### Notes:

1. This report is produced by VDOE; it identifies schools providing meals for students. It does not align with Sept. 30 enrollment counts by school. For example, Arlington Community H.S. is the site that serves lunch to all ACHS and ACC students, including some part-time ACC students who are at the site for a CTE course, while counted in enrollment at another high school.
2. Not all schools prepare lunch; in this report, schools that prepare lunch for other programs identify the receiving program (in parentheses).
3. Barcroft, Barrett, Carlin Springs, Drew and Randolph are participating in the Community Eligibility Provision (CEP) program. All students attending the CEP schools receive meals at no cost. Eligibility data for individual students is not collected at CEP schools. For more information, refer to USDA's CEP website [www.fns.usda.gov/cn/community-eligibility-provision](http://www.fns.usda.gov/cn/community-eligibility-provision).
4. Integration Station and VLP do not participate in the National School Lunch Program (NSLP).
