Subject: Contract 03FY21 - Crabtree, Rohrbaugh & Associates Term Contracts for Architecture and Engineering Services for Miscellaneous Task Work Order Contracts for Arlington Public Schools

Contract 03FY21 - Crabtree, Rohrbaugh & Associates (“Contract 03FY21” or “Contract”), for the provision of Term Contracts for Architecture and Engineering Services for Miscellaneous Task Work Order Contracts for Arlington Public Schools (“the Work”) is entered into as of the date the Procurement Agent signs this Agreement, this 15th day of May, 2023; by and between Crabtree, Rohrbaugh & Associates, Inc., located at 250 W. Main Street, Suite 200, Charlottesville, VA 22902, hereinafter called “Contractor” and Arlington County School Board, operating as Arlington Public School hereinafter called “APS” or “Owner.”

The professional services to which this Contract is applicable are identified below (“Specialized Services”).

Architectural and Interior Design – Small Scale Projects

1. Contract Term

The Initial Contract Term commences on the date the Procurement Agent signs the Contract and will expire on the earlier of (i) July 31, 2023 or (ii) when the cumulative total project fees reach the maximum authorized by the Virginia Public Procurement Act, whichever occurs first.

The Contract may be renewed for a term not to exceed one (1) year (‘Renewal Contract Term’) by written notice given by APS at any time prior to thirty (30) Days after expiration of the preceding Initial Contract Term or Renewal Contract Term. No representative of APS has any authority to order, direct, or request Work after expiration of the Initial Contract Term or Renewal Contract Term and prior to a Renewal Contract Term in strict compliance with the renewal terms herein. APS, at its sole discretion, has the right, but is under no obligation, to exercise this right to renewal not to exceed three (3) additional one-year periods at the same terms and conditions.

Unless directed otherwise by APS, any Work in progress at the time of expiration of a Contract term may continue and be completed under the terms of the Contract in existence at the time the Purchase Order for

the Work was issued, but must be completed no later than six (6) months following expiration of the Contract Term in which the Task Work Order Contract was awarded.

2. Contract Hourly Rates for Contract Term

APS will pay the Contractor in accordance with the Hourly Rates shown in the Fee Schedule for the staff classifications who may be required to perform the Work. The Hourly Rates shall not be subject to change during the Initial Contract Term. Where the Contractor provides a Lump Sum to perform Work under this Contract, the Contractor shall provide a breakdown showing the Hourly Rates charged and the number of hours worked by each staff classification.

3. Increases in Hourly Rates for Renewal Contract Terms

If consideration is to be given to adjusting the price after the Initial Contract Term or a Renewal Contract Term, the price may be adjusted for a Renewal Contract Term only upon approval of a written request to the Procurement Agent. Upon receipt of the Contractor's request, APS shall make a determination to approve or adjust the requested price increase based upon its investigations and the information provided by the Contractor. Any price adjustment agreed to shall take place only in accordance with the schedule defined below.

The request for an adjustment in the price shall include as a minimum, (1) the cause for the adjustment; (2) proposed effective date; and, (3) the amount of the adjustment requested with documentation to support the requested adjustment (i.e., appropriate Bureau of Labor Statistics index, etc.)

The request must be received at least thirty (30) days prior to the effective date of the expiration of the Initial Contract Term or Renewal Contract Term and shall become effective only upon approval by the Procurement Agent. The adjusted price shall not apply to orders received by the Contractor prior to the effective date of the approved increased price. Orders placed via Purchase Order, shall be considered to have been received by the Contractor after the fifth (5th) calendar day following the date issuance. The Procurement Agent may cancel, without liability to either party, any portion of the Contract affected by the requested adjustment and any materials, supplies or Services undelivered at the time of such cancellation.

4. Scope of Work

The Contractor agrees to perform the services described in the Contract Documents (hereinafter the "Work"). The primary purpose of the Work is to obtain the services of a qualified Contractor to provide and implement the Work for each Task Work Order Contract. The Work is more fully described in Attachment A. The Contract Documents set forth the minimum work estimated by APS and the Contractor to be necessary to complete the Work. It shall be the Contractor's responsibility, at the Contractor's sole cost, to provide all Work required by the Contract Documents and sufficient services to fulfill the purposes of the Work. Nothing in the Contract Documents shall be construed to limit the Contractor's responsibility to manage the details and execution of its Work. The Contractor shall be responsible for providing the Work.

5. Task Work Orders

Task Work Order Contracts may be issued at any time during the Initial Contract Term and any Renewal Contract Term. A Task Work Order Contract will authorize the Contractor to perform the Work for a lump sum amount at the marked up hourly rates agreed to and set forth in the Fee Schedule. The maximum fee allowed by law for any individual Task Work Order Contract, which includes all fees and reimbursable expenses and contingencies, shall not exceed the total set in Section 4-102 (2) A. of the APS Procurement Resolution, as amended or the Virginia Public Procurement Act. Provided, however, the Contractor shall not commence work under any Task Work Order Contract until a Purchase Order from the Procurement Agent or designee has been received.

It is understood that more than one Task Work Order Contract may, at the Owner's sole discretion, be offered to the Contractor during the Initial Contract Term and any Renewal Contract Terms. Although the potential exists for multiple Task Work Order Contracts being offered to the Contractor during the Initial Contract Term and Renewal Contract Terms, the maximum fees allowed by law for the aggregate of all individual Task Work Order Contracts, which includes all fees and reimbursable expenses and contingencies, shall not exceed the total set in Section 4-102 (2) A. of the APS Procurement Resolution, as amended or the Virginia Public Procurement Act.

APS does not represent or guarantee that the Contractor will receive any Task Work Order Contracts.

6. Documents

The Contract consists of the following documents (“Contract Documents”) all of which are incorporated into and are part of the Contract, and which, in the event of a conflict, shall be given precedence in the order listed, with any Amendment or Modification having precedence over preceding provisions. Any reference to the Contract shall be deemed to include all Contract Documents whether or not so stated. In the event of a conflict within a Contract Document at the same level of precedence, that provision requiring the higher quality of performance or quantity shall prevail. In the event of a conflict which is not resolved by the foregoing, APS shall determine the provision having precedence.

Scope of Work

During the Contract Term, APS will identify various projects for which Specialized Services will be required under any resulting Contract. Work directed by any given Task Work Order Contract may include one or more tasks as well as any combination or sequence of tasks identified below. Task Work Order Contracts may include coordination with departments internal to APS and may also involve presentations and meetings with citizen groups and review authorities external to APS. Where Contracts are awarded to more than one Contractor, APS will determine which Contractor is to be selected on a Task Work Order in accordance with Section 64 of the Contract Terms and Conditions, Contractor Selection and Award of Task Work Orders. APS provides no guarantee that any Contractor awarded a Contract resulting from this RFP will be selected for a Task Work Order Contract.

- N. Furnish the number of final sets, interim sets, and copies of the work specified in each Task Work Order Contract.

Attachment D

Contract Terms and Conditions

1. Standard of Care

In the performance or furnishing of services hereunder, the Contractor and all its agents shall exercise the highest degree of skill and care normally accepted as practices and procedures by members of the same profession for provision of the Work.

2. Responsibility of the Contractor

The Contractor shall be responsible for the quality, technical accuracy, and the coordination of all deliverables and other services furnished by the Contractor under this Contract. The Contractor shall, without additional compensation, correct, or revise any errors or deficiencies in the Work which are discovered within a twelve-month period of final completion of Work.

3. Responsibility for Claims and Liabilities

APS' review, approval, or acceptance of, or payment for, any services or deliverables required under this Contract shall not be construed to operate as a waiver by APS of any rights or of any cause of action arising out of the Contract. The Contractor shall be and remains liable to APS for the accuracy and competency of deliverables, plans, specifications, or other documents.

4. Payment

Contractor will be paid either upon the satisfactory completion and acceptance of each Task Work Order, if the Task Work Order is anticipated to be completed within ninety (90) days, or on a monthly basis if it is anticipated completion of the Task Work Order will take greater than ninety (90) days, and upon the submission of a complete invoice satisfactory to the Project Officer which meets the requirements of this section and other applicable provisions of the Contract Documents. APS will pay the Contractor within thirty (30) calendar days after the date of receipt of a correct (as determined by the Project Officer) invoice approved by the Project Officer. The number of the Purchase Order shall appear on all invoices.

For an invoice to be considered for payment it must be submitted no later than six (6) months following the completion of the Contract Term within which the services were rendered. APS shall have no obligation to make payment of any invoice submitted more than six (6) months following the completion of the Contract Term within which the services were rendered.

5. APS Project Officer

The performance of the Contractor is subject to the review and approval of the APS Project Officer ("Project Officer") who shall be appointed by the Director of the APS department requesting the Work under this Contract. However, it shall be the responsibility of the Contractor to manage the details of the execution and performance of its Work under the Contract Documents.

6. Adjustments for Change in Scope

APS may order changes in the Work within the general scope of the Work consisting of additions, deletions, or other revisions. No claim may be made by the Contractor that the scope of the Work or of the Contractor's services has been changed requiring adjustments to the amount of compensation due the Contractor unless such adjustments have been made by a written amendment to the Contract signed by APS and the Contractor. If the Contractor proceeds with what it considers to be additional or changed Work for which it is entitled to additional compensation prior to either (i) receiving a written amendment to the Contract signed by APS and the Contractor or (ii) having submitted a timely claim for additional compensation and thereafter receiving a written directive from APS to proceed with the Work, any claim for additional compensation for such Work shall be conclusively barred.

If the Contractor believes that any particular work is not within the scope of the Work or is a material change or otherwise will call for more compensation to the Contractor, the Contractor must immediately notify the Project Officer after the change or event occurs and within ten (10) calendar days thereafter must provide written notice to the Project Officer. The Contractor's notice must provide to the Project Officer the amount of additional compensation claimed, together with the basis therefore and supportive documentation for the amount. The Contractor will not be compensated for performing any work unless a Proposal complying with this subsection has been submitted in the time specified above and a written amendment to the Contract has been signed by APS and the Contractor and a Purchase Order is issued covering the cost of the services to be provided under the Contract Amendment.

7. Additional Services

The Contractor shall not be compensated for any goods or services provided except those included in the Contract Documents and included in the Contract Amount unless those goods or services are covered by a written amendment to this Contract signed by APS and the Contractor and a Purchase Order is issued covering the expected cost of such additional services.

APS may determine the need for additional work by the Contractor. Upon a request from APS, the Contractor shall prepare a cost proposal for any such additional work. No Additional Services shall be performed unless a written amendment to this Contract has been executed by both parties.

Additional services agreed upon by the parties will be billed at the rates set forth in the Fee Schedule.

If the Contractor believes that any particular Work requested by APS or otherwise arising is not within the Scope of Work or is a material change, the Contractor must immediately after the occurrence upon which such contention is based and before beginning such Work notify the Project Officer and the Procurement Agent. The Contractor shall not commence such asserted extra Work until a written amendment to the Contract is signed by APS and the Contractor and APS has issued a Purchase Order for the extra Work, or the Project Officer directs the Contractor in writing to proceed with such asserted extra Work. If APS so directs the Contractor to proceed with the asserted additional Work and no estimate of the cost of such asserted extra Work has been provided to APS the Contractor shall (i) within ten (10) calendar days following written direction from APS to proceed provide to the Project Officer and the Procurement Agent an estimate of the amount claimed; (ii) submit to the Project Officer and the Procurement Agent a statement of the actual costs incurred in performing the asserted extra Work every fourteen (14) days while such Work is ongoing; and (iii) within fourteen (14) days following completion of such Work submit to the Project Officer and the Procurement Agent the actual amount claimed together with the basis therefore and documentary evidence of all costs incurred supporting the amount claimed. Strict compliance with the foregoing requirements is a condition precedent to any right to recover costs claimed for asserted extra Work, but strict compliance alone shall not establish entitlement. Claims for extra Work shall be resolved pursuant to the provisions of Section 41, Dispute Resolution.

8. Reimbursable Expenses

Reimbursable expenses include expenses incurred by the Contractor (including consultants) in performing the Work under a Task Work Order Contract. A maximum of three percent (3%) markup may be applied to reimbursable expenses, except for expense of copying, printing, telephone charges, reproduction of drawings, specifications, and other documents, to which no markup may be applied.

The following expenses incurred by the Contractor, and its subcontractors and consultants, in performing its responsibilities under the Contract will be reimbursed:

- A. Reproduction, incurred by the Contractor using the APS authorized reproduction service providers, of drawings, specifications, and other documents, as required for formal submission to APS or the Arlington County offices. Reproduction services shall be authorized by APS prior to execution of this service.
- B. Models requested by APS.

The cost of any required training materials shall be included in the hourly rates. APS will not pay separately for training materials.

If a Contractor has expenses which it deems to be reimbursable in nature outside the items noted above, the Contractor shall bring these items to the attention of the Project Officer prior to the final negotiation of the Contractor's fees for a Task Work Order Contract and also provide justification for consideration to the Project Officer for approval on such expenses. Any costs or expenses not identified in the Task Work Order Contract as reimbursable are not reimbursable.

9. Reimbursable Travel-Related Expenses

All local travel-related expenses (mileage, parking, bike or car rental; communications and Internet connectivity; meals and entertainment,) shall be included in the Loaded Hourly Rates of the Work for APS. Local travel is travel commencing inside Virginia, Maryland, and the District of Columbia and finishing inside of Virginia, Maryland, and the District Columbia.

Long distance travel, as authorized by APS, is a reimbursable expense. Long distance travel is considered to be travel commencing inside Virginia, Maryland, or the District of Columbia and finishing outside of Virginia, Maryland or the District Columbia. In these circumstances, travel expenses will be reimbursed in accordance with the GSA Per Diem Rates for the location visited. Mode of transportation shall be the most economic available without upgrades in class or accommodation. APS shall not approve any request for reimbursement of unauthorized long-distance travel. . Reimbursement of reimbursable long distance travel mileage shall be at the current IRS rate.

Non-reimbursable Expenses: The following expenses are not allowable for reimbursement and should not be included in firm fixed price:

1. Alcoholic beverages;
2. Personal phone calls;
3. Self-entertainment activities (including but not limited to pay TV, movies, night clubs, health clubs, theaters, bowling);
4. Personal expenses (including but not limited to laundry, valet, haircuts);
5. Personal travel insurance (including but not limited to life, medical, or property insurance) for air fare or rental cars;
6. Auto repairs, maintenance, and insurance costs for personal vehicles;
7. Travel expenses incurred to obtain or maintain training and/or certificates that are not associated with an employee's job requirements.

If a Contractor has expenses which it deems to be reimbursable in nature outside the items noted above, the Contractor shall bring these items to the attention of the Project Officer prior to the final negotiation of the Contractor's fees for a Task Work Order and also provide justification for consideration to the Project Officer for approval on such expenses. Any costs or expenses not identified in the Task Work Order Contract as reimbursable are not reimbursable.

10. Payment of Subcontractors*

The Contractor is obligated to take one of the two following actions within seven (7) calendar days after receipt of amounts paid to the Contractor by APS for work performed by any subcontractor under this Contract:

- a. Pay all subcontractors for the proportionate share of the total payment received from APS attributable to the Work performed by the subcontractor under this Contract; or
- b. Notify APS and the subcontractor, in writing, of the Contractor's intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.

The Contractor is obligated to pay interest to the subcontractor on all amounts owed by the Contractor that remain unpaid after seven (7) calendar days following receipt by the Contractor of payment from APS for Work performed by the subcontractor under this Contract, except for amounts withheld as allowed in subparagraph b., above. Unless otherwise provided under the terms of this Contract, interest shall accrue at the rate of one percent (1%) per month.

The Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

The Contractor's obligation to pay an interest charge to a subcontractor pursuant to the above provisions may not be construed to be an obligation of APS. A Contract modification may not be made for the purpose of providing reimbursement for such interest charge. A cost reimbursement claim may not include any amount for reimbursement for such interest charge.

11. Non-Appropriation*

All funds for payments by APS under this Contract are subject to the availability of an annual appropriation for this purpose by Arlington County School Board (School Board). In the event of non-appropriation of funds by the School Board for the goods or services provided under this Contract, or substitutes for such goods or services which are as advanced or more advanced in their technology, APS will terminate the Contract, without termination charge or other liability to APS, on the last day of the then current fiscal year or when the appropriation made for the then current year for the services covered by this Contract is spent, whichever event occurs first. If funds are not appropriated at any time for the continuation of this Contract, cancellation will be accepted by the Contractor on thirty (30) calendar days prior written notice, but failure to give such notice shall be of no effect and APS shall not be obligated under this Contract beyond the date of termination specified in APS's written notice.

12. APS Purchase Order Requirement*

APS purchases are authorized only if an APS Purchase Order ("Purchase Order") is issued in advance of the transaction, indicating that the ordering school or department has sufficient funds available to pay for the purchase. Such a Purchase Order is to be provided to the Contractor by the order agency. APS will not be liable for payment for any purchases made by its employees without appropriate purchase authorization issued by APS Procurement Agent. Receipt of a signed Purchase Order issued by APS Procurement Agent before the Work is performed or goods are provided is a condition precedent to any obligation of APS to make payment to the Contractor for such goods or services.

13. Replacement or Augmentation of Key Personnel and Subcontractors

The key personnel and subcontractors submitted by the Contractor in its Proposal and thereafter accepted by APS are considered essential to the Contractor's qualifications. The Contractor may not replace, substitute or augment any key personnel or subcontractor without prior written approval of

APS. A request to replace or substitute any key personnel or subcontractor for any reason, shall be provided to the Project Officer at least fifteen (15) calendar days in advance of such proposed replacement or substitution and the request shall contain sufficient justification, including identification of the proposed replacement or substitute and their qualifications, in sufficient detail to permit evaluation by APS. APS shall be under no obligation to make payment for any Work performed by any replacement or supplemental subcontractor if APS approval for such replacement or supplementation was required but not obtained prior the Work being performed.

Additionally, the Contractor shall not remove or replace the approved key personnel or subcontractor without written approval of APS. In cases of the approved key personnel or subcontractor's prolonged illness or other extended leave of absence, Contractor shall provide an interim key personnel or subcontractor whose continued work on the Work shall be subject to approval by APS.

In the event of the key personnel or subcontractor's resignation or termination from the Contractor's employment, the Contractor shall replace the key personnel or subcontractor with an individual with similar qualifications and experience and only with APS' prior written approval.

Any replacement or substitution of key personnel or subcontractor shall be provided at no cost to APS, including an up to thirty (30) day transition period. APS may deem repeated failure or excessive delay by the Contractor to provide qualified personnel, or qualified replacement personnel, sufficient reason to terminate the Contract in whole or in part.

14. Project Staff

APS has the right of reasonable rejection and approval of staff or subcontractors assigned to the Work by the Contractor. If APS reasonably rejects staff or subcontractors, the Contractor must provide replacement staff or subcontractors satisfactory to APS in a timely manner and at no additional cost to APS. The day-to-day supervision and control of the Contractor's employees, and employees of any of its subcontractors, shall be the sole responsibility of the Contractor. APS reserves the right to remove immediately any staff or subcontractor at any time during the duration of the Contract if it determines, in its sole discretion, that the employee is not of the level of competence or ability required, is incompetent, careless, or not working in harmony with others, or if the staff or subcontractor is for any other reason found to be unsuitable for the Work. APS reserves the right to reject suggested staff or subcontractor who, in its sole discretion, is not adequately qualified to perform the Work. APS may direct replacement staff or subcontractor when, in its sole discretion, the one currently in an assignment is not adequately qualified to perform the Work. No additional cost shall be payable by APS as the result of the rejection, removal, or directed replacement of any staff or subcontractor.

15. Supervision by Contractor

The Contractor shall enforce strict discipline and good order among the workers performing under this Contract and shall only employ on the Work persons reasonably proficient in the Work assigned.

16. Employment Discrimination by Contractor Prohibited*

During the performance of this Contract, the Contractor agrees as follows:

- A. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, status as a service disabled veteran, or any other basis prohibited by state law related to discrimination in employment except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

- B. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an Equal Opportunity Employer.
 - C. Notices, advertisements, and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.
 - D. The Contractor will comply with the provisions of the Americans with Disabilities Act of 1990 which prohibits discrimination against individuals with disabilities in employment and mandates their full participation in both publicly and privately provided services and activities.
 - E. The Contractor will include the provisions of the foregoing subsections in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontract or vendor.
17. Employment of Unauthorized Aliens Prohibited*
In accordance with §2.2-4311.1 of the Virginia Code, the Contractor acknowledges that it does not, and shall not during the performance of this Contract for goods and/or services in the Commonwealth, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.
18. Drug-Free Workplace to be Maintained by Contractor*
During the performance of the Work pursuant to this Contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "drug-free workplace" means a site for the performance of Work done in connection with a specific contract awarded to a Contractor by APS in accordance with the Procurement Resolution, the employees of which Contractor are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

19. Default, Cure and Termination

- A. The Contract shall remain in force for the Initial Contract Term or any Renewal Contract Term(s) and until APS determines that all of the following requirements and conditions have been satisfactorily met: APS has accepted the Work, and thereafter until the Contractor has met all requirements and conditions relating to the Work under the Contract Documents, including warranty and guarantee periods. However, APS shall have the right to terminate this Contract sooner if the Contractor is in breach or default or has failed to perform satisfactorily the Work required, as determined by APS in its discretion, or for the convenience of APS as provided in these Terms and Conditions.
- B. If APS determines that the Contractor has failed to perform satisfactorily, then APS will give the Contractor written notice of such failure(s) and the opportunity to cure such failure(s) within

at least fifteen (15) days before termination of the Contract takes effect (“Cure Period”). If the Contractor fails to cure within the Cure Period or as otherwise specified in the notice, the Contract may be terminated for the Contractor’s failure to provide satisfactory Contract performance. Upon such termination, the Contractor may apply for compensation for Contract services satisfactorily performed by the Contractor, allocable to the Contract and accepted by APS prior to such termination unless otherwise barred by the Contract (“Termination Costs”). To be considered, such request for Termination Costs, with all supporting documentation, must be submitted to the Project Officer within fifteen (15) calendar days after the expiration of the Cure Period. Timely submission of Termination Costs is a condition precedent to any obligation of APS to make payment thereof. APS may accept or reject, in whole or in part, the application for Termination Costs and notify the Contractor of same within a reasonable time thereafter.

1. If APS terminates the Contract for default or breach of any Contract provision or condition, then the termination shall be immediate after notice from APS to the Contractor.
2. Upon any termination for default or breach, the Contractor shall be liable to APS for all costs incurred by APS after the effective date of termination expended by APS to complete the Work covered by the Contract, and for all other costs incurred by APS as a consequence of such default, including but not limited to costs of delay in completing the Work or the cost of repairing or correcting any unsatisfactory or non-compliant Work performed or provided by the Contractor or its subcontractors. Such costs shall be either deducted from any amount due the Contractor or shall be promptly paid by the Contractor to APS upon demand by APS. Additionally, and notwithstanding any provision in this Contract to the contrary, the Contractor is liable to APS, and APS shall be entitled to recover, all damages to which APS is entitled by this Contract or by law, including, and without limitation, direct damages, indirect damages, consequential damages, delay damages, replacement costs, and all attorney fees and court costs, and reasonable and customary costs of litigation including but not limited to expert witness fees incurred by APS to enforce or defend any provision of this Contract.
3. Except as otherwise directed by APS in the notice, the Contractor shall stop Work on the date of receipt of notice of the termination or other date specified in the notice, place no further orders or subcontracts for materials, services, or facilities except as are necessary for the completion of such portion of the Work not terminated, and terminate all vendors and subcontracts and settle all outstanding liabilities and claims. Any purchases after the date of termination contained in the notice shall be the sole responsibility of the Contractor.
4. In the event any termination for cause, default, or breach shall be found to be improper or invalid by any court of competent jurisdiction then such termination shall be deemed to have been a termination for convenience.

C. Contractor Responsibility for Damages Without Termination

1. Reimbursement of damages resulting from the Contractor’s errors, omissions or negligent performance of the Work, breaches of the Contractor’s Contract, and failures by the Contractor to comply with the applicable standard of care shall be pursued actively by APS. Within a reasonable time after APS has actual knowledge of such error, omission or negligent performance or breach and has made a determination that there

may be Contractor financial responsibility, the Contractor shall be given Notice of the error, omission, negligent performance or breach and that APS intends to hold the Contractor financially responsible. The Contractor shall in no more than fourteen (14) Days from the date of the Notice provide a technical solution to the identified problem, including cost estimate. The Contractor also shall coordinate with APS to determine required technical support and timing to minimize delays and costs to the construction project for which the Work is being provided ("Project") resulting from the issue. Pending final decision by the Owner, the Contractor will be invited to attend all price negotiations for the corrective work with the person or entity under contract with APS to perform the construction work on the Project ("Construction Contractor").

2. The Contractor shall provide any required design and administrative services which may arise as the result of the Contractor's errors, omission, negligence or breach at no additional cost to APS.
3. If the Contractor refuses to cooperate in the negotiations or disputes its responsibility, the Owner shall have the right to proceed with the remedial and corrective action, including necessary revisions, construction and/or Change Order negotiations with the Construction Contractor and another design professional without participation by or further Notice to the Contractor.
4. The Contractor shall not be responsible for the actual cost to purchase correct equipment or systems which should have been originally specified in the Contract Documents for the project, nor for the cost of installation thereof. The Contractor shall, however, be responsible for any increased costs of performance of the Construction Contractor's costs of performance related to the error, omission, negligence or breach, including but not limited to costs arising from re-work of or correction of damage to previously performed Work, costs of delay which could have been avoided had the error, omission, negligence or breach not occurred, inflation, reordering, restocking, plan resubmissions or otherwise, and design and administrative services incorporated into the Construction Contractor's Change Order or into any design professionals contract or Change Order as a result of the Contractor's errors, omissions, negligence or breach.
5. For the purposes of determining the Contractor's share of such costs for Work which has not yet been performed, the cost of Work performed under a Construction Contract Change Order or under a contract or Change Order with another design professional shall be presumed to be fifteen percent (15%) greater than if the work had been included in the original Contract Documents. The Contractor shall have the burden of disproving this presumption.

20. Termination for the Convenience of APS

Notwithstanding the rights of the Owner or defaults outlined above, the Owner shall have the right to terminate this Contract, in whole or in part, at its own convenience for any reason by giving seven (7) days prior written Notice of termination to the Contractor. In such event, the Contractor shall be paid an amount equal to the actual cost of any Work actually performed or in place and the actual cost of any labor, equipment or materials ordered in good faith which could not be canceled, less the salvage value thereof, plus 10%. Each subcontract shall contain a similar termination provision for the benefit of the Contractor and the Owner. The Contractor shall not be entitled to receive anticipated profits on unperformed portions of the Work. The Owner shall have the right to employ an independent accounting firm to verify any amounts claimed by the Contractor to be due under this Paragraph. The Owner shall have the right of audit and the Contractor shall provide all information and documentation reasonably requested for such purposes

insofar as they pertain to amounts claimed to be due hereunder. In the event a termination by the Owner for default, in whole or in part, subsequently is determined to have been without sufficient justification, such termination shall be deemed a termination for convenience and the CMR's remedies shall be limited as provided in this Paragraph 24.

After receipt of a notice of termination for convenience and except as otherwise directed, the Contractor shall stop all work on the date of receipt of the notice of termination or other date specified in the notice; place no further orders or subcontracts for materials, services or facilities except as are necessary for the completion of such portion of the Work not terminated; immediately transfer all documentation and paperwork for terminated work to APS; and terminate all vendors and subcontracts and settle all outstanding liabilities and claims.

21. Indemnification* ((NOTE: Virginia does not permit a public body to agree to the indemnification of others; cross indemnity provisions are not acceptable)

The Contractor covenants for itself, its employees, and subcontractors to save, hold harmless, and indemnify APS, and all of its elected and appointed officials, officers, current and former employees, agents, Offices, agencies, boards, and commissions (collectively and including APS the "APS Indemnitees" for purposes of this section) from and against any and all claims made by third parties for any and all losses, damages, injuries, fines, penalties, costs (including but not limited to court costs, reasonable attorneys' fees and costs of litigation including but not limited to expert witness fees and costs), , charges, liability, demands or exposure (hereinafter collectively "Indemnification Costs"), however caused unless caused by an APS Indemnatee, resulting from, arising out of, or in any way connected with the Contractor's acts or omissions or errors in performance or nonperformance of its Work, whether such act or omission or error is attributable to Contractor, a subcontractor, any material supplier, or anyone directly or indirectly employed by them for performance of the Work. This duty to save, hold harmless and indemnify shall survive the termination of this Contract.

If any action or proceeding relating to the indemnification required by this Section is brought against an APS Indemnatee, then upon written notice from APS to the Contractor, Contractor shall have the option to elect, at Contractor's sole discretion and expense, to resist or defend such action or proceeding by counsel approved by APS in writing, such approval not to be unreasonably withheld, but no approval of counsel shall be required where the cause of action is resisted or defended by counsel of any insurance carrier obligated to resist or defend same. Contractor shall be under no obligation to elect to resist or defend such action and may elect to allow APS or the APS Indemnatee to so resist or defend, subject to the indemnification obligations set forth herein.

If, after Notice by APS, the Contractor elects not to resist or defend or fails or refuses to save, hold harmless and/or indemnify APS or the APS Indemnatee, the Contractor shall be liable for and reimburse APS for any and all Indemnification Costs as defined above and settlements or payments made. The Contractor shall pay such expenses upon demand by APS and failure to do so may result in such amounts being withheld from any amounts due to Contractor under this Contract.

Contractor understands and agrees that it is Contractor's responsibility to provide indemnification to APS pursuant to this section. The provision of insurance, while anticipated to provide a funding source for this indemnification, is in addition to any indemnification requirements and the failure of Contractor's insurance to fully fund any indemnification shall not relieve the Contractor of any obligation assumed under this indemnification.

22. Intellectual Property Indemnification*

The Contractor warrants and guarantees that no intellectual property rights (including, but not limited to, copyright, patent, mask rights and trademark) of third parties are infringed or in any manner involved in or related to the services provided hereunder.

The Contractor further covenants for itself, its employees, and subcontractors to save, hold harmless, and indemnify APS, and all of its officers, officials, Offices, agencies, agents, and employees (collectively and including APS the "APS Indemnitees" for purposes of this section) from and against any and all Indemnification Costs however caused unless knowingly caused by an APS Indemnitee, for or on account of any trademark, copyright, patented or unpatented invention, process, or article manufactured or used in the performance of this Contract, including its use by APS or an APS Indemnitee without knowledge of the intellectual property right. If the Contractor, or any of its employees or subcontractors, uses any design, device, work, or materials covered by letters patent or copyright, it is mutually agreed and understood, without exception, that the hourly rates payable to Contractor include all royalties, licensing fees, and any other costs arising from the use of such design, device, work, or materials in any way involved with the Work. This duty to save, hold harmless and indemnify shall survive the termination of this Contract. If, after Notice by APS, the Contractor fails or refuses to fulfill its obligations contained in this section, the Contractor shall be liable for and reimburse APS for any and all Indemnification Costs and any settlements or payments made. The Contractor shall pay such expenses upon demand by APS and failure to do so may result in such amounts being withheld from any amounts due to Contractor under this Contract.

23. Copyright

The Contractor hereby irrevocably transfers, assigns, sets over and conveys to APS all right, title and interest, including the sole exclusive and complete copyright interest, in all copyrightable works created pursuant to this Contract. The Contractor further agrees to execute such documents as APS may request to effect such transfer or assignment. This assignment includes but is not limited to the right of APS to use all copyrightable works created pursuant to this Contract for any purpose. Notwithstanding the foregoing, this assignment does not authorize APS to submit such copyrightable works in support of application for any governmental permit or approval for any construction, improvement or modification of a facility which requires the seal of a licensed design professional other than the completion or repair of the facility for which the copyrightable works were created; provided further that the copyrightable works may be used in the development of documents submitted in support of any such application for a facility other than the facility for which the copyrightable documents were created if the submitted documents are sealed by another licensed design professional.

Further, the Contractor agrees that the rights granted to APS by this subsection are irrevocable. Notwithstanding anything else in this Contract, the Contractor's remedy in the event of termination of or dispute over the terms of this Contract shall not include any right to rescind, terminate or otherwise revoke or invalidate in any way the rights conferred pursuant to the provisions of this subsection. Similarly, no termination of this Contract shall have the effect of rescinding, terminating or otherwise invalidating the rights acquired pursuant to the provisions of this "Copyright" subsection. All restrictions on the scope of the assignment of copyright interests set forth in the preceding paragraph, and all remedies available to Contractor in the event of a violation thereof, shall survive the termination of this Contract.

The use of subcontractors or third parties in developing or creating input into any copyrightable materials produced as a part of this Contract is prohibited unless APS approves the use of such subcontractors or third parties in advance and such subcontractors or third parties agree to include the provisions of this subsection as part of any contract they enter into with the Contractor for work related to Work pursuant to this Contract.

24. Ownership and Return of Records

This Contract confers no ownership rights to the Contractor nor any rights or interests to use or disclose APS' data or inputs.

The Contractor agrees that all drawings, specifications, blueprints, data, information, findings, memoranda, correspondence, documents or records of any type, whether written or oral or electronic,

and all documents generated by the Contractor or its subcontractors as a result of APS' request for services under this Contract, are the exclusive property of APS ("Record" or "Records"), and all such Records shall be provided to and/or returned to APS upon completion, termination, or cancellation of this Contract. The Contractor shall not use, willingly allow, or cause such materials to be used for any other purpose other than performance of all obligations under the Contract without the written consent of APS. Additionally, the Contractor agrees that the Records are confidential records and neither the Records nor their contents shall be released by the Contractor, its subcontractors, or other third parties; nor shall their contents be disclosed to any person other than the Project Officer or his or her designee. The Contractor agrees that all oral or written inquiries from any person or entity regarding the status of any Record generated as a result of the existence of this Contract shall be referred to the Project Officer or his or her designee for response. At APS' request, the Contractor shall deliver all Records to the Project Officer, including "hard copies" of computer records, and at APS's request, shall destroy all computer records created as a result of APS' request for services pursuant to this Contract.

The Contractor agrees to include the provisions of this section as part of any contract or agreement the Contractor enters into with subcontractors or other third parties for work related to Work pursuant to this Contract. No termination of this Contract shall have the effect of rescinding, terminating or otherwise invalidating this section of the Contract.

Notwithstanding the foregoing, APS acknowledges that Contractor and the Subconsultants may incorporate certain standard documents, drawings, details and specifications into the design and the drawings and specifications related thereto (collectively, "Contractor's Standards") and that Contractor and its Subconsultants shall retain ownership to such materials. Contractor may utilize Contractor's Standards on other projects unless (i) such were created as unique or distinctive architectural component as part of the services under the Contract or (ii) where such taken independently or in combination will not produce a project or any portion of a project substantially similar to the custom designed elements of the APS Project

25. Confidential Information

The Contractor, and its employees, agents, and subcontractors, hereby agree to hold as confidential all APS information obtained as a result of its Work under this Contract. Confidential information includes, but is not limited to, nonpublic personal information, personally identifiable health information, social security numbers, proprietary systems, addresses, dates of birth, other contact information or medical information about a person's, information pertaining to products, operations, systems, customers, prospective customers, techniques, intentions, processes, plans, expertise and any information entrusted to any affiliate of the parties. The Contractor also agrees that it will not directly or indirectly use or facilitate the use or dissemination of student data (whether intentionally or by inadvertence, negligence or omission verbally electronically, through paper transmission or otherwise), for any purpose other than that directly associated with its officially assigned duties pursuant to any resulting Contract. Contractor is aware

that unauthorized use or disclosure of student data is prohibited and, in addition, may also constitute a violation of Virginia law (e. g. the Government Data Collection and Dissemination Practice Act, formerly called the Privacy Protection Act, VA Code §2.2-3800 et seq., and the Secrecy of Information Act, VA Code §58.1-3, which may be punishable by a jail sentence of up to six (6) months and/or a fine of up to \$1,000,000.).

26. HIPAA Compliance

The Contractor shall comply with all applicable legislative and regulatory requirements of the Health Insurance Portability and Accountability Act of 1996, as amended (“HIPAA”). Pursuant to 45 C. F. R. §164.502(e) and §164.504(e), the Contractor shall be designated a Business Associate pursuant and will be required to execute an APS Business Associate Agreement. If Contractor engages a subcontractor or subcontractors in the performance of the Scope of Work under any resulting Contract, the Contractor shall enter into an agreement with each of its subcontractors pursuant to 45 C. F. R. §164.3082(b) and the Health Information Technology for Economic and Clinic Health (HITECH) Act §13401 that is appropriate and sufficient to require each subcontractor to protect the Protected Health Information (PHI) to the same extent required of Contractor under APS’s Business Associate Agreement and in a form approved by APS. The Contractor shall ensure that its subcontractors notify the Contractor, immediately, of any breaches in security regarding the PHI.

The Contractor takes full responsibility for any failure to execute the appropriate agreements with its subcontractors to comply with the existing and or future regulations of HIPAA and/or HITECH and shall indemnify APS in accordance with the Indemnification clause in this section.

27. Data Security

31. Authority to Transact Business*

The Contractor shall pursuant to Code of Virginia §2.2-4311.2, be and remain authorized to transact business in the Commonwealth of Virginia during the Initial Contract Term and any Renewal Contract Term(s) of this Contract. A contract entered into by a Contractor in violation of this requirement is voidable, without any cost or expense, at the sole option of APS.

32. Relation to APS*

The Contractor will be legally considered as an independent contractor and neither the Contractor nor its employees will, under any circumstances, be considered employees, servants, or agents of APS. APS will not be legally responsible for any negligence or other wrongdoing by the Contractor, its employees, servants, or agents.
