

Evidence of Academic Achievement/ Proof of Progress

Options for you include:

1. Nationally normed standardized test
 - Please note that the composite score should *be in or above the fourth stanine* on any nationality normed standardized achievement test.
2. Your child's work may also be reviewed by a currently licensed teacher, who writes a qualitative assessment of his/her observations.

*The state code does not prevent parents from administering tests to their children or reviewing their work. However, in the latter case, the parent/guardian must hold a teaching license in any state or Master degree or higher in academic discipline.
3. Correspondence school report card or certificate of promotion to the next year.
4. A portfolio containing samples of work from the beginning, middle, and end of the school year, which will be forwarded to the Department of Instruction for the supervisors of each subject area to review and provide written feedback.
