¹ Five-year-old Montessori students are reported in Kindergarten.

² PreK SPED classes are in Integration Station as placeholders for Fiscal Year (FY) 2021. Integration Station is housed outside of APS with community PreK partners.

³ Schools that accept enrollment through a lottery process can also include students from the Secondary Program for Students with Autism (Grade 6 to 12) and H.S. HILT students (English Learners) enter through the year (Grade 9 to 12). H-B Woodlawn is an example of such a school.

⁴ Arlington Career Center full-time students include Arlington Tech, Academic Academy, HILT Institute, and PEP. Arlington Career Center part-time students are included at their neighborhood school.

⁵ Langston and Arlington Community membership does not include students over 20 years old. The above projections do not include the adult students at Arlington Community and at Langston.

⁶ PreK estimates are prepared by the Department of Teaching & Learning. Estimated secondary enrollment total at Eunice Kennedy Shriver Program was prepared by the Department of Teaching & Learning.

Note:
All Grade K-12 Special Education students, including those in self-contained classes, and English Learners are included within the grade totals at each school.
The projections for option schools were calculated differently from neighborhood schools. For certain option schools, their enrollment was static as of Sept. 30, 2019.

All Arlington Public Schools (APS) budget and operations decisions are based on the best information available at the time. Staff and community members are reminded that funding forecasts from Arlington County and the state may change, based on many external factors. Similarly, student enrollment and projections are based on the best available information, but are also subject to change due to employment, housing and other economic factors. For these reasons, APS and the Arlington School Board may adjust future budget allocations, staffing and other operations decisions to reflect the existing community and operating landscape.
