Smart Routes, Smart Choices

## 2020 APSGo! Travel Survey for Parents of PreK-10<sup>th</sup> grade students March 2 – April 3, 2020

### About this Survey

Every three years, APS conducts a travel survey to understand how our students, families and staff get to and from school. APS uses information from these surveys to develop plans and programs that increase safety, reduce traffic congestion and improve air quality around schools.

The survey is voluntary, but so important to guiding our transportation planning and resource allocation over the next few years.

Results will be published in Spring 2020.
