GETTING STARTED UNIT
LIFESKILLS PERFORMANCE OBJECTIVES
LEVEL: 100
updated October 2019

Note to teachers: The Getting Started Unit is the first unit in the curriculum. This unit focuses on involving students in negotiating their curriculum for the course and developing a learning community. It’s normal to cover the Time and Weather Unit in conjunction with the Getting Started Unit or immediately after.

GETTING STARTED UNIT GOAL
Students will demonstrate their ability to use level appropriate language skills to communicate personal identification information and to function as a learning community.

GETTING STARTED LIFESKILLS PERFORMANCE OBJECTIVES:
1. Ask and answer questions about self and others (name, birthplace, address, telephone number, date of birth, age).
2. Complete a simplified personal data form (using information from objective 1).
3. In everyday conversation, greet others and take leave.
4. Introduce self and others.
5. Locate important points on maps (e.g., native country, U.S., Virginia).
6. In the context of a class orientation, identify rights and responsibilities as a member of the class. Respond to procedures for emergencies and weather-related school closures.
7. Identify common classroom items and respond to common classroom instructions.
8. Identify immediate family members.
10. Set class learning goals, including: 1) topics to be covered, and 2) language skill development focus.
11. Self-assess ability to use technology.
