Note to teachers: The Getting Started Unit is the first unit in the curriculum. This unit focuses on involving students in negotiating their curriculum for the course and developing a learning community. It's possible to cover the Time and Weather Unit in conjunction with the Getting Started Unit or immediately after.

GETTING STARTED UNIT GOAL
Students will demonstrate their ability to use level appropriate language skills to communicate personal identification information and to function as a learning community.

GETTING STARTED LIFESKILLS PERFORMANCE OBJECTIVES:
1. Ask and answer questions about self and others, orally and in writing (including name, country of origin, marital status, physical description, occupation, place of work, address, telephone number, date of birth, age).

2. Complete simplified personal information form (including information from objective 1 as well as social security number, sex, how long at current job, height, weight, e-mail address and signature).

3. Introduce self and others, greet others and take leave in formal and informal situations.

4. Describe likes and dislikes (e.g. music, sports, food, school subjects, work) and support opinion.

5. Identify relevant points on maps (native country, U.S., Virginia, Arlington).

6. Write a timeline including past and present events, future goals, and reason for coming to the U.S.

7. In the context of a class orientation, determine rights and responsibilities including emergency procedures as a member of the class.

8. Identify family relationships. Speak and write about own family.

10. Negotiate class learning goals, including 1) topics to be covered, and 2) language skill development focus.

11. Self-assess ability to use technology.
