The Virginia Public Procurement Act provides limitations on the right of a Bidder to assert that information submitted as part of a Bid is proprietary information or contains trade secrets which are not subject to public disclosure. 6.6. If approved by the Arlington Public Schools’ Attorney, a Bidder may furnish a personal bond, property bond, or bank or savings institution’s letter of credit on certain designated funds in the face amount required for the bid bond. Approval shall be granted only upon a determination that the alternative form of security proffered affords protection to the Arlington Public Schools equivalent to a corporate surety’s bond.

7. Guaranty Bonds:

7.1. The successful Bidder, at the time of the execution of the Contract, shall furnish a Performance Bond and a Payment Bond, each in an amount equal to one hundred percent (100%) of the Contract Price and the Contract shall not be deemed to have been fully executed until such bonds are provided. Bonds shall be on the forms herein provided and shall be issued by a surety company licensed to conduct business in the commonwealth of Virginia and listed on the United States Treasury Department’s latest Circular 570, and otherwise acceptable to Arlington Public Schools. The Performance Bond and the Payment Bond shall be in effect as of the date the successful Bidder signs the Contract, and if executed prior to the date the successful Bidder signs the Contract shall include written certification from the surety that the bond is effective as of the date of the Contract. If the successful Bidder is a partnership or joint venture all partners or venturers shall execute the bond as principal in a personal and not representative capacity, in addition to execution of the bond by the Contractor as principal. Cost of said bonds shall be included in the Contract Price.

7.2. Arlington Public Schools reserves the right to request documentation from the surety company as to its financial capabilities, past experience, and other evidence of security’s reliability. In the event that the Contractor’s surety company becomes insolvent, bankrupt or in any way is incapable of providing the services, the Contractor shall, within ten (10) days’ notice from Arlington Public Schools, furnish new payment and performance bonds to Arlington Public Schools from a surety licensed to conduct business in Virginia, listed on the United States Treasury Department’s latest Circular 570, and otherwise approved by Arlington Public Schools Purchasing Agent. Any cost in securing new bonding will be the responsibility of the Contractor.

8. Contract Award:

8.1. A Notice of Intent to Award, or a Notice of Award of Contract, will be posted on the Procurement Office notice board located on the 4th Floor at Syphax.

8.2. The Apparent Low Bid and the Apparent Low Bidder shall be the lowest responsive Bid from a responsible and qualified Bidder based upon the Total Bid as set forth in the Bid Form. If the Apparent Low Bid is within available funds, the Contract, if awarded, will be awarded to the Apparent Low Bidder for the entirety of the Work identified in the Contract Documents for the Total Bid, subject to such Modifications which may arise subsequent to Bid Opening.
If the Apparent Low Bid is not within available funds, the procedure set forth as the Negotiation Procedures in the Event the Apparent Low Bid Exceeds Available Funds in the Invitation to Bid shall be implemented and followed.

8.3 Arlington Public Schools reserves the right to defer award or notice of intent to award of contract for a period of One Hundred Twenty (120) Days after Bid Opening.

8.4 In the case of a tie Bid, preference shall be given to goods, services and construction provided by a Bidder domiciled in Arlington County, if such a choice is available. Like preference shall be given to Bidders domiciled in Virginia when tied with Bidders not domiciled in Virginia.

8.5 Whenever the lowest responsible Bidder submitting a responsive Bid is a resident of or domiciled in any other state and such state under its laws allows a resident contractor of that state a preference of any kind, a like preference shall be allowed to the lowest responsible and qualified Bidder, submitting a responsive Bid, who is a resident of or domiciled in Virginia. If the lowest responsible and qualified Bidder submitting a responsive Bid is a resident of or domiciled in a state with an absolute preference, the Bid shall not be considered.

8.6 Notwithstanding the provisions of subsections 8.3 and 8.4, in the event that none of the foregoing provisions of this section resolve the tie, the tie shall be decided by lot.

8.7 A “responsive Bidder” shall mean a Bidder who has submitted a Bid which conforms, in all material respects, to the requirements of the Bidding Documents.

8.8 A “responsible Bidder” shall mean a Bidder who has the capability, in all respects, to perform fully the Contract requirements, and the moral and business integrity and reliability which will assure good faith performance, and who has been pre-qualified if applicable to this solicitation.

9. Withdrawal of Bids:

9.1 All Bids submitted as of the Bid Closing shall remain in effect for a minimum of one hundred and twenty (120) Days following the Bid Opening if not permitted to be withdrawn as provided in these Instructions. If APS fails to either issue notice of intent to award, make an award, or request an extension of Bids prior to the expiration of such ninety (90) day period, this solicitation shall be deemed cancelled. APS may request an extension of Bids prior to the expiration of such ninety (90) Day period for a time stated in the request. No Bidder shall be required to consent to such extension and, if the Bidder declines to consent to the extension request, its Bid will be deemed withdrawn at the end of the ninetieth (90th) Day after the Bid Opening and will not be considered further. For purposes of this circumstance only, the restrictions set forth below on withdrawal of a Bid are not applicable. The Bid of any Bidder who agrees to the extension request shall remain in effect for the period of time stated in the Owner’s extension request.

9.2 A Bidder may make a written request to the Procurement Director/Purchasing Agent to withdraw its Bid at any time prior to the Bid Opening. The request must be time stamped as received by the Procurement Director/Purchasing Agent prior to the Bid Closing.

Instructions to Bidders Addendum 2

00 2113-7
9.3 After the Bid Opening, a Bidder may make a written request to the Procurement Director/Purchasing Agent to withdraw its Bid. The written request must be time stamped as received by the Procurement Director/Purchasing Agent no later than 5:00 P.M. local time on the first full business day following the Bid Opening.

9.4 Whether the request to withdraw a Bid is made before or after the Bid Closing, a Bidder may request withdrawal of its Bid from consideration only if the price bid was substantially lower than the other Bids due solely to a clerical or arithmetical mistake therein, as opposed to a judgment mistake, and was actually due to an unintentional arithmetical error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of the Bid, which can be clearly shown by objective evidence drawn from inspection of the Bidder’s original work papers, documents and materials used in preparation of the Bid. The Bidder shall provide the original work papers, documents, and materials within the same time as required for the notice seeking withdrawal of the Bid.

9.5 If the Procurement Director/Purchasing Agent denies the written request to withdraw a Bid, the Bidder shall be notified in writing stating the reasons for the decision. Award of the Contract, if any award is made, shall be made to the Bidder at the Bid price if the Bidder is a responsible Bidder submitting the lowest responsive Bid.

9.6 No Bid may be withdrawn when the result would be the awarding of the Contract on another Bid of the same Bidder or of another Bidder in which the ownership of the withdrawing Bidder is more than five (5) percent.

9.7 If a Bid is permitted to be withdrawn, it shall not be considered in determining the lowest responsive Bid.

9.8 No Bidder who is permitted to withdraw a Bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the Contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn Bid was submitted.

10. **Rejection of Bids:**
Arlington Public Schools reserves the right to cancel this Invitation to Bid and to reject any and all Bids, and to waive any informality in any Bid received.

11. **Substitutions:**
11.1 The name of a certain brand, make, manufacturer, or definite specification is to denote the quality standard of article desired, but does not restrict Bidders to the specific brands, make, manufacturer, or specification named provided that the Bidder has obtained approval of the substitute as required below. It is to set forth and convey to prospective Bidders the general style, type, character and quality of article desired. Whenever in the Contract Documents a particular brand, make of material, device or equipment is shown or specified, such brand, make of material, device or equipment shall be regarded as a standard. Any other brand, make of materials, device, or equipment which, in the opinion of the Owner, is recognized as the equal of that specified, and is considered equal in quality, workmanship, design and economy of operation, and is suitable for the purpose intended, will be accepted and may be used in the work if approved as a substitute, except as stated otherwise in Product Requirements.
11.2 Substitute materials proposed as equals to materials specified must be submitted in writing to the Owner, in care of the Purchasing Agent with full substantiating data for evaluation no later than twenty (20) Days prior to Bid Closing, providing all information in accordance with the required Specification, Product Requirements, in the Contract Documents.

13. **Examination of Site:**
Bidders are highly encouraged to visit the Site, compare the Drawings and Specifications with any work in place, and inform themselves of all conditions, including other work, if any, being performed. Failure to visit the Site in no way relieves the successful Bidder from the necessity of furnishing any materials or performing any Work that may be required to complete the Work in accordance with the Drawings and Specifications without additional cost to the Owner. Site visits of the existing building are to be done with the coordination of Arlington Public Schools Project Manager, Robin Cook via email (robin.cook@apsva.us). A walk-through for potential Bidders to explore the proposed building Site and existing conditions associated is scheduled for April 22, 2019, immediately following the Conference.

14. **Authority to Transact Business:**
Any Bidder organized as a stock or non-stock corporation, limited liability company, business trust, or limited partnership or registered as a registered limited liability partnership shall be authorized to transact business in the Commonwealth of Virginia as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the Code of Virginia, or as otherwise required by law. The proper and full legal name of the firm or entity and the identification number issued to the Bidder by the Virginia State Corporation Commission must be written in the space provided on the Bid Form. If the Bidder is a joint venture which does not have a SCC identification number, then the name of the joint venture as appearing in the written joint venture agreement shall be provided, all members of the joint venture shall be identified by full name, and each member of the joint venture shall provide its SCC identification number or establish its exemption from such requirement. Any Bidder that is not required to be authorized to transact business in the Commonwealth shall include in its Bid a statement describing why the Bidder is not required to be so authorized. APS may require a Bidder or any member or principal of a Bidder identified above to provide documentation prior to award which: 1) clearly identifies the complete name and legal form of the firm or entity (i.e. corporation, limited partnership, joint venture, etc.), and 2) establishes that the firm or entity is authorized by the State Corporation Commission to transact business in the Commonwealth of Virginia. Failure of a prospective and/or successful Bidder to provide such documentation shall be grounds for rejection of the Bid or cancellation of the award. For further information prospective Bidders should refer to the Commonwealth of Virginia State Corporation Commission website at: [www.scc.virginia.gov](http://www.scc.virginia.gov).

15. **Interest in More Than One Proposal and Collusion:**
More than one Bid received in response to this solicitation from an individual, firm, partnership, corporation, affiliate, or association under the same or different names, or as a member of a joint venture, will be rejected. Reasonable grounds for believing that a Bidder is interested in more than one (1) Bid for a solicitation both as a Bidder and as a subcontractor for another Bidder, will result in rejection of all Bids in which the Bidder is interested. However, a firm acting only as a subcontractor may be included as a subcontractor for two (2) or more Bidders submitting a Bid for the work. Any or all Bids may be rejected if reasonable grounds exist for believing that collusion exists among any Bidders. Bidders rejected under the above provisions shall be disqualified if they...

respond to a re-solicitation for the same work.

16. **Request for Comments:**
Following the award of any Contract or Contracts, or the cancellation of this solicitation, all Bidders or potential Bidders are invited to provide to APS written comments regarding the manner in which this solicitation was conducted and any suggested modifications to that process which might make future solicitations by APS more efficient, more productive, and more attractive to potential Bidders.

Refer to Appendix A to Bid Form.

18. **Mandatory Requirement:**

Failure of the Apparent Low Bidder to provide the omitted Class 2 Mandatory Requirements within the stated timeframe will result in the Bid from the Apparent Low Bidder being considered non-responsive and no longer considered for Contract award.

The Bid from the Second Apparent Low Bidder will then be considered for Contract award. If any Class 2 Mandatory Requirement is not provided with the Bid of the Apparent Second Low Bidder, the Apparent Second Low Bidder will be Notified by the Procurement Office that the omitted Class 2 Mandatory Requirements must be received by the Procurement Office by no later than 5:00 PM on the fifth (5th) business day following the Notice to provide the information.

Failure of the Apparent Second Low Bidder to provide the omitted Class 2 Mandatory Requirements within the stated timeframe will result in the Bid from the Apparent Second Low Bidder being considered non-responsive and no longer considered for Contract award.

This process will continue until a Contract, within budget, is awarded, or APS determines it to be in the best interests of APS to reject all bids and cancel the solicitation.

19. **Employment of Illegal Aliens:**
All Bidders are informed that any Contract which may be issued as a result of this solicitation will contain a provision by which the Contractor shall be required to confirm that it does not, and shall not during the performance of the Contract, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986, in compliance with Va.
