## APS Strategic Goal 1: Multiple Pathways to Student Success

1. Administer math assessments (BOY, quarterly assessments, MOY, EOY, PowerSchools) and analyze results in CLTs

2. Identify students who need Tier 2 and Tier 3 intervention and provide services, 30 minutes per day, 5 days per week

3. Engage and support teachers and specialists at each grade level in implementing consistent structures for CLTs and planning for targeted core instruction in response to data

4. Implement a systematic data analysis approach to track student growth through common formative assessments at grade level

5. Engage staff in professional learning once a month as part of Academic Choice, math workshop, DreamBox, Responsive Classroom, IB PYP, Growth Mindset Framework, Inquiry Based Learning and Standards Based Learning book clubs, Project Zero Visual Thinking, Critical and Creative Strategies. Additional professional development will be provided in social-emotional learning to support student learning and address behaviors that may interfere with learning.

6. Align APS Math pacing guides with Randolph IB Units of Inquiry. (Summer curriculum mapping for teachers and quarterly grade-level data dialogues)

7. Leverage resources to provide additional math support for identified students, through after school enrichment program.

## Components 1-4 (See appendices below)

1. Administration, grade level teams (math support specialists, GT teacher, SpEd teachers, ESOL, classroom, IB Coordinator, librarian, ITC)

2. Grade level teams, math support specialists, SpED, ESOL

3. Grade level teams, math support specialists, GT Teacher, SpEd, ESOL

4. Grade level teams, math support specialists, SpED, ESOL

5. Administration, instructional leadership team, grade level teams

6. Summer 2019 and quarterly SY19-20

7. Fall and spring sessions

### APS Strategic Goal 1: Multiple Pathways to Student Success

#### Components 1-4 (See appendices below)

1. Administer reading assessments (PALS K-5, F&P, PowerSchools) and analyze results in CLTs
2. Identify students who need Tier 2 and Tier 3 intervention and provide services, 30 minutes per day, 5 days per week
3. Engage and support teachers and specialists at each grade level in implementing consistent structures for CLTs and planning for targeted core instruction in response to data
4. Maintain a systematic data analysis approach to track student growth through common formative assessments at grade level
5. Design and engage staff in an on-going, choice-based, targeted professional learning series to further enhance individual and team practice in literacy instruction (Academic Choice), e.g., writers’ workshop, readers’ workshop, Phonics, Responsive Classroom, IB PYP, Growth Mindset Framework, etc. and ensure recertification points for attendees. Additional professional learning opportunities are: attendance to Teachers’ College Institutes, Inquiry Based Learning and Standards Based Learning book clubs, Vocabulary, Phonics Units of Study, Project

### During the 2019-2020 school year, All Students and student reporting groups will improve their reading proficiency as demonstrated by a pass rate on the 2020 Standards of Learning.

#### Grade-level end-of-year assessment reflecting accelerated growth relative to statewide peers.

#### For each group of students, Randolph Elementary will close the gap between the Spring 2019 pass rate and 100% pass rate by at least 10%.

#### Components 1-4 (See appendices below)

1. Completed by the end of September, then quarterly after assessments
2. Students assessed, identified and grouped, interventions begun by October 7th
3. weekly during CLTs and Instructional Team meetings
4. weekly during CLTs, quarterly during Data Retreats
5. On-going during Staff meetings dedicated to Academic Choice PD

#### 1. Classroom teachers, Reading Specialists
2. Classroom teachers, Reading Specialists, SpEd, ESOL, RTG, Administration
3. Administration
4. Administration
5. Administration, Reading Specialists, RTG, IB Coordinator, Classroom Teachers, SpEd, ESOL

#### Student data, CLT Agendas

#### Student data, CLT Agendas

#### Student data, CLT Agendas

#### Student data, CLT Agendas

#### Student data, CLT Agendas

#### GRID (Guiding Randolph In Data-student data spreadsheet)

#### PD Agendas, Academic Choice Roster, Teacher feedback

#### APS Strategic Goal 1: Multiple Pathways to Student Success

1. Offer PD opportunities for math teachers on how to best serve all students (Registration fees and books related to the PD)
2. Assess the resources available for students for self-motivated independent learning during the implementation of the Workshop Model in the math block.
3. Ongoing throughout the year
4. Beginning of year and mid year
5. On-going during Staff meetings dedicated to Academic Choice PD

During the 2019-2020 school year, All Students and student reporting groups will improve their science proficiency as demonstrated by a pass rate on the 2020 Standards of Learning grade-level end-of-year assessment that reflects accelerated growth relative to statewide peers. For each group of students, Randolph Elementary will close the gap between the Spring 2019 pass rate and 100% pass rate by at least 10%.

**APS Strategic Goal 1:** Multiple Pathways to Success for All Students

1. Consult with Central Office Science Specialist to map standards for 5th grade science for the school year.
2. Align APS science pacing guides with Randolph IB Units of Inquiry. (Summer curriculum mapping for teachers and quarterly grade-level data dialogues)
3. Administer unit and quarterly benchmark assessments through PowerSchool for grades 4th and 5th grades, and common formative assessment for grades K-3 and analyze results in CLTs to plan for differentiated instruction
4. Leverage resources to provide additional science support for All Students, through after-school enrichment program.
5. Offer professional learning opportunities for teachers on how to best serve all identified students (Registration fees and books related to the PD) Use Inquiry Based Learning and Standards Based Learning book clubs, Project Zero Visual Thinking and Critical and Creative Strategies
6. Assess the resources available for students for self-motivated independent learning during the implementation of the Workshop Model in the science block.

**Engaged Workforce**

**Goal 3: Engaged Workforce**

**Engaged Workforce**

Improve working conditions to increase staff retention and engagement.

- **During school year 2019-20, we will strengthen partnerships with staff, build capacity, listen to their ideas or concerns, and instill a sense of community in order to increase retention and engagement.**

- **Goal 3: Engaged Workforce**

  1. Provide leadership opportunities to staff to develop their leadership skills through a) extending an invitation to interested staff to Aspiring Leaders; b) offering in-school leadership opportunities to become a grade-level chair on a rotating basis; c) co-leading an after-school committee; and d) leading professional development.
  2. Provide targeted professional development as needed through Academic Choice. Teachers will be surveyed on their needs to determine either what they would like to learn or what they would like to teach to colleagues.

- **(1) Ongoing**

- **(2) Fall and spring sessions**

**During school year 2019-20, we will strengthen partnerships with staff, build capacity, listen to their ideas or concerns, and instill a sense of community in order to increase retention and engagement.**

  1. Provide leadership opportunities to staff to develop their leadership skills through a) extending an invitation to interested staff to Aspiring Leaders; b) offering in-school leadership opportunities to become a grade-level chair on a rotating basis; c) co-leading an after-school committee; and d) leading professional development.
  2. Provide targeted professional development as needed through Academic Choice. Teachers will be surveyed on their needs to determine either what they would like to learn or what they would like to teach to colleagues. 
3. Offer opportunities for community building through health initiatives after school, such as creating a fitness group to exercise once a week with fellow colleagues with the goal of improving their health, building camaraderie, and showing students that taking care of oneself is important.

4. Create a Teacher Advisory Committee to listen to and address staff concerns. It will include A-scale and T-scale staff, as well.

Appendix 1: Comprehensive Needs Assessment

A systematic and comprehensive needs assessment was conducted prior to developing the 2019-20 Title I Schoolwide Plan to identify and prioritize school needs and actions to address them. This comprehensive assessment was based on student achievement in relation to the Virginia Standards of Learning (SOL) and other key indicators. This systematic effort is integrated throughout the school year, regularly revisited, involves multiple stakeholders, and is accomplished through a variety of information-gathering techniques in order to acquire an accurate and thorough picture of individual student needs as well as the strengths and challenges of the school community.

In conducting this needs assessment, student performance on Reading, Mathematics, and Science SOL assessments was analyzed via multiple methods, including, for example, overall as a school, in comparison to Arlington Public Schools and Virginia peers, disaggregated by grade level, and disaggregated by student reporting groups identified by the United States Department of Education (US ED) and the Virginia Department of Education (VDOE). A summary of this information is available to the public in the School Quality Profile for the school, for the district, and for the Commonwealth, which are located at [http://schoolquality.virginia.gov/divisions/arlington-county-public-schools](http://schoolquality.virginia.gov/divisions/arlington-county-public-schools).

Multiple data points were analyzed during the process, such as:

- Formative and summative Student Performance Data: SOLs, PALS, F&P, PALS Plus, Beginning of Year and Quarterly Math Assessment, Beginning of Year and Quarterly Reading Assessment, Quarterly Science Assessment, Conferring notes, OnDemand, Common Formative Assessments, Common Unit Assessments, DSA
- Reading, Spelling, and Mathematics intervention progress monitoring
- Attendance data, Discipline data (risk, threat assessments, referrals, reflections forms, out of class time), Responsive Classroom implementation of self-assessment
- Instructional Personnel and Licensure Report
- Perception Data: Staff Feedback survey, Staff Professional Learning survey
- Observations: classroom observations, CLT facilitator agendas/notes, walkthroughs
- WIDA Language Proficiency Assessment
- Wellness Assessment

The Arlington Public Schools 2018-2024 Strategic Plan and [district and school context](http://schoolquality.virginia.gov/divisions/arlington-county-public-schools) also guide the data analyses.

Multiple stakeholders participated in the comprehensive needs assessment process including all of those listed as responsible parties above, administrators, instructional staff spanning grade levels and specialties, and family and community members through established school learning teams and working groups such as the School Advisory Committee, School Leadership Team, and Grade-Level Collaborative Learning Teams, and Grade-Level Chairs.

The comprehensive needs resulted in the identification of key strategies to address annual performance goals. Resources from multiple partners are leveraged to achieve each of the goals:

- Strengthening math, reading, and science performance for all identified groups, as well as increased family and community involvement to support students' academic growth and social-emotional well-being in terms of mental health and social-emotional learning to address behaviors that may interfere with learning. This includes all reporting groups as well as needs from students with disabilities who may require additional behavior support and social skills in interacting with others and being able to access the curriculum and show adequate growth (students with autism, specific learning disabilities, speech language
disability, other health impairment, emotional disturbance, developmental delay, etc). SOL data show, for example, that students in 3rd-5th grade under the classification of autism did not pass reading and math. In the year 2019-20, there are 5 students with autism in 5th grade, 1 in 4th, and 1 in 3rd.

Appendix 2 - Schoolwide reform strategies that provide opportunities for all children, including each of the subgroups:

Stakeholders engaged in the continuous development and revision of this plan explored multiple evidence-based strategies to provide opportunities for all students, including sub-groups, and determined the following priorities for our community for this school year:

- After-school enrichment classes strongly tied to SOLs in reading, math, and science to be offered for 1 hour once or twice a week
- Additional staffing (0.7 Title I Reading Support and 1.0 Title I Academic Support Teachers) to provide small group and individual instruction.

Appendix 3 - Schoolwide reform strategies that use methods and instructional strategies that strengthen the academic program in the school:

The school looked into research-based strategies to strengthen the academic program, such as:

- Implementing a supplemental math targeted intervention program
- Enhancing classroom libraries and math instructional materials
- Maximizing instructional time
- Focusing on strengthening core instruction in CLTs
- Using common formative assessments to monitor progress
- Provide teachers with PD opportunities to enhance their teaching practice in math, reading (phonics, vocabulary), science, and social-emotional learning

Appendix 4 - Schoolwide reform strategies that address the needs of all children (particularly the needs of those at risk of not meeting the academic standards):

The school looked into research-based strategies to address all children, including sub-groups and produced the list below:

Family and Community Engagement events, such as:

- Interactive Literacy and Numeracy Nights (whole school twice a year)
- STEAM Night
- Monthly hands-on workshops for parents on how to best support their students in reading, math, and science (Coffee with Principals during Moms’ and Dad’s Club meeting time)
- “PARTICIPA...en mi educacion” for immigrant parents of elementary students on how to navigate the US school system
- Strengthening Families for parents of 5th graders to learn effective communication strategies and know how to best address difficult topics with pre-teens, such as the value of education, etc.
