## Message from the Superintendent

Dear Lifelong Learners,

The Arlington Community Learning staff has prepared over 100 classes to enjoy this summer. Cooking classes with summer recipes, travel language classes, music, computer, sewing, art and much more can be found within the pages of this catalog. Many classes have been shortened in length to accommodate busy summer schedules.

With such a wide variety of classes, you can find short workshops that meet for only one evening, or more in-depth classes that meet for a few weeks. Along with many of the most popular classes, the program has introduced a handful of new classes as well.

All our locations have free parking and nicely air-conditioned classrooms. Take a break from the heat this summer and enjoy one or more of these engaging and instructive classes.

Arlington is a community of learners. Be a part of our learning and growing community and join the TEAM of learners of all ages!

Sincerely,

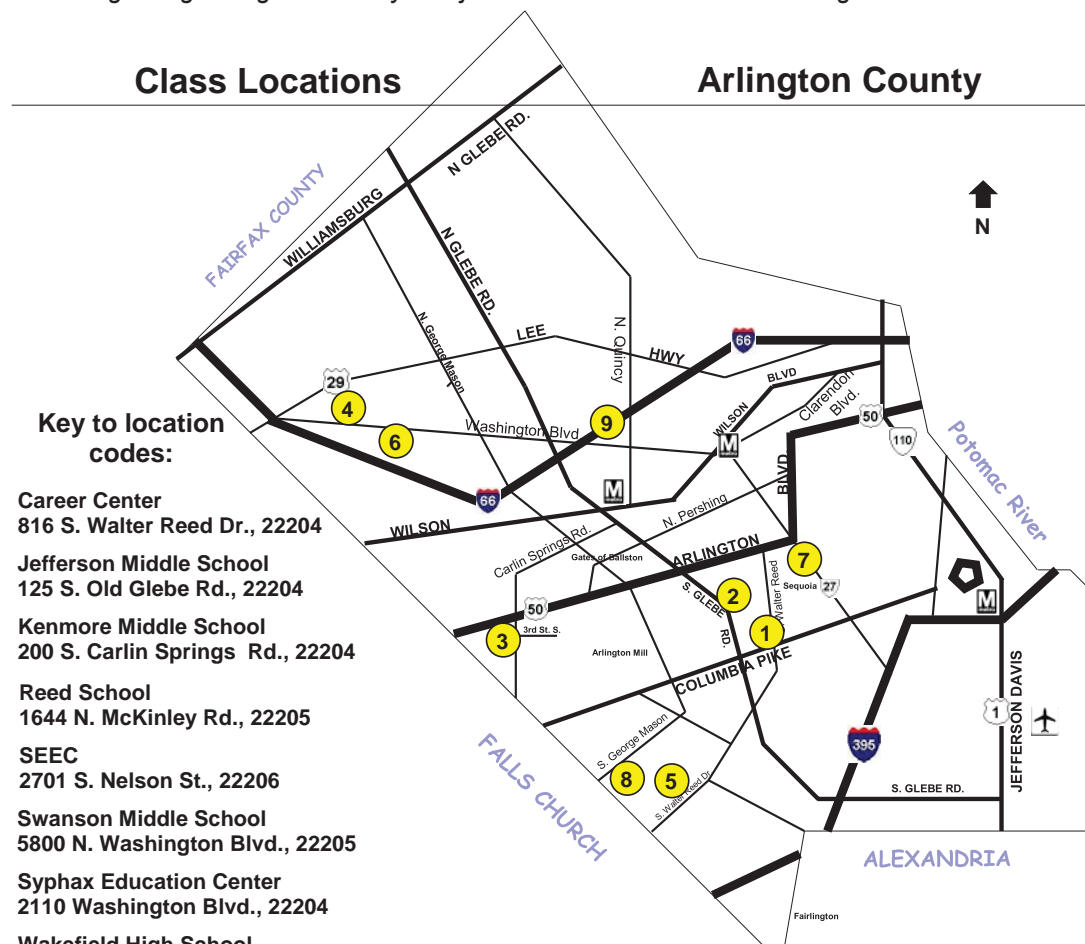

Patrick K. Murphy, Ed. D.  
Superintendent, Arlington Public Schools
