Message from the Superintendent

Dear Lifelong Learners,

For all of us here at Arlington Public Schools, fall is the most exciting time of the year. It is the beginning of the school year, which brings together eager students ready to learn with excited teachers prepared to teach. This same excitement is found in the Arlington Community Learning program.

The concept of neighbors teaching neighbors is what makes community education unique and special. The wealth of knowledge found within our community is truly amazing. Community education creates the bridge between those life and professional experiences of our teachers with the desire to learn and grow from our students.

As you peruse the pages of this catalog, we hope you will find a class or two that interests you. If you do not find what you are looking for, let us know by emailing Raul Matos, coordinator of the program at raul.matos@apsva.us.

Arlington is a community of learners. Be a part of our learning and growing community and join the TEAM of learners of all ages!

Sincerely,

Patrick K. Murphy, Ed. D.
Superintendent, Arlington Public Schools
