opening of the bid. Erasures or other changes must be explained and initialed by the bidder. Bids containing any conditions, omissions, failure to bid all items, unexplained erasures or alterations or items not called for in the bid, or irregularities of any kind, may be rejected by APS as being non-responsive.
- 8.2 Each bid must give the full legal name and business address of the bidder. Bids must be signed by a person authorized to bind the bidder in Contractual matters. The name and title of the person signing the bid shall also be typed or printed as indicated on the bid form.
- 8.2.1 The Bidder shall provide, in the space provided or directed in the solicitation, (i) its social security number if an individual, or (ii) its federal employer identification number if a proprietorship, partnership or corporation.
- 8.3 Bids must be received prior to the date and time of opening specified in the solicitation. Late bids will not be considered.
- 8.4 No APS official or employee shall be responsible for a bid opened that is not properly identified on the envelope, or for any bid not submitted, as specified in the solicitation. Bids for separate solicitations shall not be combined on the same form or submitted in the same envelope. Any such bids may be rejected as non-responsive.
- 8.5 Each Bid Form shall include specific acknowledgment of receipt of all addenda issued during the bidding process. Failure to acknowledge addenda may result in the bid being rejected as non-responsive.
- 8.6 APS accepts no responsibility for any expense incurred by any bidder in the preparation and submission of a bid.

9. ALTERNATE BIDS

Bidders who have other items they wish to offer in lieu of or in addition to what is required by this solicitation shall submit a separate bid clearly marked “ALTERNATE BID”. Alternate bids will be deemed non-responsive and will not

be considered for award. Such bids will, however, be examined prior to awarding the Contract contemplated herein and may result in either cancellation of all bids in order to permit rewriting of the solicitation to include the alternate items in a re-bid or the alternate items may be considered for future requirements.

10. EXCEPTIONS

Bidders taking exception to any part or section or term of this solicitation, including, by way of illustration and not limitation, the Contract, the specifications, Special conditions, General Terms and Conditions and Instructions to Bidders and any other attachments or references hereto or thereto, shall indicate such exceptions on the Bid Form. Failure to indicate any exceptions, shall be interpreted as the bidder's intent to fully comply with solicitation as written. However, conditional or qualified bids with such exceptions, unless specifically allowed in this solicitation, are subject to rejection in whole or in part as non-responsive.

11. SUBMISSION OF PROPRIETARY INFORMATION

Trade secrets or proprietary information submitted by a Bidder in connection with this procurement transaction shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the Bidder must invoke these protections prior to or upon submission of the data or the materials, and must identify the data or other materials to be protected and state the reason why protection is necessary. [Virginia Code Section 2.2-4342(F)]. **Bidders shall submit, in a separate section of the bid, any information considered by the Bidder to be trade secrets or proprietary information, shall clearly identify the information as trade secrets or proprietary information and shall state the reason why protection is necessary. Bidders may not declare the entire bid proprietary nor may they declare pricing to be proprietary.** References may be made within the body of the bid to proprietary information; however all information contained within the body of the bid not in the separate section labeled proprietary shall be public information.

12. SIGNED BID CONSIDERED AN OFFER

12.1 A signed bid shall be considered an offer on the part of the bidder and shall be deemed accepted upon award by APS, unless withdrawn under the provisions herein. Should any bidder receiving an award default or fail to deliver the products or services ordered by the time specified, APS may terminate the Purchase Order and/or Contract, and after oral or written notice to the bidder, may procure the products and/or services from other sources and hold the defaulting bidder liable for any resulting additional cost.

12.2 Unless otherwise specified by APS, all formal bids submitted shall be binding for ninety (90) calendar days following bid opening date, unless extended by mutual consent of all parties. No limitation made by the bidder on the binding nature of the bid shall have any effect.

13. LATE BIDS

13.1 A late bid is any bid received at the office designated in the solicitation after the exact time specified for receipt of the bid. Late bids will not be considered for award except if it is received before award is made and either:

13.2 It was sent by registered or certified mail not later than the fifth (5th) calendar day prior to the date specified for receipt of the bid or:

13.3 The bid was sent by mail and the Purchasing Agent determines that the late receipt was due solely to mishandling

by the Arlington Public Schools after receipt at the address and the office specified in the solicitation.

13.4 The time a bid is received shall be determined by the date and time stamped by the date and time clock in the Purchasing Office. Bidders are responsible for ensuring that Purchasing Office personnel date and time stamp their bids by the deadline indicated. In the event the time clock is not functioning, the time shall be determined by the time displayed on the landline telephone near the time clock. The time on the telephone will be written on the bid by hand by the Purchasing Office staff.

13.5 A late hand-carried bid, or any other late bid not submitted by mail or courier, shall not be considered for award.

14. WITHDRAWAL OF BID

No bid may be withdrawn after it is filed unless the bidder makes a request in writing to APS prior to the time set for the opening of bids or unless APS fails to award or issue a notice of intent to award within ninety (90) days after date fixed for the opening.

15. WITHDRAWAL OF BID DUE TO ERROR (Other Than Construction)

15.1 Upon proper request and identification, bids may be withdrawn at any time prior to the date and time set for the bid opening. After the bid opening, if the Purchasing Agent denies the withdrawal of a bid, the bidder shall be notified in writing stating the reasons for the decision. Award of the Contract shall be made to the bidder at the bid price, provided the bidder is a responsible and responsive bidder.

15.2 Bidders may request withdrawal of their bid from consideration if the price bid was substantially lower than the other bids due solely to a clerical or arithmetical mistake therein. The bidder shall give written notice to the Director of Purchasing of a claim to withdraw the bid prior to the award of the Contract or issuance of the Purchase Order. The cause and nature of the mistake shall be stated in the claim to withdraw.

15.3 If a bid is withdrawn under the authority of this section, the lowest remaining bid shall be deemed to be the low bid.

15.4 No bid may be withdrawn under this section when the result would be the awarding of the Contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than five percent. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any sub-Contract or other work agreement for the person or firm to whom the Contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.

16. REJECTION AND AWARD OF BIDS

16.1 APS reserves the right to accept or reject any or all bids or parts of bids, to waive informalities and re-bid any requirement. Bids having exceptions to the specifications and/or terms and conditions included in the solicitation may be considered, but preference may be given to bids with no exceptions taken.

16.2 Modifications of or additions to any portion of a quote or bid, which affects quality, quantity, price or delivery, shall be cause to reject the bid as non-responsive. Modifications which do not affect quality, quantity, price or delivery will be dealt with, by APS, on a case by case basis and APS, in its sole discretion, may reject such bids as

non-responsive, waive the modifications as informality or require the bidder to withdraw the non-responsive language as a condition of being a responsive bidder.

- 16.3 APS reserves the right to award the Contract for any or all items bid on a lump sum basis, individual item basis or such combination as shall best serve its interests, including award to multiple Contractors, unless otherwise specified by APS. Where a unit price and the extension price are at variance, the unit price will prevail.

Such negotiation may include but is not necessarily limited to adjustment of the bid price and changes in the bid scope or requirements in order to bring the bid within the amount of available funds. The apparent lowest responsive and responsible bidder shall be notified in writing that the bid exceeds available funds and APS wishes to negotiate. If APS and the Bidder are unable to successfully negotiate the scope of work and/or bid price so the price is within available funds, all bids shall be rejected. APS reserves the right to increase or decrease quantities at the quoted unit price.

17. INFORMALITIES

APS has the right to waive minor defects or variances from the exact requirements of the solicitation in bid insofar as those defects or variances do not affect the price, quality, quantity or delivery schedule of the goods or services being procured. If insufficient information is submitted for APS to properly evaluate the bid, APS has the right to require such additional information as it may deem necessary after the bid opening time and date, provided that the information requested does not change the price, quality, quantity or delivery schedule for the goods or services being procured.

18. QUALIFICATION OF BIDDERS

Each bidder may be required, before the award of a Contract, to show to the complete satisfaction of the Purchasing Agent that it has the necessary facilities, ability and financial resources to furnish the goods or services specified herein in a satisfactory manner. Each bidder may also be required to show past history and references which will enable the Purchasing Agent to be satisfied as to the bidder's qualifications. Failure to qualify according to the foregoing requirements will justify bid rejection by APS.

19. NOTICE OF ACCEPTANCE/CONTRACT DOCUMENTS

A written award (Acceptance Agreement or two party Contract) mailed or otherwise furnished to the successful bidder within the time for acceptance specified in the solicitation shall be deemed to result in a binding Contract. The following documents which are included in the solicitation shall be incorporated by reference in the resulting Contract and become a part of the Contract:

- 19.2 Pricing Schedule
- 19.3 APS Acceptance Agreement/Acceptance Agreement;

The goods/services delivered under this solicitation shall remain the property of the Contractor until a physical inspection or actual usage of the goods/services is made and thereafter accepted to the satisfaction of APS. The goods/services must comply with the specifications and terms and conditions of the solicitation and be of the highest quality. In the event the goods/services supplied to APS are found to be defective or not to conform to specifications, APS reserves the right to cancel the order upon written notice to the Contractor and return products to Contractor at the Contractor's expense.

26. APS PURCHASE ORDER REQUIREMENT

The APS Purchasing Office must approve all work that is beyond the original scope of work.

28.2 No services for which an additional cost or fee will be charged by the Contractor shall be furnished without the prior written authorization of the APS Purchasing Director/Purchasing Agent.

In connection with any discount offered for prompt payment, time shall be computed from the date of the invoice. For the purpose of earning the discount, payment shall be considered to have been made on the date that appears on the payment check or the date on which an electronic funds transfer for the payment was made.

30. INVOICES

33. APPROPRIATION OF FUNDS

All funds for payments by APS under this Contract are subject to the availability of an annual appropriation for this purpose by the ACSB. In the event of non-appropriation of funds by the ACSB for the goods or services provided under the Contract or substitutes for such goods or services which are as advanced or more advanced in their technology, APS will terminate the Contract, without termination charge or other liability to APS, on the last day of the then current fiscal year or when the appropriation made for the then current year for the services covered by this Contract is spent, whichever event occurs first. If funds are not appropriated at any time for the continuation of this Contract, cancellation will be accepted by the Contractor on thirty (30) days prior written notice, but failure to give such notice shall be of no effect and the APS shall not be obligated under this Contract beyond the date of termination.

34. TERMINATION FOR CONVENIENCE

Unless otherwise stated, any resultant Contract may be terminated by APS, in whole or in part, whenever APS determines that such a termination is in its best interests. Any such termination shall become effective on the date stated in a written notice of termination mailed to the Contractor at least five days prior to the stated termination date. The notice of termination shall state the extent to which performance shall be terminated. The Contractor shall be paid for all goods delivered or services successfully completed prior to the termination date. If funds are not appropriated for this Contract for any APS fiscal year, the Contract shall terminate automatically, without prior notice, after the last day for which funds were appropriated (see paragraph 34., Appropriation of Funds). Contract termination pursuant to this section shall not be considered a Contract default, and APS shall not be liable for future payments or for cancellation or termination charges.

35. TERMINATION FOR CAUSE

35.1 If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner its obligations under this Contract, or if the Contractor violates any of the covenants, agreements, or stipulations of this Contract, APS thereupon has the right to declare the Contractor in default in whole or in part. In the event APS elects to declare the Contractor in default, APS will notify the Contractor by written notice describing the nature of the default and providing the Contractor a right to cure such default within ten (10) days after the date of the notice, or within such longer period as APS, in its sole and absolute discretion, may prescribe. In the event the default is not cured within the time period, APS has the right to take necessary actions to correct or complete the work. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, and reports prepared by the Contractor under the Contract shall, at the option of the APS, become its property and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents.

35.2 Notwithstanding the above, the Contractor shall not be relieved of liability for damages sustained by APS by virtue of any breach of Contract by the Contractor until such time as the exact amount of damages due to APS from the Contractor can be determined.

36. INTENTIONALLY DELETED

37. OWNERSHIP OF DOCUMENTS
