

Family Guide to VIRTUAL LEARNING

on Inclement Weather Days

GET READY

- Bring devices and charging cords home daily.
- Notify teachers now if students do not have access to reliable internet.
- Help students practice logging into Teams and Canvas.

VIRTUAL LEARNING

More information:
bit.ly/3tWwSPI

- **SYNCHRONOUS** learning (live instruction online) will be a minimum of 2.5 hours (elementary) or 3 hours (secondary) daily. Classes may be recorded.
 - Via Teams (Teams links available in Canvas)
 - Classes will follow the normal bell schedule
 - Students and teachers are expected to have their cameras on during live instruction.
- **ASYNCHRONOUS** learning (independent work on or off devices) will be 20-45 minutes (elementary) or 30-45 minutes (secondary) daily.
 - Via Canvas, other apps, or off-device
- Attendance will be recorded.
- Students with IEPs will receive appropriate accommodations. Teachers will collaborate with special education staff and case carriers, as always.
- English Learners will have the normal combination of individual and group work, both synchronous and asynchronous, facilitated by EL teachers and assistants.
- Gifted students' teachers will collaborate with RTGs to provide differentiated instruction.
- Free, shelf-stable meal kits will be available. [See website](#) for details.
