NATIONALS BASEBALL PARK

1500 S Capitol St. SE, Washington, DC

FREE TICKETS FOR ARLINGTON PUBLIC SCHOOLS STUDENTS AND FAMILIES

Arlington Public Schools students and families are invited to watch a performance of the hit new play *Toni Stone!* On Sun, Sept. 26 at 7:30 p.m. Arena will simulcast a performance of *Toni Stone* on the iconic videoboard at Nats Park to an audience of up to 12,000 in addition to the audiences attending the show at Arena Stage.

Considered a pioneer, Toni Stone is the first woman to play baseball in the Negro Leagues, also making her the first woman to play professionally in a men's league in the 1950s. Against all odds, Stone blazes a path in the male-dominated sports world, shattering expectations and creating her own set of rules. Based on Martha Ackmann's book *Curveball, The Remarkable Story of Toni Stone*, the latest work from award-winning playwright Lydia R. Diamond (*Smart People, The Bluest Eye*) tells the dynamic and uplifting story of Stone's journey of perseverance and resilience just to do what she loved the most — play baseball.

This production contains racially sensitive language and profanity. Suggested Rating is PG-13.
