## Important Information About Your Benefits

This document contains important information concerning the administration of your benefit plans. Although you will not need this information on a day-to-day basis, it is important for you to understand your rights, the procedures you need to follow should certain situations occur and where you can find out additional information. The information provided here is consistent with the Employee Retirement Income Security Act of 1974 (ERISA).

Please refer to the individual plan documents, certificates of insurance, and/or summary plan descriptions (SPDs) for details. If you have any questions regarding any of these notices, or if you would like a copy of the Plan SPDs (which contains more detailed information regarding Plan benefits, terms, and conditions), please contact the Arlington Public Schools (APS) Human Resources Department at 703-228-6105. Plan SPDs are also available at [www.apsva.us/benefits](http://www.apsva.us/benefits).

### MEDICARE PART D

The Prescription Plans available through Cigna Healthcare and the Kaiser Permanente HMO Signature plan are creditable. Because our existing prescription coverage is, on average, at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan. You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> through December 7<sup>th</sup>. However, if you lose creditable prescription drug coverage, through no fault of your own, you will be eligible for a 60-day Special Enrollment Period to join a Medicare Part D plan.

### COBRA and USERRA

Federal law requires most employers who sponsor group medical, dental, vision, and healthcare reimbursement plans to offer employees and eligible dependents the opportunity to purchase a temporary extension of these plans at group rates in certain instances where coverage under the plan would end.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), employees and beneficiaries have the right to choose continuation coverage under certain qualifying events. **Refer to the Initial Notice of COBRA Rights included in this packet for more information.**

Employees also have the right to choose continuation coverage under the Uniformed Service Employment and Reemployment Rights Act (USERRA) as amended, while on a military leave of absence. An election of COBRA will be deemed to be an election of USERRA coverage and both coverage(s) will run concurrently. The cost of USERRA coverage will be the same as the cost of COBRA coverage. USERRA coverage may continue for up to 24 months from the date active coverage ends. For more information, contact Human Resources/Benefits Department at 703-228-6105.

#### **You may have other options available to you when you lose group health coverage.**

For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept

late enrollees. For more information about the Marketplace, visit [www.HealthCare.gov](http://www.HealthCare.gov) and **refer to the Health Insurance Marketplace Notice included in this packet.**

## **Special Enrollment**

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage.

However, you must request enrollment within 30 days after your or your dependents' other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption, placement for adoption, or legal guardianship, you may be able to enroll your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, placement for adoption, or legal guardianship. To request special enrollment or obtain more information contact Human Resources / Benefits Department at 703-228-6105.

## **HIPAA – Special Enrollment Rights**

The Health Insurance Portability and Accountability Act (HIPAA) helps protect your rights to medical coverage during events such as changing or losing jobs, pregnancy and childbirth, or divorce. Depending on your group health plan limitations, HIPAA may also make it possible for you to get and keep health coverage even if you have past or present (pre-existing) medical conditions.

## **HIPAA – Privacy Act Legislation**

Your employer and insurance carriers are obligated to protect confidential health information that identifies you or could be used to identify you and relates to a physical or mental health condition or payment of your health care expenses. The insurance carriers will provide notification of your HIPAA rights when you enroll in a plan and as required by law thereafter.

## **Women's Health and Cancer Rights Act**

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

## **Newborns' Act**

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for mother or newborn child to less than 48 hours following a normal vaginal delivery; or 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay of not more than 48 hours (or 96 hours). The plan provides for this coverage.

## **Mental Health Parity and Addiction Equity Act (MHPAEA)**

Under HIPAA, group health plans that provide both medical and mental health benefits must ensure there are no restrictions on the financial requirements and treatment limits for mental health or substance abuse treatments than on medical and surgical benefits. If you have any questions about your plan, you should contact each of the carriers directly by calling the number on your ID card or the APS Benefits Department at 703-228-6105.

## **Patient Protection and Affordable Care Act (PPACA)**

### **Notice that Lifetime Limits No Longer Apply and Opportunity to Re-enroll**

The lifetime limit on the dollar value of benefits under no longer applies. Individuals whose coverage ended by reason of reaching a lifetime limit under the plan are eligible to enroll in the plan. Individuals have 30 days from the date of this notice to request enrollment. For more information contact the APS Human Resources Department/Benefits at 703-228-6105.

## **Patient Protection Disclosure**

Kaiser Permanente generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. Until you make this designation, Kaiser Permanente will designate one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Kaiser Permanente Member Services at 1-800-777-7902.

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from Kaiser Permanente or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Kaiser Permanente Member Services at 1-800-777-7902.

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. **The following list of states is current as of July 31, 2018.** Contact your State for more information on eligibility –

## **\*\* Continuation Coverage Rights Under COBRA\*\***

### **Introduction**

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

**You may have other options available to you when you lose group health coverage.** For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

### **What is COBRA continuation coverage?**

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to Arlington Public Schools, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

### When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- Commencement of a proceeding in bankruptcy with respect to the employer;]; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

**For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. The employee must provide supporting documentation along with a current address of the ex-spouse or dependent child losing coverage. You must provide this notice to:**

Arlington Public Schools  
Attn: Human Resources Department  
2110 Washington Blvd., 4<sup>th</sup> Fl  
Arlington, VA 22204

### How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

### ***Disability extension of 18-month period of COBRA continuation coverage***

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage. The notice of disability must be submitted within 60-days along with documentation from a physician certifying the disability and mailed to:

Arlington Public Schools  
Attn: Human Resources Department  
2110 Washington Blvd., 4<sup>th</sup> Fl  
Arlington, VA 22204

### ***Second qualifying event extension of 18-month period of continuation coverage***

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

### **Are there other coverage options besides COBRA Continuation Coverage?**

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at [www.healthcare.gov](http://www.healthcare.gov).

### **If you have questions**

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. # New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved  
OMB No. 1210-0149  
(expires 5-31-2020)

## PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact [Human Resources Department / Benefits Office at 703-228-6105](mailto:hr@state.nj.gov).

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

<sup>1</sup> An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

\*\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.
