

Electronic Signature Request ParentVUE via app

When accessing ParentVUE via a mobile app, a notification appears indicating that a signature is requested. Since this is a notification, you can still access all the features of ParentVUE.

IEP Parent Participation and Consent

1. Click on IEP.pdf and/or IEP Parent Statement.pdf

2. Accept or Reject
3. Sign on red line OR
4. Select Keyboard and type name on red line.

If signature is not provided, then the parent can click [< Back](#) to return to ParentVUE to access other features of the app.

Note: When accessing ParentVUE via a browser on a mobile device, use the scroll bar at the bottom of the window to navigate left/right to ensure that all information is viewed.

When accessing ParentVUE via a browser, either on a computer or on a mobile device, a pop-up window appears. You are not required to provide an electronic signature in order to access ParentVUE.

Document Review

The screenshot displays a 'Signature Requested' window with a yellow header. Below the header is a blue bar with a globe icon and the text 'Please click the PDF link to sign.'. The main content area contains two document entries, each with a 'clear' link to its right. The first entry is 'IEP.pdf' with 'IEP' below it and an 'Accept' button. The second entry is 'IEP Parent Statement.pdf' with 'IEP Parent Statement' below it and 'Accept' and 'Reject' buttons. To the right of these entries is a 'Signature' line and a 'Type Signature Instead' input field. At the bottom, there is a 'Submit' button and a note: 'This electronic signature indicates participation (staff, parent/guardian, etc.) and/or parent consent status (agree or disagree).'
