Five-year-old Montessori students are reported in Kindergarten. Career Center FTE are not included in the total as the students are already counted in their home school.

All Special Education students, including those in self-contained classes, all ESOL/HILT/HILTEX students, and all Transition Program students are included within the grade totals at each school.

Langston and Arlington Mill membership does not include students over 20 years old. The above projections do not include the adult students at Arlington Mill and at Langston.

APS provides specialized services (i.e., Speech) to "dual-enrolled" students on a limited basis and invites PreK students to serve as "peer models" in PreK classrooms that are under-enrolled. Although both dual-enrolled and peer model students are counted towards total enrollment, they are not counted toward capacity utilization since they are in attendance in school only intermittently.
