Washington-Liberty ACE team placed 2nd in the 2024 Virginia Student Presentation Night

Washington-Liberty's Architecture, Construction and Engineering (ACE DC) team participated in the Student Presentation/Mock Design competition. Students presented their final projects to a panel of judges on April 25th, 2024 at the US Patent & Trade Office in Alexandria. WL's ACE team brought home the 2nd place trophy.

Arlington Career Center and Arlington Tech students participated in the SkillsUSA State Championships in Virginia Beach April 19-21, 2024

The Career Center was awarded the SkillsUSA Cup for earning the most medals during the State Championships. This is the 2nd year in a row they have won the Cup. Congrats to Tom O'Day (TV Production course) as well as Rosenia Peake and Desiree Alexander's (Cosmetology/Barbering) students that participated in this year's state competitions.

TV Production, Cosmetology and Barbering placed in the top 3 in all the competitions they entered.

VPI students retell "The Very Hungry Caterpillar" with Ozobots

Students programmed the Ozobots to act out the story. This was a fun and interactive way for students to learn about the life cycle of the butterfly as well as basic programming concepts.

Amazon chats with FBI Cyber STEM APS students

Michael Banks from Amazon talked to APS students and parents about the cybersecurity field and related opportunities. Students also went on a field trip to the FBI Academy in Quantico, VA.

Washington-Liberty and Yorktown High School students participate in the FBLA State Leadership Conference

Students from Washington-Liberty and Yorktown participated in the Future Business Leaders of America (FBLA) State Leadership Conference in Reston, VA. Multiple students from both High Schools qualified for the National Competition this summer in Orlando, FL.
