

SY 20-21 Instructional Delivery & Transportation Method Selection in ParentVUE

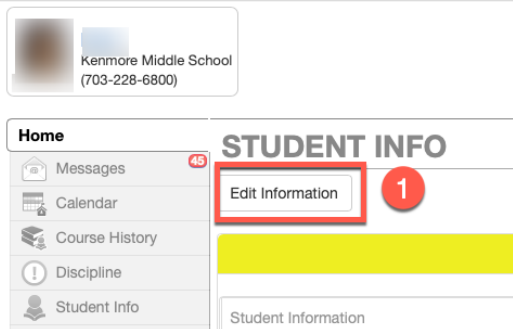

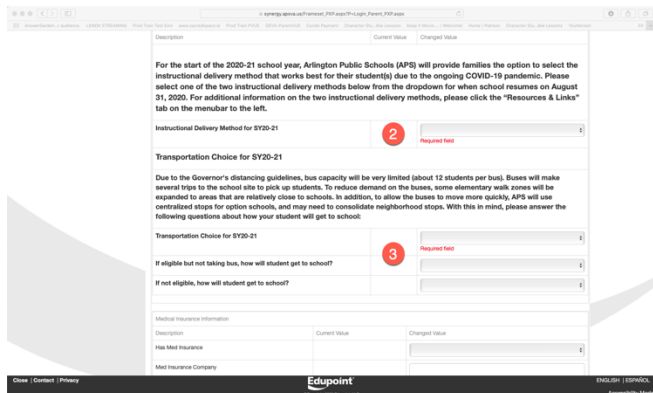

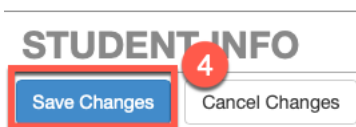

For the 2020-21 school year, Arlington Public Schools (APS) will provide families the opportunity to select the instructional delivery method and mode of transportation that works best for their student(s), due to the ongoing COVID-19 pandemic. This guide covers how to make those selections.

Log into ParentVUE:
<https://vue.apsva.us>

Click **I am a parent.**
Enter your **User Name** and **Password.**
Click **Login.**

From the **Student Info** page

1. Click **Edit Information.** Scroll midway down the page.
2. Select your choices for the **Instructional Delivery Method.**
3. Select your choices for the **Transportation** questions.
4. After selecting your choices, scroll to the top or the bottom of the page to select **"Save Changes."**

Note: If you have multiple students, you will need to complete this process for each student by selecting their name in the box located in the upper-left corner of the screen in ParentVUE.
