INSTRUCTIONS FOR COMPLETING THE DESIGNATION OF BENEFICIARY

Complete this form to designate a beneficiary for VRS Basic and Optional Group Life Insurance and for your defined benefit retirement contribution account. It is only necessary to designate a beneficiary if you want payment to be made in a method other than by order of precedence established by law. If you previously completed a VRS-2 and wish to change beneficiaries or now wish to choose the order of precedence, you must complete this form to revoke any prior designations.

Please read the information provided on this form to understand your options for designating a beneficiary. Additional information is provided in your *Handbook for Members*, which is available on the VRS Web site (www.varetire.org) or from your human resources representative.

Order of Precedence: You may choose the order established by law to provide payment of your benefits or you may designate specific beneficiaries to receive your benefits in the event of your death. The order of precedence is as follows:

- To your spouse;
- If no surviving spouse, to your natural or legally adopted children and descendents of your deceased natural or legally adopted children:
- If none of the above, to your parents equally or to the surviving parent;
- If none of the above, to the duly appointed executor or administrator of your estate;
- If none of the above, to your next of kin under the laws of the state where you reside at the time of your death.

Life Insurance Benefits: Your VRS Basic and Optional Group Life Insurance benefits will be paid by order of precedence unless otherwise indicated in Part B of this form.

Defined Benefit Retirement Benefits

Death in Service:

If you are vested (have at least five years of service credit) and die while in service with a VRS-covered employer and your death is **not** work-related, VRS pays retirement benefits as follows:

- If no designation is made, or the death of all primary and contingent designated beneficiaries occurs prior to your death and another designation is not made, the beneficiary is determined by order of precedence.
- If you name your spouse, minor child(ren), or parent(s) as a beneficiary, or they are deemed the beneficiary by order of precedence, that person may receive a monthly benefit or may elect a refund of the contributions and accrued interest in your account to the exclusion of any other named beneficiary. The spouse will take precedence over a minor child, a minor child will take precedence over a parent.
- If the beneficiary named, or determined by order of precedence, is someone other than your spouse, minor child(ren), or parent(s), a refund of the contributions and interest credited to your account is paid.

If you are not vested and die while in service with a VRS-covered employer and your death is **not** work-related, VRS pays defined benefit retirement benefits in the form of a refund to your designated beneficiary.

If you die while in service with a VRS-covered employer, and your death *is* work-related, VRS pays defined benefit retirement benefits as follows regardless of whether or not you are vested:

- A refund of contributions and interest is paid to your designated beneficiary. If no designation is made, or the death of all of
 your primary and contingent designated beneficiaries occurs prior to your death and another beneficiary is not designated,
 the contributions and interest credited to your account are refunded to the beneficiary as determined by order of
 precedence.
- In addition to the refund of contributions and interest, a monthly benefit is paid to your surviving spouse for life. If you have no surviving spouse, the monthly benefit is paid to your minor child(ren) until age 18. If you have no minor child(ren), the benefit is paid to your parent(s) for life. All benefits are governed by and subject to the Virginia Retirement Act (Title 51.1 of the Code of Virginia.)

Death After Retirement:

If you die after your effective date of retirement and chose a payout option other than a Survivor Option, a refund of the contributions and interest that have not been paid to you as a monthly retirement benefit is refunded to your named beneficiary or, if no beneficiary designation is on file with VRS, to the first person qualifying by order of precedence.

If you die after your effective date of retirement and chose a Survivor Option, your monthly retirement benefit payment continues to the person you named as your contingent annuitant.

If you are retired, selected a survivor option and wish to change the name of the person you selected to receive the monthly benefit at the time of your death, contact VRS for further information. *This form cannot be used to change the contingent annuitant you designated at retirement.*

Death After Termination:

If you die after you have terminated your employment in a VRS-covered position but before beginning to receive a monthly retirement benefit and you have not taken a refund of the contributions and interest credited to your account prior to your death, a refund of the contributions and interest credited to your account is paid to your named beneficiary; or if no beneficiary designation is on file, to the first person qualifying by order of precedence.

Other Key Points to Remember

- 1. This form is *not* used to designate a beneficiary for any defined contribution account funds that you may have as a part of your covered employment. You must contact your defined contribution plan provider directly to designate beneficiaries.
- This form cannot be used to designate a beneficiary for your spouse's or children's coverage under the Optional Life Insurance Plan because you are the beneficiary of those benefits.
- 3. If you name multiple primary beneficiaries, other than those established by law for death in service benefits, the proceeds will be split equally, unless you instruct otherwise in the Share % box for each beneficiary on this form. If you need to designate additional beneficiaries, list them on the Designation of Beneficiary Continuation (VRS-2A) at the time you complete the VRS-2 and send both forms to VRS.
- 4. To be valid, this form must be filled out completely using given names such as "Mary L. Doe" rather than "Mrs. John Doe."
- 5. If a **minor** (child less than 18 years of age) is named as beneficiary, a guardian for the financial estate of the minor must be appointed by the court before benefits can be paid.
- 6. If an **estate** is named as beneficiary, a probated will appointing an administrator or executor must be provided or the court must appoint an administrator or an executor before benefits can be paid.
- 7. If a **trust** is named as beneficiary, list the name of the trustee and the date that the trust agreement was completed. Do not submit a copy of the trust with this form. A copy will be requested when the claim for benefits is made.
- 8. Forms that have been altered cannot be accepted. If you make an error when completing this form, either complete a new form or initial the information that was changed.
- 9. *Beneficiary Types:* When you choose beneficiaries, you must indicate whether each beneficiary is a primary or contingent beneficiary.
 - *Primary:* Person(s) to receive the death benefits payable upon your death.
 - Contingent: Person(s) to receive the death benefits payable upon your death, if the primary beneficiary(ies) dies before you.
- 9. Share %: You may provide less than 100% share to your beneficiaries. You may break down the shares designated in Part B different from those in Part C. Designations in Part B must total 100%, and designations in Part C must also total 100%.

DESIGNATION OF BENEFICIARY INSTRUCTIONS

HYBRID DEFINED CONTRIBUTION PLANS

Please provide all of the requested information for each designated beneficiary, including the date of birth and Social Security number, as this information will help ICMA-RC locate your beneficiaries.

The primary beneficiary(ies) will receive your Hybrid Retirement Plan Defined Contribution plan assets upon your death. You may designate one or more persons as your primary beneficiary(ies). If none of your primary beneficiaries are alive at the time of your death, then the assets will be paid to the contingent beneficiary(ies) that you have designated. You may designate one or more persons as your contingent beneficiary(ies). Be sure to use whole percentages when designating multiple beneficiaries. If you have not designated any beneficiaries or if both the Primary and Contingent Beneficiaries are not alive at the time of your death, then the assets will be paid pursuant to the terms of the Plan Document as follows: unless otherwise directed on the Beneficiary Designation form, the beneficiary designation shall be deemed to be my surviving spouse, or if none, my children and descendants of my deceased children, per stirpes, or if none, my parents equally if both living, or if none, the duly appointed executor or administrator of my estate, or if none, the next of kin entitled to inherit under the laws of my domicile at the time of my death, as determined by the Virginia Retirement Systems.

To designate additional beneficiaries, (1) write "see attached sheet" on the primary and/or contingent beneficiary line(s) under "Name" and (2) attach and sign a separate piece of paper with your name, plan number, Social Security number, and additional beneficiary information.

Missing percentage(s) for all of your primary and/or contingent beneficiaries will result in equal allocation among beneficiaries. Beneficiary designations are invalid if percentages are given for every beneficiary, but they do not equal 100% or are expressed with fractions (e.g., 331/3%).

If you are naming a trust as your primary or contingent beneficiary, a complete copy of your entire trust document must be submitted with this form. ICMA-RC will not be able to honor your beneficiary designation if the entire copy of your trust document is not included.

SPOUSAL CONSENT FOR MARRIED PARTICIPANTS

If you live in a community property state (AZ, CA, ID, LA, NV, NM, TX, WA, or WI), your spouse is generally entitled to be the primary beneficiary for at least 50% of your account unless he or she consents to waive this right in the presence of a notary public.

Failure to meet community property state law requirements with respect to your beneficiary designation may result in your beneficiary designation being invalid, and the payment of benefits to someone other than your intended beneficiary(ies).

AUTHORIZATION

Once you have completed this form, sign it and submit the pages to ICMA-RC. If this form is faxed (202-682-6439) to ICMA-RC, please do not mail the original.

Please be aware that designations made on this form only apply to the defined contribution component of the Hybrid Retirement Plan and do not impact designations you may make for the defined benefit component, which you must do separately. Some provisions related to voluntary contributions and the associated employer match may differ for school division employees who have elected to use an employer-sponsored hybrid 403(b). For additional information, contact your human resources office.

To designate a beneficiary(ies) for the defined benefit component, you may complete and submit a Designation of Beneficiary (VRS-2) to VRS. The form is available at www.varetire.org. Be sure to keep a copy for your records.
