¹ Note that the Marshall Building no longer accommodates any full-time student programming and as such does not add capacity for the 2024-25 school year and beyond.

² Includes the Eunice Kennedy Shriver and H-B Woodlawn Secondary Programs.

³ Includes full-time Arlington Tech, Academic Academy, HILT Institute, and PEP students. Arlington Career Center part-time students are included at their neighborhood school. The CTE programs at the Career Center serve up to 900 students, divided into three blocks, where each block provides programing space for 300 students; the CTE space has a capacity of 300 seats.

⁴ The design capacity for the new Career Center accommodates 1,619 students. 300 of those seats are reserved for part-time Career and Technical Education (CTE) students. These students' enrollment numbers are captured in their assigned neighborhood school. Thus, the full-time capacity for the new Career Center is 1,319 students.

⁵ The main high school building for Washington-Liberty has a design capacity of 2,203 students. The Ed Center Reuse building, located adjacent to and on the same campus of Washington-Liberty has a design capacity of 600 high school students. The two buildings combined have a total design capacity of 2,808 high school students.

⁶ PreK SPED classes are in Integration Station as placeholders. Integration Station is housed outside of APS with community PreK partners.

Note:

The enrollment projections from 2024-25 to 2033-34, exclude Dual Enroll PreK students.

The CTE programs at the Career Center serve up to 900 students, divided into three blocks, where each block provides programing space for 300 students; the CTE space has a capacity of 300 seats.

⁴ The design capacity for the new Career Center accommodates 1,619 students. 300 of those seats are reserved for part-time Career and Technical Education (CTE) students. These students' enrollment numbers are captured in their assigned neighborhood school. Thus, the full-time capacity for the new Career Center is 1,319 students.

⁵ The main high school building for Washington-Liberty has a design capacity of 2,203 students. The Ed Center Reuse building, located adjacent to and on the same campus of Washington-Liberty has a design capacity of 600 high school students. The two buildings combined have a total design capacity of 2,808 high school students.

⁶ PreK SPED classes are in Integration Station as placeholders. Integration Station is housed outside of APS with community PreK partners.

Note:

The enrollment projections from 2024-25 to 2033-34, exclude Dual Enroll PreK students.
