Click on the link in your email to complete your camp forms.

Complete your paperwork by selecting 'submit'.

Reminders are sent for incomplete camp forms.

WHAT IS EPACT?

ePACT enables you to manage your account information and forms online.

Once you have completed the requested information in ePACT, there is no need to enter them again for a new registration, unless your information has changed. Annually you will be prompted to review and confirm the information on each participant's profile.

WHY EPACT?

With ePACT, you can:

- Complete necessary forms for attending camp, without visiting a DPR office.
- Update phone numbers and email addresses as well as camper information such as allergies, medication forms, emergency contacts & more.

WHAT DO I DO NEXT?

Once your registration has been completed, you'll receive an email with a link from ePACT, asking you to complete the Emergency Information for your camper. Use the link in that email to complete your family and camper profile!

Be sure to 'share' your profile with Arlington' when you complete your information & you're done!
