**Notes:**

1. Enrollment data source: the official APS Student Information System on November 6, 2019 at 5:02 a.m.
2. Dual enrollees are students who attend APS to receive services but not instruction. PreK-12 student counts exclude dual enrollees.

All Arlington Public Schools (APS) budget and operations decisions are based on the best information available at the time. Staff and community members are reminded that funding forecasts from Arlington County and the state may change, based on many external factors. Similarly, student enrollment and projections are based on the best available information, but are also subject to change due to employment, housing and other economic factors. For these reasons, APS and the Arlington School Board may adjust future budget allocations, staffing and other operations decisions to reflect the existing community and operating landscape.
