WHEREAS, in connection with the foregoing, it is necessary that Lessor lease to Lessee a portion of the Facility in order that Lessee may perform under the Comprehensive Agreement.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements herein contained, and intending to be legally bound hereby, Lessee and Lessor hereby agree as follows:

**1. Comprehensive Agreement Incorporated.** The Comprehensive Agreement is incorporated herein to establish the rights and obligations of the Parties not addressed herein. In the event of any inconsistency between the terms of the Comprehensive Agreement and the terms of this Lease, the Comprehensive Agreement shall prevail.

**2. Leased Premises; Additional Property Rights.**

**2.1. Leased Premises.** Lessor hereby leases to Lessee, in accordance with the terms and conditions hereinafter set forth, up to a maximum of approximately seventy-three thousand, six hundred and sixty (73,660) contiguous square feet of the roof of the Facility, generally as shown on **Exhibit A** attached hereto and incorporated herein, where the SPRS will be constructed, installed, operated and maintained (the “**Leased Premises**”).

**7.3. Use of Leased Premises.** Lessee shall use the Leased Premises solely for the construction, installation, operation and maintenance of the SPRS and for no other uses.

**7.4. Quiet Enjoyment.** So long as there does not exist a Lessee Default as defined in the Comprehensive Agreement, Lessor agrees that, subject to the terms and conditions of this Lease and the Comprehensive Agreement, Lessee shall have the right to quietly use and enjoy the Leased Premises for the Term, without hindrance or molestation by Lessor or those claiming by, through or under Lessor.

**8. Non-Interference.** Lessor covenants and agrees that, during the Term, Lessor shall not place, nor allow the placement by others of, any additional equipment or structures on the roof of the Facility which either interfere with the construction, installation, operation or maintenance of the SPRS or materially and adversely affect the exposure of the SPRS to sunlight without the prior written consent of Lessee, which consent shall not be unreasonably withheld. Lessee shall be under no obligation to consent to any placement of additional equipment or structures on the roof of the Facility which materially and adversely affect the exposure of the SPRS to sunlight.

**12. Casualty and Condemnation.**

**12.1. Restoration by Lessor.** Notwithstanding anything to the contrary contained herein, in the event of a casualty to all or any part of the Facility, Lessor shall have no duty or liability to Lessee to restore the Facility. If Lessor elects not to restore the Property, it shall give Lessee written notice of such election within one hundred eighty (180) days after the occurrence of such casualty and, upon its receipt of such notice, Lessee may, at its option, remove the remaining elements of the SPRS at its cost. In such event, Lessor shall have no liability to Lessee for damage to or loss of the SPRS, in whole or in part, and Lessor's sole liability to Lessee shall be payment for any power provided prior to the casualty at the established rates for which Lessor has not already paid.

Lessor shall be entitled to receive the entire award paid by the condemning authority for the Property, without deduction therefrom for any estate vested in Lessee by this Lease, and Lessee shall receive no part of such award.
