DECA District Competition

Students from Wakefield and Washington-Liberty high schools attended the 2023 DECA district competition at Springfield Mall, VA.

Students competed in a variety of competitions, including marketing, business management & administration, finance, and hospitality & tourism. Both schools had numerous 1st, 2nd and 3rd place winners. 1st place winners qualify to attend the state competition in Virginia Beach this spring.

MS teams participate in VEX IQ Scrimmage

On December 9th, teams from Williamsburg, Dorothy Hamm and Gunston middle schools participated in a VEX IQ scrimmage with four Fairfax County Public Schools middle school teams.

This allowed students to practice using their robots and troubleshooting issues before the qualifying competitions in January.

KID Museum celebrated National Computer Science (CS) Education Week

Google Director of Computer Science Impact and Outreach, Shanika Hope, PhD

STEM Specialist, Rosie Santiago and CTE Teacher Specialist, Jamie Carfang attended KID Museum's Invent the Future Program immersive workshop that included an introduction to Computer Science through maker and invention focused learning. The introduction was provided by Dr. Hope and the KID Museum leaders.
