Message from the Superintendent

Dear Lifelong Learners,

Let me be the first to introduce to you the spring 2019 edition of the Arlington Community Learning course catalog. As you flip through these pages, you will discover a wide variety of classes that are available to our community. Many Arlingtonians are surprised to learn of the diversity of classes that are offered, including; music, art, computers, home repair, financial planning, cooking and foreign languages.

The Arlington Community Learning program encourages you to register for a class for the simple love of learning. We offer our classes in a "stress free" environment. Come and participate in classes taught by experts in their field and learn something new with your neighbors, friends and fellow county residents.

We hope to serve you this spring as you consider registering for a class or two. If you do, we welcome you to a special place where... learning never ends!

Sincerely,

Sincerely,

Patrick K. Murphy, Ed. D.
Superintendent, Arlington Public Schools

Cloud Computing: How (and Why) to Get Started

Cloud computing isn't just hype, but a great tool. Store your files on the Internet - documents, music, spreadsheets, etc. - so you can access them from any computer and easily share them. And synchronize your email, contacts, and calendar between all your devices - computer, phone, tablet. Save the hassle and expense of software upgrades, reduce your system complexity, and don't worry about losing data due to system failures. We'll look at free resources that are easy to use. If you have any device which connects to the Internet, you have all you need to harness the power of the Cloud!

Central Asian Cuisine

Palov" also known as "Osh" is a traditional main dish of many Central Asian countries. Deliciously prepared pieces of lamb and beef are combined with seasoned long grain rice, onions and shredded carrots. Typically Palov is accompanied by side dishes of a tomato, onion and cucumber salad and kefir cheese mixed with cilantro called "chakka". Of course no Central Asian meal is complete without a cup of green or black tea. Don't lose the chance to get acquainted with oriental cuisine!

The History of the Symphony

This 4-session course tells the story of the magisterial centerpiece of classical music, the symphony. Developed, refined and expanded over two centuries, virtually every major composer felt the need to meet its challenge... and change its course. From its modest beginnings with early Haydn and Mozart through the heroic powerhouses of Beethoven to the overwhelming titans of Mahler and Bruckner to the passionate works of Tchaikovsky and the cool elegance of Sibelius, you'll learn and hear how and why the themes, techniques, forms and logic of the symphony truly form the beating heart of classical music.

Mozart! Magical, Maddening, Magnificent

An irascible, scatological, petulant, arrogant, outrageously precocious boy genius who was the toast of Europe and went on to create the most perfect, breathtakingly beautiful music ever heard. And then die young, poor - and mysterious. The only composer to truly master both opera and orchestral genres, discover why Mozart's seemingly simple music intimidates even the greatest pianists, and is held to be the most exquisite, deeply moving music ever written.

Tutoring Program

Introducing the Arlington Community Learning Tutoring Program

Although we try to offer a variety of times and dates for our classes to choose from, we recognize that some students don't register for class because their schedules won't allow it. For this reason, we have started the ACL Tutoring Program where our teachers meet one-on-one or in small groups with interested students. The tutoring sessions occur in an Arlington Public Schools facility while other classes are in session.

Tutoring topics include

Music: Piano, Violin, Guitar, Voice

Computers: Word, Excel, PowerPoint, Social Media, and Websites

Foreign Languages: Spanish, Italian, French, Portuguese

For our students in Elementary, Middle or High School, we also can tutor on:

Math - Basic Math, Algebra, Trigonometry, Geometry

Other topics may also be possible. Let us know how we can help.

Please email raul.matos@apsva.us for availability, times, rates and locations.
