ParentVUE Activation Code

Welcome to **ParentVUE!**

ParentVUE is an online tool to help you monitor your student's education. It will allow you to update contact information and provide you with access to the latest information about your child's attendance and scheduling. Middle and high school families will also be able to view class assignments, scores, report card grades and course history with **ParentVUE**.

To create an account and log into **ParentVUE**:

1. Make sure you have your Activation Code below.
2. Enter the web address <https://vue.apsva.us/> into the browser. We recommend Firefox or Chrome.
3. Click "**I have an activation key and need to create my account**" link.
4. Review the Privacy Statement and click "**I Accept**".
5. Enter your first name, last name, and activation key **exactly** as it appears below and click **Continue to Step 3**.
6. Enter a username, password and primary email address.
 - The password must have a minimum of 6 characters, and consist of numbers and letters.
 - The email address will be used to recover your password if you lose it.
7. Click "**Complete Account Activation**" to finish setting up your account.

We value your support and hope you find this tool helpful! If you have any questions, please contact your student's school.

Thank you for being a partner with us in your student's education.

Step 1 of 3: Privacy Statement

Read through the following Privacy Statement and click the Accept button to agree to the privacy agreement

PRIVACY STATEMENT: Introduction
The site editor, Arlington Public Schools (APS), takes your right to privacy seriously, and wants you to feel comfortable using this web site. This privacy policy deals with personally-identifiable information (referred to as "data" below) that may be collected by this site. This policy does not apply to other entities that are not owned or controlled by the site editor, nor does it apply to persons that are not employees or agents of the site editor, or that are not under the site editor's control. Please take time to read the APS Parent Handbook for more information about this portal.

1. Collection of data
Registration for an account on this site requires only a valid e-mail address and a unique user name, one has not been chosen already. You are not required to provide any other information if you do not want to. Please be aware that the user name you choose, the e-mail address you provide and any other information you enter may render you personally identifiable, and may possibly be displayed on this web site intentionally (depending on choices you make during the registration process) or due to the malevolent acts of a third party. As on many web sites, the site editor may also automatically receive general information that is contained in server log files, such as your IP address and cookie information. NO device information is collected. The information specifically collected is the Student ID number, parent email access identification, any information you provide into the account during registration, communications between APS staff and the parent, information provided to the HELP desk to assist with troubleshooting and aggregate usage data (which is not personally identifiable but rather information such a number of log-ins etc.) There is no information permitted on this portal and no data sharing with third parties unless required by law.

Clicking I Accept means that you agree to the above Privacy Statement.
