Description of Transfer Types	44

STUDENT TRANSFER REPORT 2017-2018

This report provides information about student transfers within Arlington Public Schools in school year 2017-2018. A transfer student is a student who attends a school but does not reside within that school's boundaries or one who attends a school that does not have an attendance area: that is, it is not a neighborhood school. The report informs the capacity monitoring and planning process.

CONTENT OF REPORT

This report reflects enrollment as of June 26, 2018 and includes:

- Kindergarten through grade 12 students
- Students attending countywide and area schools
- Out-of-county students attending through the non-resident staff tuition initiative
- Transfers by disadvantaged status have been discontinued due to small values (1–9) that allow for individual identification. This could result in a possible FERPA violation.

Transfer type is a code that identifies the reason a student is permitted to attend a school other than their neighborhood school. A list of transfer types and their descriptions is provided at the end of the report.

Division Summaries by level (elementary, middle and high):

- Table 1 displays the total enrollment and the total number of students who transferred into each school.
- Table 2 displays the total number of students who transferred into each school broken down by sending school. Sending school, the school from which the student transferred, is usually the student's home school based on the address in the student information system.
- Table 3 displays the total number of students who transferred into each school broken down by transfer type.

School Summaries

There is a one page summary for each school. The school summaries are presented alphabetically in order of level: elementary, middle, and high.

Each school summary shows the distribution of students by two demographic characteristics: Grade and Race/Ethnicity.

For each demographic characteristic, the table shows:

- The total enrollment
- The total number of students who transferred into the school broken down by transfer type

The transfer process and options are described more fully in APS Policy 25-2.2 Enrollment and Transfers for Schools and Programs and is available on the APS website at:

https://www.apsva.us/wp-content/uploads/legacy_assets/www/26c4621ab8-25-2.2-enrollment-transfers.pdf

This report reflects student transfer data in the official APS student information system as of June 26, 2018. Any changes that are made after that date are not reflected in this report. The above enrollment counts exclude Pre-K and Adult students.

Description of Transfer Types

Transfer Type	Description
AD	Administrative placement approved by the Assistant Superintendent of Administrative Services.
AP	Wakefield only. AP Network at Wakefield.
ARLT	Arlington Tech only. This is only to be used for students who attend the Arlington Tech countywide program based at the Career Center.
BR	Randolph only. This is only used for students who transfer from Barcroft to Randolph because they do not wish to attend year round school.
CW	To be used for countywide programs at ATS, Drew (Above Pre-K), Jefferson IB, HBW, Kenmore, Arlington Community High School, Langston, all Stratford students AND schools with an extended attendance area (Barrett, Campbell). Except for Stratford, CW should not be used for countywide special education programs - use SE for these transfers.
DH	Hoffman-Boston only. Students in planning units 3610, 4817, or 4821 can attend either Drew or Hoffman-Boston, but the default school of residence in the Student Information System is Drew. This code denotes that Hoffman-Boston was selected.
ET	Test Taker. Students who completed all of their course work but did not pass the required SOLs for graduation are entitled to return to any APS school to take an SOL test. These students are not reported as transfers in the Transfer Report.
FM	Patrick Henry and Long Branch only. Arlington residents employed at Fort Myer are allowed to enroll their children at Patrick Henry and Long Branch. (Not to be used for residents of Fort Myer.)
GF	Boundary grandfathering: students remaining at school after boundaries changed, according to School Board-approved procedures.
IB	International Baccalaureate at Washington-Lee.
IM	Claremont, Key, Gunston, & Wakefield only. To be used for immersion (non-team) students at Key, all students at Claremont, and immersion students from outside of school boundaries at Gunston and Wakefield.
KS	Science Focus only. Key and Science Focus share the same attendance area, but the default school of residence in the Student Information System is Key. This code denotes that Science Focus was selected.

MN	Primary Montessori (Pre-K and kindergarten) students, Drew Montessori 1-5, and Gunston Montessori 6-8 students from outside of school boundaries.
OT	Other transfers (e.g., living at shelter, homeless, in foster care, living at Fort Myer or by approval by Planning & Evaluation). * The home schools for students who live at Fort Myer are Long Branch, Jefferson, and Washington-Lee. Fort Myer is not included as an Arlington address in the Student Information System and so a transfer code of OT has to be entered for them. These students are not reported as transfers in the Transfer Report because they attend their home schools.
PC	Professional courtesy transfers for APS employees currently living in Arlington.
RC	Residence change. <u>Changing residence within Arlington:</u> High school students who have completed two or more years of their high school education in a particular high school at the time of the change of residence are entitled to complete their education in that high school. All other students who change residence during the school year may complete the year at the current school but must apply for a transfer to return the following year. <u>Changing residence outside of Arlington:</u> Please refer to policy 25-2.2 as this depends on the grade level and the time during the school year at which the change of residence occurs.
RG	Regular neighborhood school transfers requested by parents or guardians.
SC	Shared custody: used for students entitled to attend the school because of a shared custody agreement but living with a parent other than the one whose address is shown for registration. These students are not reported as transfers in the Transfer Report.
SE	Special education: used for students in countywide special education programs, dual enrollees who live outside of Arlington, or placement of special education students by IEP.
SS	Summer School only. Not valid for Barcroft Intersession. Required for every student attending Summer School at a school other than their school of residence. Barcroft should use the same code for Intersession as for the regular school year.
SW	Staff waiver transfers for APS employees who live outside of Arlington. Only for grandfathered staff waivers after 2014-15.
TM	Team transfer among team schools (ASF, Jamestown, Key, Taylor).
VP	VPI Pre-K students from outside of school boundaries. To be used for students who are 4 years old on entry to the program. Pre-K students are not included in the Transfer Report.
XB	Cross Boundary: students who have a mailing address other than Arlington but the deed/lease states that the dwelling is located in Arlington OR students who have the Arlington and neighboring jurisdiction boundary go through the dwelling entitling them to attend either school district.
