Starting in 2010-11, the federal government made the following changes in how race and ethnicity are reported:

<sup>1</sup>Students who designate their ethnicity as Hispanic are reported "Hispanic".

<sup>2</sup>"Native Hawaiian/Other Pacific Islander" has been added as a racial category. Previously these students were reported as "Asian."

<sup>3</sup>Student race can no longer be designated as "Unspecified."

<sup>4</sup>Students may now be identified as more than one race or "Multiple".

<sup>5</sup> Percentages may not total to 100% due to rounding
