RE: RFP No. 58FY16- Architecture/Engineering Services for Miscellaneous Task Work Order Contracts for Arlington Public Schools

To whom it my concern:

We are happy to accept this contract without an interview. We have been working with APS for years now and are very familiar with the schools and how the schools operate. As for labor rates please see the following rates:

Consulting Engineer- \$95 an hour

Service Technician- \$65 an hour

Electrician- \$150 an hour

We will not have any typical reimbursable expenses as we will not have any travel expenses since we are local to you. If we need to provide any equipment or hardware in the process of these contracts, items that would be installed into schools or other facilities, we will offer those at dealer cost plus 20%.

Thank you
