Provide thoughts on considerations used for reviewing locations of neighborhood and option elementary schools: This planning initiative may result in some option schools becoming neighborhood schools, and vice versa. Review staff considerations and suggest additional ones that APS should take into account for developing school location recommendations at <https://survey.k12insight.com/survey.aspx?k=SsSRTVsYWQsPsPsP&lang=0&data=>. The deadline for this questionnaire is March 9. For more information, visit www.apsva.us/elementary-school-boundary-change/.
