# Goal

---

Review and Approve Education Specifications (Ed Specs) for  
**Elementary Swing Space**

# ■ What is Swing Space?

Swing Space is a facility or facilities that can be used by a school for 1-2 years while its building is being renovated.

# ■ What are Ed Specs?

The types and square footage of each space to be provided in the school to accommodate

- Required seating capacity
  - Instructional program
- Describe use of each space

# Review & Approval of Swing Spaces in Ed Specs:

Is this space required? Any notes?

- Ed specs spreadsheet (From F & O)

# THANKS!

Next Steps- Task 3

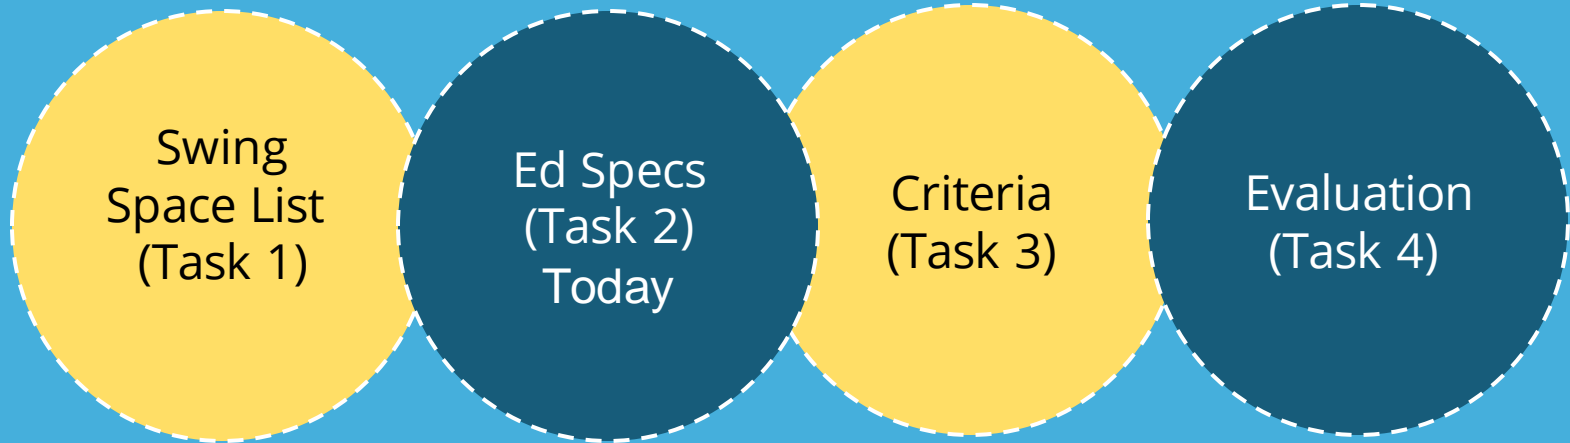

# Introduction to Swing Space

FY 2025-34 CIP directs APS to:

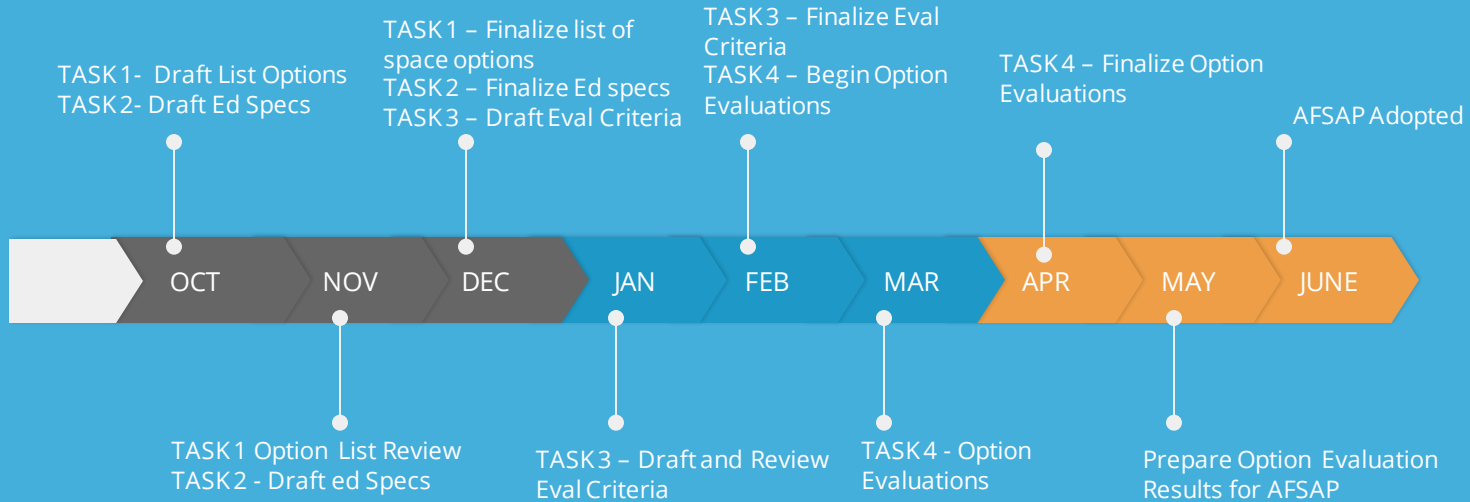

- Prioritize the renovations of existing APS school facilities using the framework in the CIP approved June 23, 2022.
- **Identifying and explore all options for elementary school swing space by Spring 2023 to support the renovation projects targeted to begin Fall 2026.**

# Project Breakdown: Four Tasks

# Swing Space Timeline

# Discussion Process 45 min

- First Click  
[on Ed Specs Link](#)

Second:

- Is this a required space?
- Is there an alternate way to address this need?
- What square footage is required?
- Other questions

# Swing Space Ed Specs

Discussion

# Square Footage

- Fourth Floor Office 105 sq feet

- Indoor Elevator 30 sq feet

# Square Footage

- Classroom 101
- 525 sq feet

# Square Footage

- Fourth Floor Reception Area
- 850 sq feet

# Let's explore some space needs

## Fundamental Need.

Physical Education space

## Nice to have:

- Gymnasium
- Full-size Soccer field
- other

## Questions:

Does a school require both indoor and outdoor spaces for PE?

## Alternatives:

- Multipurpose Room
- Field
- Rooftop court
- Utility Relocatables

- What can we see about vocal music storage?
- What do we wonder about the difference between program and actual space?

## ■ Next Steps

- P&E will continue the work with the larger group on Thursday
- This group will refine that document next meeting
