Question: Section 13.2.1 of the Instructions to Bidders and page 24 of the Bid Form require a Virginia Department of Professional and Occupational Regulation (DPOR) Class A License. We request that a Class B license be permitted because it allows for work on projects less than \$120,000.

Answer: The licensure requirement remains as stated in the Instructions to Bidders and the Bid Form.

Question: The quality of paint specified in the Pricing Page is a low grade paint. Would APS consider changing to a higher grade?

Answer: No.
